Car Plunges Into Fence

On Sunday evening a couple of young men in a Ford coupe had a narrow escape from a serious accident. When turning the corner from the crossroad on to Young Street, one of the front tires blew out, and the machine got out of control for a moment and plunged into the fence surrounding the property of Mr. C. Hansen. A section of the fence was knocked down, but no one was injured.

Taking it Out of the School Teachers

In order to retrench, the town of Oakville is taking it out of the hides of the school teachers on the ground of economy. The town for the last ten years has been stepping on the gas and hitting the high spots, but now thinks it wise to slow down a little. A sensible thing to do, of course, in view of the financial situation of the town, but it would have been more sensible to have done so ten years ago and not at this stage of the game take it out of the school teachers.—Milton Reformer.

The First Band Concert

The Acton Citizens' Band gave their first open-air band concert of the season on the lawn at Sunderland House last Wednesday evening. Under Bandmaster Mason the band gave a very fine and varied programme of numbers. The lighting of the grounds this year has been changed slightly, and this adds very materially to the effect and assists the band. It is the intention this year to hold the concerts on Wednesday evenings, but the one this week was withdrawn owing to the visit of the Kitchener Ladies' Band.

Good Roadwork Being Done

The Council is apparently going to fix up a number of the cross streets this year in a way that will do some permanent good. They are grading and ditching the worst of these streets and straightening the boulevards in a way that should make for a good roadway and drain away the water in fine shape in the spring. Sections of Elgin, Frederick and Willow Streets have already been treated, and are now ready for a coating of gravel. The calcium chloride for keeping down the dust has also arrived, and will be applied immediately.

Appreciates Our Beautiful Country

"Why you people need to go away from this district for holidays, unless for the change alone, is something of a quandary to me," noted a visitor to town the other evening. "With the rolling hills and valleys, the verdure on every side, and the bits of woodlot the farmers have been wise enough to leave here and there, together with the views of lake and stream peeping up frequently, there isn't anything much lovelier in scenery anywhere. And your roads, even when one turns off the main highways, are a comfort to some of us who have driven over clay and gumbo in the west and south."

Acton Band Visits Milton

Last Thursday evening Acton Citizens' Band paid a visit and exchange concert with the Milton Band in Victoria Park, Milton. The Milton and Acton Bands played several sacred selections at the first part of the programme. The Acton Band then gave a number of fine selections and provided the remainder of the programme. They were accompanied by Master John McGechie, who gave some fine exhibitions of Scotch, Irish and clog dancing. Bandsman Rigby was his accompanist. The return visit of the Milton Band will be looked forward to with much interest by citizens here. These visits between Acton and Milton bands are popular generally with bandsmen and citizens.

Acton Women's Institute Entertain Neighboring Societies

The Acton Women's Institute held their summer meeting in the Parish Hall, on Tuesday afternoon, June 8th. Bannockburn, Limehouse and Dublin societies were invited, and attended in large numbers, making the meeting a very pleasant one. After the business was transacted, the meeting was favored by a solo by Mrs. (Rev.) A. C. Stewart, accompanied by Miss Jean Orr, which was much enjoyed. Miss Orr also gave an instrumental solo with her usual good execution. The speaker of the afternoon was Miss Jean Cameron Smith, of Powassan. Miss Smith's training and experience has placed her in possession of much information of value to Institute members. Her subject was: "How Women Can Teach Good Citizenship," and her ability and manner made her talk both pleasant and most educational. Miss Merle Grindell then gave a recitation entitled, "The Cattle Thief." After the singing of the National Anthem the meeting adjourned, and a social hour was spent with the visiting societies.

A Service with the Church School

Sunday morning last was celebrated as Sunday School Day in the United Church. The school met in the church auditorium rather than in the usual place, and when the congregation arrived at the time for the morning service, the school was arranged in the front pews. Special features of the service were selections by the school, the reading of the lesson by the superintendent, A. T. Brown, and a spirited and much-enjoyed address on Sunday School work and our duty to it by Mr. John Frid, of Hamilton. Mr. Frid has been superintendent for a number of years of one of the best organized schools in the province in Zion Tabernacle, Hamilton. Rather interestingly, he carries on his superintendent's duties, and does not take them at all lightly at that, and makes his living as a commercial traveller, being away from Hamilton usually from Monday morning till Friday evening. The energy which allows him to keep a big school running successfully under these conditions was evident in the address, suited, by the way, both for kiddies and grown-ups. The Sunday School Orchestra as usual contributed an appreciated quota to the service.

