Visits Boyhood's Home Mr. Samuel McSpadden, of Haverhill

dass., visited Acton friends while on motoring tour during the week. He alled on Mr. and Mrs. Thomas Elliott and secured a small tree from the site f his father's home and his birthplace and hopes to be able to have it grow at his present home at Haverhill. He also called on Mr. H. P. Moore, who was his Sunday School superintendent when he was a boy in Acton. Mr. McSpadden is a prosperous business nan in his adopted city. Mrs. Mc-Spadden is a daughter of ex-Mayor Furch of that city.

Consummation of the United Church Very interesting services will be held iext Sunday consummating the United Church of Canada, Acton: At 9.15 a.m. special prayer service will be held for a half hour, having special reference to the consummation of the Union Church. At 11 o'clock the special crder of service will be followed which is arranged similar to the great sorvice held in the arena at Toronto on June 10. This will be in four sections: over the Brampton team, with a score 1. The opening praise and prayer service; 2. The Hallowing of Church Union; 3. The Dedication of the Membership Rolls from the several churches, and reception of from the respective officials by the Minister, and 4. first pic-nic under the newly-organized The Communion sermon by Rev. Mr. Zimmerman, the pastor of the United Church, followed by the administration of the Lord's Supper. A souvenir booklet containing the entire service has been prepared. A copy will be

historic service. New Street Lighting System Proposed For years Acton has enjoyed the business streets of any similar town the province. Visitors invariably emark the fine effect of our lighting system. Now that traffic through town n the highway is growing rapidly and the visitors to town are more numerous, the Hydro Commission is considering the further improvement of our

liple lights has just been put upon and Miss H. McDonald vs. Miss Mothe market which will give greatly improved results. This is known as the Holophane unit, and it gives a greater distribution and radiation of the light. This system would cost no more for current and the only extra cost will be for installation of the new units which is not a serious amount. The Hydro Commission is to be congratulated upon their effort to keep our lighting system up to date and to make our streets well lighted and attractive. Our citizens generally will commend their efforts. . Two of the new type of lamps have been temporarily installed at the corner of Mill and Willow Streets, and these demonstrate very effectively the superior lighting qualities of the new units. Phil Forbes' Fortune Venished

The report was broadcasted last week that "Phil Forbes, the bootlegger, ls said to be worth \$50,000 to \$75,000." The report further stated that "he told Constable Chapman on his way to fall Windsor and was to have moved his sloner for Canada, show that during than \$700 or \$800. Phil never had the provinces. Reports indicate that more than a thousand or two in his the expenditure during the present the past year or two his finances have year. ticen at very low ebb. His father. Crown Attorney John M. Kearns, Guelph, was in Palmerston on Monday In connection with a case in tative at the General Conference of which Mr. J. H. Fawcett, Mayor of Harriston, appeared before Magiatrate Hellyer on a charge of criminal negligence. The case arose out of an accident on the highway on July 5, when a car driven by Mayor Fawcett collided with one in which Mr. and Mrs. Holman, of Listowel, were driving. Both occupants of the latter were more or less seriously injured. Magistrate Hellyer did not decide as to whether the accident was caused by Fawcett's car or not, but found on the evidence that in any event no. proof existed of criminal negligence. This charge was dismissed:-Guelph
