Brief Local Items

- This is October.
- October's here: it came along yesterday.
- The reddening maples are glorious everywhere.
- Goldenrod has come again with its golden flame.
- "Begin to feel like fall," is a very common expression these days.
- The School Field Day on Saturday at the Park—very permitting.
- A large number of Acton people attended Milton Fair on Saturday.
- Lake Avenue has been graded and received a generous coating of gravel.
- Rev. Mr. Culp was at Terra Cotta on Sunday preaching at the harvest home services.
- Major Marvin Kennedy is having the former Masonic Hall converted into a residence.
- A general survey is being made of the roadways in town and depressions are being filled.
- The Monetary Times notes the resignation of Acton Chamber of Commerce favorably.
- Beach-nutting will be popular this fall. The trees are well loaded with nuts, now in their prime.
- Mr. Frank Sorvin very kindly presented this office with a choice bouquet of dahias this week.
- The Queen Street railway crossing is a dangerous place, with so many through trains as it now runs.
- Quite a number of people from this section attended Fergus Fair on Friday. They report a splendid show.
- The Sacrament of the Lord's Supper will be administered at the Knox Church next Sunday at the morning service.
- Hockwood Fair had rather unpropitious weather, but the second day (yesterday) was an improvement on the first.
- According to the Assessment Roll of the City of Guelph, the population for 1924 is \$1,887,313.
- The "Protect the Children" drive (carefully) signs, which grant all motorists the cooperation limits are good exhibitions.
- Mrs. William Williams, Lake Avenue, has an Easter lily that is now in full bloom. This is the second bloom this season for this plant.
- Acton Ladies' Softball Team defeated Brookville ladies in an exciting game of softball at Brookville last Thursday evening by a score of 22 to 10.
- The section of Main Street from Fairview Avenue to the southern limits of the corporation could be improved very much by a dozen or so loads of gravel.
- Several police officers from the Ontario Reformatory at Guelph were here Wednesday evening looking for four prisoners who had escaped from the farm that day.
- The employees of the Mason Knitting Mill held a water roast at the home of Mrs. E. Brown on Saturday on Monday evening. They report a very enjoyable time.
- The general verdict is that so far this fall none of the fairs has eclipsed Acton so far as the quality and number of entries in classes, or general excellence is concerned.
- The Sunday School Daily Day service at the Methodist School on Saturday afternoon was very interesting. Mr. A. T. Brown and his staff presented an excellent program.
- Nominations for two School Trustees for the vacancies caused by the resignations of N. P. Moore and E. F. Gemble will be held between 12 and 1 o'clock on Friday at the Town Hall.
- Last week the four thousand telephone was installed in Guelph. Twenty years ago there were only 100 in the city. There is a girl of 10 people employed in the Guelph telephone service.
- A new store is under construction on the lot on Mill Street, between Woodland Theatre and Miss Murray's residence. Mr. W. J. Roney, Georgetown, will occupy the new premises with a shoe store.
- The rebuilding of the railway bridge at the tanneries, which was destroyed during the recent fire, has been completed. The first engine crossed the reconstructed bridge a week ago Saturday.
- Mr. Beatty Arnold has purchased the fine new residence he had been recently built by Mr. S. Cordner at the corner of Dover Avenue and Wilbur Street. Mr. Arnold will remove from Georgetown in a few days to his new home.
- Haiton County Council granted \$150 for rural school for 1924. Last year the amount was \$150. It was reduced on account of the grant for the Haiton County boys' and girls show, to be held in Milton on October 7.
- There is a kind of welcome party for the boys of the Orange and Blue Scouts at 8 p.m. will be held at the "Hobby" on Thursday, October 2, 1924.
- A special service on Wednesday at 8:30 p.m. will be held at the church in St. Albans Church on Wednesday, October 2.
- The big crowd was an orderly one. Chief McPherson was not only surprised by the staff of Exhibitors, Constables, and other officials, but also by the large number of people who attended the fair on Wednesday.

News of Local Interest

To Stop Kneebolts Smoking
 From now on any pupil of the Milton Public School caught smoking, cigarette or pipe, will be fined \$10.00 and will be handed over to Chief Constable Chapman, who will prosecute from the pupil the amount of his supply of tobacco. The Chief will then prosecute the man who sold the cigarettes to the minor.

Safety: Rules for Rubbish
 Keep rubbish tidy; don't allow rubbish to accumulate anywhere in the house or near it. If you keep city cloths put them with boxes of cans with a cover. Don't pile dead leaves against anything that will burn. They collect and burn them. Don't have old pieces of lumber cluttering up your basement. Have them cut up into kindling and then piled in a proper place.

Editor Church's Silver Wedding
 Editor and Mrs. C. H. Church, of Streetville, celebrated their silver wedding on Saturday. Mr. Church is not only editor of the Streetville News, but also of the Milton and Georgetown papers for seven years and is Warden of the County of Peel. This from a man who has been married for 45 years, and who is still hale and hearty. He and his wife have three children, two sons and a daughter, and are very happy and contented.

Neighborhood News—Town and Country

HORNBV
 Hornby rural school fair last Wednesday was a great success. The proceeds will be used for the purchase of new and better facilities for the school. The fair was held in the school building and was attended by a large number of people. The attendance was good and the people enjoyed the various exhibits.

BALLINAFAD
 Mr. James Cree visited for a few days with his brother, the Rev. M. Cree, at London, during the week. Mr. Cree is a well-known member of the Milton and Georgetown churches. He is a devoted and successful man in his own right.

LIMEHOUSE
 Mr. William Gowdy and Miss Doris spent Sunday in Guelph, and attended the Guelph School of Theology. Mr. Gowdy is a well-known member of the Milton and Georgetown churches. He is a devoted and successful man in his own right.

An Outsider's Opinion of the Fair

Major Forster, of Oakville, writes complimentary report.
 Certainly the Acton Fair people are favored, year after year, with grand weather. For instance, a more ideal weather for the fair would be a rainy day, and that is what a sample of the weather Acton has been favored with for many years.

Milton High School Overcrowded
 Mr. George Gowling and Dr. G. Dowland, of the High School Board, were present at a meeting of the Council on Monday and asked the Council to grant a sum sufficient to build an addition to the school on account of its crowded state, or in the event of that not being granted, to arrange for some place in which to place the overflow pupils. The Council has agreed to grant a sum sufficient to build an addition to the school on account of its crowded state, or in the event of that not being granted, to arrange for some place in which to place the overflow pupils.

A SHORT WINTER PREDICTED

Frank Doe, of Ogdensburg, well-known weather forecaster of Northern New York, has reported to the weather bureau and taken what other observers are considering necessary to find the answer.
 "We are due for a long, late fall with very few frosts," he predicts. "The greater part of it," he adds from his observations.
 "The state fair," he predicts, "will be favored with one of the very finest weeks of the fall, but the weather will be almost too hot. A great many at the state fair will be disappointed with the heat. Just paste this on your hat and see if it doesn't come true."
 "There will be a winter, and it will be a good winter, but it isn't going to be long," he adds, "I don't think it will be short and decidedly snappy." "We are due for a long, late fall with very few frosts," he predicts. "The greater part of it," he adds from his observations.
