**CITIZENS OF PERGUS**  
Citizens of Pergus are evincing great interest in a case which comes up before Magistrate Hayler in that village, where twelve members of Mount Pelion are charged with having disturbed a camp meeting in progress there last week.

**CHIEF McPHERSON**  
Chief McPherson has had quite a number of persons on the carpet for violation of the Highway Traffic Act during the week. They were persons hailing from Tilbury to Scarborough Junction and Port Colborne. The offences are speeding, reckless driving and no lights.

**PROVINCIAL LICENSE INSPECTOR GRANT**  
Guelph, drove to Toronto, Monday with an automobile ordered confiscated for the late Rev. William Deacon, who was taken into custody when apprehended with a quantity of liquor in his car. The inspector at Hamilton in Toronto delivered the machine and the whiskey to the Provincial License Department.

**On Tuesday last, David George Hyde**  
who said he didn't know whether he was in Toronto or not, and who also didn't know whether he was 49 or 59 years old, was arrested by Chief Kerr and charged with vagrancy. On Wednesday morning P. M. Shields sentenced him to thirty days in the county jail. While on route the Chief found that the man was an escaped inmate of Toronto asylum.

**FINES**  
Fines totalling \$2,142, together with terms of imprisonment aggregating nine months, were imposed on Fred Rutka, by Magistrate Manne last Wednesday at Port Colborne, the sentences to run consecutively. Should Rutka fail to pay any of the fines, he will serve twelve months in jail upon completion of the term which may be extended, for steps are already being taken with that object in view, the sentences being passed on the basis of the recent amendments to the O. T. A.

**LICENSE INSPECTOR ROOSEVELT**  
In the performance of his duties, ran into quite a jam at Terra Cotta last Wednesday, shortly after a Toronto hoodlegger had visited the locality. As a result there was quite a docket at Magistrate Moore's police court session on Tuesday afternoon. Among the names called were: William McDonald, Patrick McAllister and William Pearson, who were charged with being intoxicated and fined \$10.00 each and costs. McDonald, McAllister and Pearson were also charged with obstructing a police officer while in the discharge of his duty. The obstructing was manifestly a reality, but the evidence was lacking to establish the genuineness of the obstructionists. Charges were also laid against Hugh Logan for having been a party to a riot and for being intoxicated. The cases were demanded for hearing until next Saturday.

**THE CHARGE**  
The charge against Gordon Gallagher for the alleged theft of Phil Forbes' car on Tuesday night of last week came up for hearing before Police Magistrate Moore at Milton last Friday. Mr. Forbes regretted that she had laid the charge, inasmuch as she got the car back and the offender was his brother. Gallagher had been driving the car on Friday and Saturday morning. He had previously, but was never tried with it alone. Several witnesses were heard and evidence presented in judgment for a week. T. D. Hutchison, acting Crown Attorney for the prosecution; Leroy Dale, of Georgetown, for the defence.

**THE CHARGES**  
The charges against Matthew Hillon, Jr., Robert Cargill and James Hamilton, for the theft of a car, were dismissed, the evidence pointing to Fred Hillon as the guilty party. Hillon failed to obey the summons to appear and a warrant is in the hands of the officers for his apprehension.

**JAMES PELL TRAFALGAR, KILLED**  
Peculiar Accident Occurred While Unloading Hay  
A fatal accident occurred in Trafalgar Township on Saturday afternoon, when James Pell, 37 years of age, was instantly killed in his barn on his homestead on the fourth line.

**Mr. Pell**  
Mr. Pell was a well-known farmer and had lived in the district for more than seventy-five years. He was born in Yorkville, Ontario, and came to Canada with his parents in 1848. They settled in Trafalgar and Mr. Pell was a member of the Methodist Church, a staunch Conservative and a personal friend of the late Hon. D. Henderson. His wife was Miss Katharine Mow, of Trafalgar. She predeceased him nine years ago. Six sons survive: William Henry and George of Milton; Walter, of Oakville; Thomas E. of Palermo; and Fred and John at home. Anna May, the only daughter, died 21 years ago.

**FIRST IRON BRIDGE**  
The first iron bridge in the world was built in the Shropshire, which spans the River Severn. The work was done in hand and the various parts cast in 1778 at the Coalbrookdale Ironworks, the proprietor of which, Mr. Abraham Darby, was the designer of the structure. Approximately five hundred tons of iron were used in the construction of the bridge. A remarkable feature of the undertaking is that all the castings were keys together, no welding or screws having been used. The roadway, which is twenty-four feet wide, has an iron foundation, upon which were laid a few inches of clay, which in its turn is covered by the usual road metal forming the surface. The main arch has a span of 100 feet.

**ALREADY 30**  
Already 30 bands have entered the band competition at the Canadian National Exhibition, while last year there were only 14. The contest is an impressive musical event. **Mr. Harry McCaliste**  
of St. Thomas, nephew of Mrs. P. E. McCreary, Church Street, won the handsome gold trophy, the Duncanson Cup, which was up for competition for the past four weeks. Mr. McCaliste is one of the Junior players being held 27 years of age, and his exploit has won for him very generous congratulations.

Mr. Caldwell preached a fine sermon last Sunday evening. Rev. Dr. Dickie will be the preacher next Sunday evening. The services commence at eight o'clock.

The fine rain on Tuesday morning will greatly benefit the root crops and growing crops of oats which will be ready for the binder by the end of the week.

of the ideal weather last Sunday to enjoy a motor trip.
