BIRTHS, MARRIAGES, DEATHS

In the Province of Ontario and in the County of Halton Last Year

From the reports of births, marriages and deaths for the past year the following interesting facts are gleaned:

Births in Ontario, 70,056; of these 36,141 were males and 33,915 females. The largest number of children were born to mothers 25 years of age. One mother was 53 years of age.

There were 1,579 illegitimate births during the year. 40 per cent. of these were born to mothers under 20 years of age. There were 744 pairs of twins and 11 cases of triplets.

In Halton County there were 470 births, which is 13.9 per 1,000. The ratio for the province is 23.1 per 1,000.

In the province last year there were 24,843 marriages; this was an increase of 1,482 over the previous year.

Halton County had 114 marriages.

There were 35,436 deaths during the year. 1,989 of these were from tuberculosis, a rate of 65.6 per 100,000, the lowest ever reached in Ontario.

In our county there were 256 deaths, being 10.3 per 1,000. The average death rate for Ontario was 11.8 per 1,000. There were 15 deaths from Tuberculosis in Halton.

—The cantatas rendered by the Methodist choir from time to time have invariably been impressive and inspiring. The "King of Glory," to be given on Easter Sunday evening, 12th of April, will be exceptionally fine.

Father's Easter Outfit

The head of the house, as he searched in his pockets, and found not a cent was incited to muse: "The wife's bought her bonnet and outfit for Easter, the girls spent the rest and, no doubt, more could use, so it seems all that's left, if I want to dress up some, is to press my old pants and shine my old shoes."

—Do not fail to see the Women's Institute play on April 16.

—Now is the time to go through your office stationery and sort up lines in which you are low. The Free Press is prepared to give you service and suggestions and satisfactory prices.

—"I likes to see er man take an interest in de country," said Uncle Eben; "but I kaint approve ob 'is neglectin' 'is own 'tater patch while he worries 'bout whut we gwinter do wif dem."—Esquimaux.

—Spring is welcome to everyone, but to none more than the man who has been shovelling coal into a hungry furnace all winter. To him winter really ends when he has shovelled coal into the furnace for the last time for that season.

—Rev. T. H. Ibbot, Ph. D., rector of Grace Church, Arthur, has announced his resignation to take place on April 15, in order to undertake missionary work on the Welland ship canal. Rev. Mr. Ibbot was minister of the Methodist Church Erin, several years ago.

—Beatty Bros., Limited, of Fergus, have let contracts for additions to their two local factories, totalling 51,576 feet of floor space. These changes are made necessary on account of the fact that they are moving one of the factories from London to Fergus this year.

—Hillsburg people seem not to be moved much by romance at all, and take such incidents quite prosaically. The news correspondent reports the folks busy "making syrup, sawing wood, plowing roads and getting married." Just that, and nothing more.—Guelph Mercury.

—Do you say you don't need to advertise because everybody in town knows where you are? So does everybody in town know where the other fellow is and who he is. But what are you doing to induce them to come to you for your share of trade along with the other fellow.

—The Council will be doing many pedestrians a good turn if they will spend half a bag of cement, and a wheelbarrow load of sand and gravel, and fill in the depression in the sidewalk at the south-west corner of Mill and Main Streets. It has been a menace for two years.

—Sounds natural, doesn't it?—"The old town road roller will roll no more after having rolled itself into a decrepit heap of junk. But it has not rolled in vain; long after its many parts have passed the various stages of annihilation, its memory will be cherished by Port Colborne ratepayers."

—Many people evidently have short memories. Some person went to the trouble to write four pages of "A Canadian Army Story," and send it to this office without the author's name last week. According to our inflexible rule it cannot be inserted without the writer's name being supplied.

—Now that spring gardening time is about due, those who raise chickens should, out of all fairness to their neighbors, if not because it is the law, take steps to confine poultry flocks to their own yards. A good deal of damage is done annually by chickens that are allowed to wander away from their own homes.

—Eastertide in another week, and a world awakening to the spring! Flowers are the spirit and essence of Easter and spring flowers that bloom again in all their glory. Easter flowers, colorful, fragrant, beautiful, bring springtime into your home. They will be much in evidence on Good Friday and Easter.

—Mr. John Roma, who purchased a farm on the South line, in Brant Township five years ago for $14,000 has decided to practically abandon this property for the encumberance against it, and will step out after losing a cold $4,000 in cash, besides several years of hard work. He bought when farm prices were at the peak.—Elora Express.

CHURCHILL

This community lost one who was for years a resident and whose relatives here are numerous, when Mrs. Robert Harding, of Georgetown, died at the Brampton Hospital on Friday, March 20. Mrs. Harding, whose maiden name was Phoebe Jane Fisher, was born in Erin Township, on the fifth line, 63 years ago and has been a resident of Georgetown for over thirty years. She was a good neighbor and a kind and loving mother and was esteemed and respected by all who knew her. Besides her husband she leaves a family of two, Mrs. George Walters and Mrs. Len Harding. Two brothers and four sisters also remain, Robert and Hiram Fisher, of Erin; Mrs. Bronston, Mrs. Griffinham, Chicago; Mrs. J. Tuck, Milton; Mrs. Acquilla Peavoy, Orangeville. The funeral on Sunday afternoon was conducted by Rev. Mr. Harton, Baptist Minister.

