### ANNOUNCING

# The Appointment of a New Manager and a Change in Store Policy

A step forward in the progress of this store will be marked by an immediate change in merchandising methods and the appointment of a new manager to carry out the planned-for changes.

### MR. B. T. WARD Of New York

Who has had many years' experience in Canadian, American and foreign buying, has accepted this position of new general manager. His intimate acquaintance with domestic and foreign markets enables him to buy at-

LOWER PRICES Than have ever been our own advantage even with the large buying power of this big store.

This means that you will find popular prices figuring prominently in the new fall merchandise-price figures that will surprise you by their moderation when you make your first tour of inspection.

Mr. Ward's buying will also give us the new styles at an earlier date than would otherwise be possible. The new modes will be personally selected by him in the important style centres and from his personal selection you may expect the very cream of the latest fashions at prices of unusual moderation.

### The New Fall Millinery and Readyto-Wear Fashions Now on Display

Are splendid examples of the new order of value-giving and the style-service that is to prevail in all departments.

Stunning Hats at \$3.95 Silk Dresses--\$7.95 to \$19.50 Smart Coats--\$15 to \$135

· Arctic Owl, Captured

Harry Rogers, of Toronto Township, shot and killed a strange bird the other day. It is a remarkable fine specimen of an Arctic owl, being almost pure white, with a few brown feathers of its back. Its wings measure fifty inches from tip to tip. The bird is said to be the only one ever seen in this district.

Mr. T. H. Moorehead in the Hospital Mr. T. H. Moorehead, proprietor of stones. The operation was successful,

U. F. O. and U. F. W. O. Meeting The monthly meeting of the U.F.O. and U.F.W.O. was held in the fine new home of Mr. and Mrs. Charles McKeown, 2nd line, Erin, last Friday evening. The first part of the evening was spent in business, after which a good programme of musical and elocutionary numbers was given. A lunch was served by the laides, and the remainder of the evening spent

Тош About ninety cars, each carrying full load of Kent and Essex farmers, passed through Acton yesterday morning en route to Toronto Exhibition, Every car carried a big banner with a suitable slogan, boosting the home county, each car was numbered, and The charges laid against Ing Yet, most cars had a slogan, "Hello Neigh-

Found Doad in Swamp After he had been missing for ten posed, with the costs of the court ad- Kearns was notified this morning. The place is secluded and seldom visited. The coroner, Dr. Kyle, of Fergus, who stage of decomposition, had lain where it was found for ten days. Mr. La-F. G. Johnston, of Toronto, pleaded cralk suffered mentally as a result of guilty to a charge of speeding on the an automobile accident a number of public highway and was assessed the years ago. He was about 63 years of usual \$10.00 and costs. R. Lemon, age, and made his home with a sister,

Mrs. Mary Stewart, in Elora.

Seriously Injured by Thresher A most distressing accident occurred on last Monday on the farm of falgar, when his employee, known in the neighborhood as "Joe," had both legs crushed by a clover threshing machine separator when it backed down the steep approach to the barn. The unfortunate man, who was a returned soldier of thirty-two years of age, had worked for Mr. Dennis, for about four years and was a faithful and valued employee. He was attended by Dr. Wilkinson and Dr. Stead, of Oakville, and taken to Hamilton Hospital where he lies in a serious condition. It was thought at first that both legs were broken, but later that only one was fractured and the other badly brulsed,-Oakville Record.

Hydro Line to Morriston Hydro power is now available to res--If you desire to see a big show idents in Aberfoyle and Morriston, and Guelph and Morriston. The current was turned on over a week ago, and although the number availing themselves of the convenience is not large by the Hydro-Electric Company, ainder Mr. H. P. Moore, who went to the the supervision of the Toronto office.
