# A POEM FOR EVERY SCHOOLBOY

The poets interpret our diffused thoughts. Postry crystallizes our vague emotions. Nowhere shall you find a more thorough tribute paid by learners to teachers than in Kipling's "A School Song." The old pupil comes to regard his teachers as nothing less than "famous men." Think of them not us grudges or as "dull, mechanionl gerund grindere," but as men who have moulded character. Listen to these lines:

"Lot us now praise famous men"-Men of little showing-For their work continueth. And their work continueth,

Greater that their knowing! There we met with famous men Set in office o'er us; And they best on us with rods-Paithfully with many rods— Daily beat us on with rods, For the love they bore us!

And we all praise famous men.-Ancients of the College: For they taught us common/sense Tried to teach us common sonso-Truth and God's Own Common Sense, away. Which is more than knowledge!

This we learned from famous men. Knowing not its uses, When they showed, in daily work, Man must finish off-his work-Right or wrong, his daily work-And without excuses.

This we learned from famous men, Knowing not we learned it. Only, as the years went by-Lonely, as the years went by-Plainer we discerned it.

Wherefore praise we famous men From whose bays we borrow-They that put aside To-day-All the joys of their To-day-And with toll of their To-day Bought for us To-morrow!

Read it over and over. If you under-

## LOWERING FEED COSTS

Feed costs are not determined whole ly by the amount of the different food materials conumed. The initial cost of such material is probably of equal