NASSAGAWEYA

The Nassagaweya Junior Farmers' Association was re-organized last Wednesday at Brookville, with the following officers for this year: President, Cecil Early; Vice-Pres., Andrew Frank; Secretary-Treasurer, Hector G. Wornfold.

The Nassagaweya branch of the Bible Society met in the Presbyterian Church on Monday of last week. Rev. M. McLaren, of Toronto, gave an address. The following officers were elected: President, G. T. Wilson; Vice-Pres., Elwood Wilson; Secretary, Clifford Norrish; committee, J. P. Kitchling, R. J. Anderson and C. A. Darby.

Mrs. C. A. Darby, of Knatchbull visited relatives in Dundas over the week-end.

Mr. and Mrs. David Nightingale, of Guelph, visited at the home of Mr. and Mrs. A. Nightingale at Knatchbull.

Circular sawing bees are the order of the day in this district.

On Thursday the stork called at the home of Mr. and Mrs. Harland Wilson, Nassagaweya, and left a little son. Both are doing well.

Shortly after returning home from the funeral of Mrs. George Currie last week, John Ingles, of Nassagaweya, was taken suddenly ill and passed away within a few minutes. He was twice married, his first wife being a daughter of the late James Mahon, by whom he had three children. His second and surviving wife is a daughter of W. Howard, by whom he had seven children.

Between twenty and thirty brethren of St. Clair Lodge, No. 135, A. F. & A. M., Milton, visited on Thursday night Campbell Lodge, No. 603, Campbellville, of which a goodly number of members were in attendance, with W. Bro. Duncan Campbell in the chair. W. Bro. Peacock, of St. Clair, and his officers, assisted by P. M.'s, exemplified the work of the third degree, after which refreshments were served in the banquet room.

James Johnson, owner of the famous team of oxen here, who went to Toronto last week at the invitation of the Hunt Club to draw the wagon at the carnival at the Coliseum Friday night, had not been in Toronto for more than 30 years. He lives at Campbellville, on land settled by his father, who escaped from slavery from the United States.

OAKVILLE

Much interest was manifested in the Mission held in St. Jude's Church. The earnest appeals of Bishop Doull, of Kootenay, B. C., were of much interest.

The by-law granting a fixed assessment to the Mariatt Leather Company will be voted on by the ratepayers of Oakville on Tuesday, April 14.

A Rummage sale will be held in St. Jude's parish hall on Saturday afternoon, April 4, at 2.30.

The tannery will be re-opened next week. For the first at least only patent leather will be turned out and the firm will specialize on this, with the object of retaining all their former customers.

Passion week services will be held in the Methodist Church this year. A number of prominent preachers from Hamilton will assist.

The Oakville cricketers recently held their annual meeting in the Hotel Gibson when reports were received and officers elected.

"Capt. Scott and his south polar expedition" was the subject of a most interesting and instructive address by Rev. Dr. Dougall at the Methodist Young People's Society meeting on Monday evening.

Passengers alighting from the ten-thirty train from Toronto on Wednesday evening were surprised to hear a band of frogs piping their spring melody in the water pool at the C. N. R. station.

Four sections of the detour bridge washed away here by the spring flood have been located near New Toronto and Mimico. Three of these will be salvaged by the highway commission, as they remained well intact and not greatly damaged.

Building permits amounting to $12,000 have been taken out this year, mostly for alterations.

Reports are that the hepatica, first bush flower of spring, is already blooming on the hillsides of the Sixteen Mile Creek at Merton. This is unusually early.

On Tuesday evening the local Salvation Army was honored by a visit from Commissioner Sowton, who has charge of the Army work in all Canada, Newfoundland and Bermuda. The meeting was held in the Army's Hall and was a real enthusiastic Salvation Army gathering.

The firemen had a brisk run on Wednesday shortly before noon to W. H. Pitt's residence on the lakeshore near St. Andrew's Church. The chemical engine was sent first, but soon a general alarm was turned in. When the water was turned on the blaze was soon under control. The fire was due to a grass fire getting beyond control.

Following a somewhat serious illness Mrs. John Cramp, of Glenorky, went to Florida in February, hoping the warm climate might restore her to good health. This did not prove as desired, for on Tuesday she passed away at Delray, and the remains were brought to Oakville. On Monday afternoon the funeral service was held at Knox Church, Sixteen.—Star.

HER PLATFORM

At the Marshall home, there was much discussion of woman suffrage and other political questions, and little Vera had always been a very interested listener.

"What will you do when you can vote?" a visitor asked her.

"Help to put candy on the free list," was the unexpected reply.

News of Local Import

Farm Sold

The Sharp farm, Nassagaweya, has been sold to E. Padbury, Toronto. This farm has been sold twice since last fall. R. J. Kerr, Real Estate Agent, negotiated the sales.