Rev. Dr. Endicott, The New Moderator

Rev. Dr. T. Albert—Moore Re-Elected General Secretary of United Church

The second session of the General Council of the United Church of Canada, the largest protestant body in the Dominion was inaugurated in the American United Church, Montreal, on Thursday last, with an impressive public service. Some 400 delegated commissioners, and a large representation of the general public attended this opening session.

Rev. George C. Pidgeon, of Toronto, the moderator, in an eloquent discourse, based upon the Old Testament incident connected with the proposed rebuilding of the walls of Jerusalem, discussed the task of reconstruction confronting the Church. He showed that the past year had been one of achievement. His conclusion was that God's indwelling makes the Church. His dwelling about her is the only protection she needs. She may suffer; the martyrs did and conquered thereby. The Church has a vital experience, and a clean-cut message of salvation. God was present with his people there; He is present with His people still. He is in the midst of her and His presence is a wall of fire round about her.

The first business of the Council of the United Church was the election of a new Moderator. Rev. James Endicott, D.D., was elected. His name was the only one placed before the Council and his election was carried by a unanimous standing vote. As is generally known, Rev. Dr. Endicott was general secretary of the department of Foreign Mission of the Methodist Church. He gave signal service to that church before its entry into the Union. He was born in Devonshire, England, in 1865. He came to Canada in early manhood, and attended Wesley College, Winnipeg. He had a brilliant academic career, and was a gold medalist in philosophy. He was received into the Methodist Ministry in the old Guelph Conference in 1887. He served in the west during probation, and in 1893 was sent to China as a missionary. After 18 years' service on that mission field he returned to Canada in 1911, and has since been engaged at the head of the executive force of the missionary department. Dr. Endicott is known as a distinguished preacher, scholar and evangelist. He is one of the most gifted orators in Canada. He recently returned from an official fraternal visit to the Presbyterian Church in Scotland.

Rev. T. Albert Moore, D.D., who was the first General Secretary of the United Church of Canada, was re-elected by unanimous vote, for an eulogistic nomination by Rev. Dr. Baird of the Presbyterian College, of Winnipeg.

The work of the Conference has gone forward with keen interest and a determination to arrive at a conclusion in the matter of legislation for the new church, which will be for the best interests of the cause for which the church stands.

The evening meetings have been of a popular character, and have been illustrative of the activities and accomplishments of the various departments of the Church's life. On Friday evening in St. James' United Church, a meeting of inspiration and power was held demonstrating the work of home missions. The great auditorium of this church was filled with an intensely interested audience. Choral music and a dramatic recital by Miss Frances Nickawa, a full-blooded Indian girl, were featured. The vocal selections, which were wide in their range, were rendered by the church choir, and by French, Italian and Negro choirs.

The difficulties of Protestant minorities scattered through French speaking Quebec were dealt with at length by the Rev. Dr. J. U. Tanner, superintendent of the Montreal and Ottawa district missionary work. Dr. Tanner declared the industrial development of the province was creating great opportunities for mission work. The English minorities were often in a bad way to secure protestant education for their children and much good work had been done in this field by the four school homes operated by the Women's Missionary Society.

Rev. J. A. Doyle, of Winnipeg, gave an account of the missionary work carried on among the Ukrainians of the Canadian west, which was of much interest, and showed the need for Christian activities and supervision among these people, and the great advantages which have followed the missionary work of the church with them.

At 3.30 on Saturday afternoon the Council retired from their labors and accepted an invitation to a garden party at the home of Mr. and Mrs. J. W. McConnel, at their beautiful home at Dorval, on the shore of the majestic St. Lawrence, twelve miles out from the centre of the city. The motor drive was in itself very pleasant, while the hospitality extended by Mr. and Mrs. McConnel was lavish and enjoyable.

