The Old and Reliable

Granite and Marble Works We are manufacturers and; direct intporters of all kinds of Monumenta and Headstone work. We sell direct to our customers at wholesals prices thus saving our customers 40 ner centi We have the best appliances and the only mechanics in the Dominion who can operate pneumatic tools properly. We can give references from hundreds of our customers in Toronto and other places, where others have to have law sults in order to collect. We have the largest and best stock of Granite in the Dominion, or more than any three dealers in the West. We are legitimate dealers and employ no agents. and do not annoy or post oussamers by sending out ignorant agents soliciting orders we employ only mechanics
