Easter Services Were Inspiring "The Ladies' Aid of Mohawk Crossing"

Able Sermon by Rev. Dr. Moore of Toronto, and Beautiful Cantata by Church Choir

Easter Sunday will be remembered as having services of unusual interest to the congregation of the Methodist Church, and the numerous Eastertide visitors. Rev. T. Albert Moore, D. D., of Toronto, preached a powerful discourse at the morning service, and the splendid sacred cantata, "The King of Glory," was rendered at the evening service by the church choir in

Very interesting information was given respecting activities of the Church in behalf of the children and young people throughout the Dominion. Concrete cases of rescue and permanent results achieved, were rehearsed. The care for the babes of unmarried mothers and their adoption into Christian homes was explained. The placing of homeless boys in helpful environments by the department, was also explained. "The Church," said Dr. Moore, "is earnestly endeavoring to do effective service in the rescue and improvment of thousands of children and young people, and wonderful results are being accomplished."