The Council will require at least until Friday night to complete its arduous labors.—H. P. M.

POLICE COURT NEWS

On a charge of theft, Ben Hoover appeared on Saturday before Police Magistrate Robert Crawford at Brampton, and was remanded for one week. Hoover, who is charged with breaking into George Farr's garage about two weeks ago, put up a fight when Chief of Police Andrew Herkes arrested him on Saturday morning. Two citizens came to the Chief's aid, but during the scrap Hoover, police say, bit the Chief's thumb badly. Chief Herkes claims that, when arrested, Hoover had several of the articles missing from the garage.

Elmer Ireland was charged by Chief McPherson with driving his motorcycle on the streets in town at a speed and manner dangerous to the public. There was quite a divergence in the evidence. The Chief swore that the defendant drove the motorcycle at the corner of Mill and Main Streets at a speed of between thirty and forty miles an hour on Saturday evening, May 29th. The defendant swore that he did not drive at a speed over five miles per hour. A witness corraborated the evidence of the Chief, however, and Ireland's fine and costs amounted to $10.85. He was cautioned by the Chief about making an excessive noise while running his machine.

On Saturday evening Chief McPherson received word from Milton from Chief Chapman, to arrest Norman and David DeForest on a charge of theft. It is alleged that they stole motor parts and accessories from a garage near Milton Heights. They were lodged in the cells here until Sunday, when Chief Chapman conveyed them to Milton to await their trial.

FAREWELL SERMONS

By Rev. J. W. Boyd at the Baptist Church Last Sunday

Last Sunday Rev. J. W. Boyd, who has been the pastor of the Baptist Church here for the past year or so preached his farewell sermons prior to taking his new charge at Dovercourt Baptist Church, Toronto. In the morning Mr. Boyd took for his subject, "Stand Fast" and used as the text for his discourse 1: 27, "Let your conversation be as it becometh the gospel of Christ; that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel." This sermon was his farewell message to the congregation and was of a practical nature, exhorting the congregation to remain steadfast in the work of God and the church.

In the evening Mr. Boyd took for his subject "The Old, Old Story." It was an examination of the cardinal features of the Gospel as brought out in Paul's brilliant defence before King Agrippa (Acts 26.)

During his pastorate of the Baptist Church in Acton the Church has prospered and flourished and the congregation are loathe to see Mr. Boyd depart. It was in Acton that Mr. Boyd was inducted and ordained and he has many kindly feelings for this, his first charge.

FIVE WOMEN INJURED

In Motor Accident Near Nelson Village—Attending Women's Institute Convention

Two of a party of Burlington Women' Institute members sustained broken bones, and three others were badly shaken up in a motor accident Saturday afternoon shortly before three o'clock at the corner of Nelson village on the Dundas Street Highway. Mrs. Harris Bumby, formerly President of the Burlington branch, suffered a badly fractured shoulder, and Mrs. Dunn had two ribs broken. Mrs. J. E. Duke, president of the Burlington Women's Institute, Mrs. John Bridgeman and Mrs. Stanley Dynes were all badly injured, as was Herbert Dynes, the driver of the car. The party were being driven to a meeting of the Institute at Palermo, in the car owned and driven by Herbert Dynes, when at the crossroads near Roy's store at Nelson village, another car, owned and driven by Mr. Stephenson, of Milton, came down the side road and crossed the highway in front of Dynes' car, and, according to the occupants of Dynes' car, the driver seemed to hesitate in crossing the road. Mr. Dynes, seeing that an accident was inevitable if he proceeded, immediately applied the brakes and turned out to avoid hitting the vehicle in front of him. In doing so, a wheel caught in the cement and his car turned turtle. The occupants were injured when the car turned over. Dr. T. W. Peart, Burlington, was called, and he conveyed the women to the office of Dr. T. W. Blanchard, where X-ray pictures were taken. After attending to the injured women, Dr. Peart took them to their homes. Mr. Dynes' car was badly wrecked as a result of the accident.

