THREE STATES OF TRADITION

In the United Church of Canada we look forward to a richer inheritance...

TOO TRUE

He was fond of playing witty jokes on his wife, and this time he thought, "My dear," he said, "I have just heard such a sad story of a young girl...

A JOB FOR A VERSATILE MAN

According to a London paper, the Lady's Magazine of that time contained the following complimentary advertisement: "Wanted—For a sober family, a man of light weight, who could handle a gun and can drive a pair of horses. He must occasionally wait at table, join in household prayer, look after horses, and read a chapter in the Bible. He must rise at seven in the morning, obey the master's orders in all lawful commands, and if he can dress hair, sing psalms and play at cribbage, so much the better. Wages, fifteen guineas a year."

A "JILL" OF ALL TRADES

There was once a woman who found herself compelled to earn her living in a large city, with no adjustment but good sense and tact and a knowledge of housekeeping.

THE DRUNKEN-CAR DRIVER

On the streets of Toronto recently two traffic policemen, after having thoroughly searched being run over by motorists who failed to obey the traffic signals, arrested the offender and unable to control the car they drove driving. Several recent motor accidents on the streets were followed by the finding of liquor in one or other of the "damaged cars—an indication of the underlying cause of the disaster, some of which have fatal results.

MRS. REYNOLDS AND THE BROTHERS

Mrs. Hayes had finished her call and taken to go, and yet, very clearly, there was something to her mind. At the door she turned impulsively. "I don't know what you will think of me, Mrs. Reynolds, but I feel as if I must warn you—just in case it wouldn't be right to do. Have the Carletons been near you lately?"

LITTLE WISDOM

Had you cool affection. If I please to do, pay it. If you can't, take criticism don't offer it.

TWO GOOD REASONS

That is so fond of expressing his views on subjects of national importance that if he cannot get a listener it does not upset him at all, he just talks to himself.

WHERE THEIR PENNIES WENT

The Sunday school teacher had on a lovely new dress, which the children greatly admired. All of them except Percy. Finally she remarked thoughtfully: "Why had I brought my pennies to school for lots and lots of days before you could buy that dress? Didn't we, teacher?"—Harpur's Magazine.

A TRIFLING MISTAKE

The wife of a man who had enlisted in the navy had called the pastor of a church the following note: "Peter Bowers, having gone to sea, his wife desired the prayers of the congregation for his safety."

UNEXPECTED COMPANY ARRIVES

Intoxicating liquor may be sold and men may get it to drink, but Not By My Vote!

NOT BY MY VOTE!

Truth may be wrecked and character dismantled, homes may be destroyed and women and children beggared, but Not By My Vote!

NOT BY MY VOTE!

Children may be taught in the "beer" nature, the victims of alcohol may fill our jails, almshouses and insane asylums, but Not By My Vote!

NOT BY MY VOTE!

The liquor traffic may impoverish and degrade the people, may produce illness, disease and pauperism; may breed anarchy and crime; but Not By My Vote!

NOT BY MY VOTE!

The people may through their Government engage in the liquor traffic and for a consideration take a "reward against the innocent," and bargain away the public health and the public morals, but Not By My Vote!

Children Cry for Fletcher's CASTORIA. The reason some of us make such a poor lot of life is that we are not willing to be put through the process of removing the dirt that lies underneath the surface.

IMPROVEMENT OF HOME SURROUNDINGS. That the farmers of Western Canada are now giving increasing attention to the improvement of their home surroundings is shown by the fact that they have not only planted 5,000,000 trees distributed from the Canadian Forestry Commission, but also purchased large quantities from private nurseries.
