THE TRANSFIGURATION A PRE PARATION FOR THE CROSS-Luke Golden Text .- This is my Son my

hounn; hear ye him.-Luke. 9: 35. ... The Text Explained Verse 28 .- Right days after those sayings-"After alk days" (Mark 9: 2). Different expressions to designate

the period of approximately one week. The mayings referred to are those concerning his impending suffering and douth. The week had been spent in the vicinity of Caesarea Philippi, Jesus teaching his disciples in private. Poter and John and James These three, with -- Andrew, formed the innermost circle of the apostolic group. To them Jeaus on several occusions manifested himself more fully than to the others. Went up into the mountain-Mount Hermon. Not to the summit of the mountain, however, which was more then nine thousand foot high, but from the valley up to some more secluded retreat on the mountain side. To pray the appoint company a vision of his glory which should sustain them in coming daappointment and sorrow. Verse 19 .- The fashion of his coun

tenance was altered . . . became white and dazzling-"His face did shine us the sun" (Matt. 17: 2). Verse 10 .- Moses and Elijah-Ro presentatives repectively of "the Law"

Verse 31 .- Spake of his decesse (or There were two hundred and twelve "departure") which he was about to known will, heretofore never completesoon found that the bard of John in suffering and the final consumma-Watson, G. T. It. pumphouse engineer, tion of the fulfillment of all prophecy on Bower Avenue, was in flames. 'The Irelating to the Messiah.' Verse 12.-Heavy with sleep-Not

sound aleep, but "drowsy," "sleepy,"

Verse 33.-As they were parting-About to go. From the following sentence it is plain that Moses and Ellish were recognized by the disciples. None will be strangers in heaven. . Not knowing, what he said-Absent-mind-

ed, carried away by the rapture of the Verse 34.-While he said these things, there came a cloud-"A bright cloud" (Matt. 17: 6), similar to the Shechinab, or cloud of glory, which was a symbol of divine presence 17, 1904, Samuel W. Worden, former- (Brod. 23: 9; 1 Kings 8: 10).

Verse 35 .- This is my Son, m chosen; hear ye him-The memory of this Voice and its testimony was to sustain them in the dark hour of dis appointment soon to follow. Verse 16,-And' when " the .volo came. The voice apparently came after Moses and Elijah had departed

They held their peace-Until after the resurrection in accordance with the express command of Jesus, given them Lesson Themes

The Meaning of the Transfiguration -The transfiguration meant a great deal to the disciples not only at the time it occurred, but later when the memory of the light that shone about them on Hermon cheered them in the gloomy days of the close of the Seviour's life: The transfiguration New Brunswick. was without doubt their preparation for Calvary. The transfiguration oc-

curred when Jesus was in prayer. Prayer is the portal through which the soul enters the realm of apiritual beauty. 'In the mountain' quiet there was meditation and worship and it is not at all strange that under such circumstances there should come to the

disciples for their present -joy | and future comfort the vision of their radiant Lord. The transfiguration Bank was a renewed sense of the power of Christ and the supernal beauty of his triumphant presence. After that great hour defeat could not come. The Transfiguration of the Christian