JUNE WEDDINGS

KILTY-THOMPSON

A quiet wedding was solemnized on Wednesday, June 9th at the United Church Parsonage by the Rev. R. E. Zimmerman, B.A., when Jessie Irene, daughter of the late Mr. and Mrs. G. C. Thompson, was united in marriage to William, youngest son of Mr. and Mrs. Thomas Kilty, of Nassagaweya. The bride wore a tailored suit of navy poiret twill, blonde shoes and stockings to match, and wore a corsage bouquet of sunset roses and lily of the valley. After the ceremony a dainty luncheon was served to the bride and groom at the home of the bride's sister, Mrs. Rae Cook. Later the happy couple left for a trip to Buffalo. Upon their return they will take up their residence in Toronto.

WOOD-BOYD

A pretty June wedding was solemnized on Saturday, June 12, at the home of the bride's parents, Mr. and Mrs. John Boyd, on the fifth line, Erin, near Acton, when their daughter, Mary Mabel, became the bride of Mr. Chas. D. Wood, son of Mr. and Mrs. F. Wood, of Guelph. Promptly at three o'clock the bride took her place under an arch of evergreens and lilacs. She was attired in a wedding gown of white crepe romaine over crepe de chine, with wide flounced lace around the bottom of the skirt and bridal net embroidered in gold, with bandeau of Orange blossoms. She carried a bouquet of Sweetheart roses, and was attended by her sister, Miss Clarice Boyd, who wore a dress of sunset rose georgette, and gold shoes and bandeau, and carrying a bouquet of Columbia roses. The groomsman was Mr. George Jeigler, of Guelph. The bride's mother was attired in a gown of blue canton, with corsage of mauve, and the groom's mother was a blue crepe gown, embroidered in silver. The wedding march was played by Miss Marian Wood, and Miss Gena Sevelle sang during the signing of the register. Rev. Roy W. Frid, of Guelph, performed the ceremony. The groom's gift to the bride was a necklace of pearls and to the attendants white gold bar pins set with pearls and gold cufflinks. After the ceremony a dainty wedding breakfast was served, and the couple left for a honeymoon tour to the Eastern States, the bride wearing a two-piece travelling dress of coral and sand hat, blue cape coat with grey squirrel trimmings, and with bag and shoes of blonde shade. Upon their return they will reside in Guelph.

Burned While Lighting Fire With Coal Oil

John Ranton died at the Palmerston Hospital Saturday morning as the result of severe burns sustained early Friday when the coal oil which he was using to light the fire for breakfast, exploded, enveloping him in flame, which burned him badly about the head and body. Everything possible was done to relieve his suffering, but without avail, as he died about 7.30 Friday night. Corner Dr. Clieman, after investigating the circumstances, decided that an inquest was unnecessary. The house was completely destroyed by fire.

Motor Collision at Guelph

The Dundas bridge, at the foot of Gordon Street, Guelph, was the scene of a bad auto smash Friday night, when two cars going in opposite directions figured in a head-on collision. The machines came together with sufficient force to completely swing them around, blocking up the bridge, and making it impossible for traffic to pass either way. Both cars were badly wrecked. From information in the hands of the police, Mr. J. Kurtz, of Guelph, was going to Guelph from his home on College Heights, about a quarter to ten. He was driving over the bridge when the other car, driven by John Kennedy, of Hamilton, crashed into him, swinging both round at right angles to the road. With Kennedy were Martin Leblanc and Robert Chappel, both of Hamilton. The latter was the only occupant injured, receiving a nasty cut over the eye. Kennedy was detained on a charge of reckless driving, and Leblanc and Chappel on a charge of drunkenness. Sergeant Hauck and Motorcycle Officer Lamb had the cars cleared away in short order, and in less than fifteen minutes traffic was able to resume its normal course. Owing to the decidedly dangerous location of the accident, it is very fortunate that nothing more serious happened. Leblanc and Chappel each pleaded guilty to being intoxicated on their appearance before Magistrate Watt on Saturday morning, claiming that they had purchased a vendor's bottle at Hamilton, and were fined $10 and costs each. Kennedy pleaded not guilty to a charge of reckless driving. At the request of Chief Rae, who was not ready to proceed, the case was adjourned until Wednesday.
