Fifteen Care of a Stock Train were Derailed Near Malton

Fifteen freight cars of the regular freight, No. 522, Stratford to Toronto through Acton, went off the track about one and a half miles west of Malton on Baturday morning, on the C. N. R. Ten of these were loaded with cattle, of which about 50 had to be slaughtered by a staff of butchers hurried out to the moone. . As a result of the wreck, several passenger trains which stop at Acton were held up and did not arrive until several hopes later. The morning mail came by way of Burlington, and