Local Play in Town Hall

The Women's Institute are arranging to feature a play entitled, "Dust of the Earth," on Thursday, April 16, in the Town Hall. This play includes four acts and ten members compose the cast. The cast is all local characters, and should prove interesting and instructive.

$12,500 to Pay for Motor Damages

At the Spring Assizes at Milton on Tuesday Mr. Justice R. M. Meredith assessed Ernest Wilcox, of Galt, $12,500 damages as a result of his smashing into Gustave Armand's car on the highway near Oakville on the 29th October last. The judgments against Wilcox are as follows: $5,000 to Mrs. Armand, $3,000 to Mr. Armand, $1,500 to Fred Carr and $3,000 to Mrs. Carr. Wilcox must also pay the costs. His speeding was costly.

Stock to Market by Truck

The plan of conveying stock—cattle, sheep and pigs—to the city markets by railway train is gradually changing to hauling them by truck. Daily there passes through here on the highway to Toronto truck loads of cattle, sheep and pigs. It is claimed that this method of shipment saves the farmer the time and trouble of delivery to the railway shipping yards, the rates for conveyance is lower, and the stock gets to market quicker and in better condition; it looks very much as if methods along this line will change completely as many others have done.

Guelph Hydro District Gets $3,572

Particulars of amounts paid as bonuses for hydro construction were tabled in the house by the Premier, who explained that these payments are made out of the legislature's appropriation of $1,000,000 for the current year. The Guelph district comprises the section in which Guelph, Elora, Fergus, Acton, Rockwood, Georgetown, Erin, and other surrounding communities are situated, and the amount of the bonus for this district is $3,572. This amount is applied to construction and extension work, and helps to reduce the cost to the people of the district.

New Inspector in Col. Craig's Place

Owing to the fact that Col. J. J. Craig, school inspector for South Wellington, has been prevented from attending to his regular visits to the schools of the district through illness, the Department of Education has appointed Mr. Neil McDougall, B. A., to assume the duties temporarily until Col. Craig has recovered sufficiently to take them over. Mr. McDougall has been inspector of Lambton County for many years and latterly has been in the employ of the Department in an important capacity. Col. Craig confidently expects to resume his active duties in the course of a short time.

A Suggestion as a Test

Here is a suggestion for those who make a practice of buying from the mail order houses: "The next time you are sending an order to a departmental store, enclose a polite note requesting a donation to your church, your school, your fair, the Children's Aid, the Hospital, or some charity in which you are particularly interested and see what a generous response you get. It will be a nice encouragement to your local contributors to these institutions."

The County Roads By-law

On Friday a deputation from the County Council of Halton composed of the Warden, the members of the standing committee on roads and bridges and the County Treasurer waited on the Hon. the Minister of Public Works at the Parliament Buildings, Toronto, explaining that certain provisions in the uniform county roads by-law which the Department has asked all County Councils to pass, were not satisfactory to some Halton municipalities. They asked that Halton should be permitted to pass the by-law with certain alterations. Permission was given by the Minister for the making of the desired alterations.

"Peter Pan" at Wonderland

This paramount picture will be shown at Wonderland on Friday night, and is a film which everybody will enjoy seeing. Those who have seen it declare it is more than a tonic, because it not only revives memories of youth, but makes one youthful. If you are young, you will live and triumph with Peter Pan in all the glorious episodes your imagination ever dreamed. If you are old you will find yourself young again. There is so much that is worthy in the picture that one is left wondering how it was all done so flawlessly. Sir James Barrie wrote the story. Herbert Brennon directed the picture, and Betty Bronson lived Peter Pan. Mary Brian was the spiritual Wendy. Every other member of the cast is also entitled to praise from Torrence down to the tiniest tot in the picture.

The Mission at St. Albans

The week's mission in St. Alban's Church for the deepening of the spiritual life of the members of the congregation, concluded with very impressive services on Sunday. The addresses by the Ven. Archdeacon Mackintosh, D. D., of Dundas, were practical, scriptural and forceful. The Archdeacon in a very informal manner addressed the large congregations which assembled from night to night on spiritual themes, and emphasized very kindly and impressively the importance and personal value of the holy communion; the force and effectiveness of faithful prayer, and the joy of Christian life and experience generally. The celebration of the communion each day was participated in by considerable members. The services on Sunday gave ample evidence of the influence of the mission by a large attendance, and an increased number of communicants. The ministrations of Rev. Mr. MacKintosh, and his earnest appeals won for him the high esteem of those who attended the mission. The Rector, Rev. Mr. Baugh, is much encouraged as to the influences of these special Lenten services.

BEAUTIFUL EASTER MILLINERY
AT $5.50 AND $7.50

The unprecedented demand for felt hats in the States has seriously interfered with the straw and fabric hat business. In view of this, our buyer made some most unusual purchases in New York last week, enabling us to offer $7.50 and $9.00 hats for $5.50, and $12.00 to $15.00 hats for $7.50.

The success which will attend this special event will be based upon the unusual beauty and clever styles which these hats portray. The popular prices are just an added feature which will make this special offer FRIDAY and SATURDAY an unresistible one to the woman of discrimination.

144 hats offered in these two special assortments. May we expect you?
