McLean & Co.

The partnership plumbing and tinsmithing business carried on by Drummond and Leatham has been dissolved and the business has been purchased by Mr. Leatham, who will make all collections. The same courteous and prompt attention will be given all orders for work and I bespeak the continued patronage of previous customers

and solicit the work of new patrons.

# Summer Meats

If there is one particular time of year that meats require extra good attention it is the summer-time. We have the facilities in our shop for caring for all meats properly, and every piece of meat we serve you is right. Our large refrigerator at the abbatoir, and our excellent cold storage plant and newly installed refrigerator show case at the shop are a guarantee of meats served right all summer.

During the summer months many people do not want to cook meats and have hot dinners. We always carry an excellent stock of the finest of cold, cooked meats, ready to serve.
