Local Miscellany

The fine harvest moon is enjoyed these summer evenings.

The raspberry crop is proving an exceptionally good one.

The modern home is supplied with everything except the family.

Features have seldom been so good at this season of the year.

If you don't want to be missed, see that your name is on the Voters List.

Mr. George Barber will soon have the roof completed on his new residence.

All noxious weeds on streets and in gardens and vacant lots should be cut now.

It can be proved without insurance statistics that careful drivers live longer.

The cool weather has been very agreeably mixed with the humid August days.

The autumn wild flowers bedeck the roadsides in profusion now in many places.

Much of the winter wheat has been harvested. Many fields of oats are about ready to cut.

Isn't it about time some of those good old-fashioned harvest apples were coming in to market?

Building operations are lively now. A number of excellent new houses are under construction in town.

The Ladies' Aid of Knox Church are engaged in collecting a mile of coppers for the funds of the society.

It is said there are now some folks in town who would like to exchange their radio for a set of automobile tires.

There are numbers of clumps of very fine and profusely blooming hollyhock in home gardens in town now.

A few loads of gravel on Main St. at Fairview Avenue would greatly improve the road leading to Fairview Cemetery.

The new stop signs are still favored by some drivers. Horse driven vehicles are not immune, as many drivers appear to have concluded.

The tallest hollyhocks in town are blooming in Mr. John Cameron's garden. They are 10 feet, 6 inches in height, and blooming profusely.

Mr. T. H. Emerson and Miss Bertie Smith were here from Toronto again on Sunday and took their regular places in the choir of the United Church.

Alliston Council has decided to exact a fee of \$10.00 for the first and \$15.00 for the second gasoline filling longer erected in front of a merchant's premises.

St. Alban's Garden Party in the Park next Monday evening. Fred J. Perrin and his company of entertainers will provide an entertaining programme.

The cherry crop has been an unusually good one this season. Trees everywhere bear lots of fruit, after the family has picked all they need for household use.

Say, Mr. Driver, did you "come to a full stop" at that last stop sign? You must, whether your vehicle is motor driven or horse driven. Otherwise, the cop will get you.

Mrs. H. S. Holmes had the misfortune during the week by a misstep, while at the home of Mr. and Mrs. W. Arnold, to fall on the cement walk, and painfully bruise and abrade her left limb.

The secretary of the Kincardine School Board is said to have received no less than 140 applications for the various staff vacancies of the Public and High Schools, coming from all points of Ontario.

The new cement sector at the Moore Memorial plot in Fairview Cemetery was much in demand on Sunday. A dozen such sectors scattered through the cemetery would have real value, and would be greatly appreciated.

The formal ceremony of declaring the newly-paved streets of Beaverton open for traffic was made the occasion Thursday of a piece of municipal rejoicing not equaled since the Old Boys Re-Union of eight years ago.—Beaverton Express.

The beauty and fragrance of the roadside wild flowers now in bloom was demonstrated in the floral decorations at the United Church on Sunday. Wild flowers only were used, and they were attractive to all lovers of nature's beautiful productions.

Kenneth Henderson, Galt, had rather an exciting experience on Saturday, on one of the streets there, when a car ran into his, and then a second collided with the first. Here the car was badly damaged, but fortunately he escaped injury.

The Mitchell Utilities Commission is to be commended for the work they have undertaken to beautify the town. The string of colored lights placed over the spill-way at the dam cannot fail to attract attention of motorists passing through the town after dark.—Advocate.

MR. HINTON AT ACTON, ENG.
 Was Entertained by Acton Chamber of Commerce on Excursion to Windsor Castle

Mr. H. W. Hinton, jeweller, evidently had an enjoyable time on his visit to Acton, England, this summer. A letter to the editor from Mr. John Taylor, Secretary of the Acton Chamber of Commerce, says:

Acton, Eng., July 29th, 1926
 Dear Mr. Moore:

I was pleased to get your letter of the 24th inst., introducing your townsmen, Mr. H. W. Hinton, whose acquaintance I was glad to make. I at once telephoned to our Past President, Mr. W. T. Davenport, who was born at Aylmer, Ontario, to make three of us a private dinner, and to chat over the affairs of the two Actons—mother and daughter towns.

Here let me say, the cuttings which appear in your paper, to time in our local "Acton Gazette," from your paper, are much appreciated. And our Mr. John McNish greatly interested us in his account of his visit to Acton, Ontario, and the honor you did him in allowing a seat in your motor car, affording an insight into the way in which justice is administered in your country.

I may mention that Mr. Davenport was our president for two years, and he put in real good work; but our Chamber of Commerce has an unwritten rule that no one shall hold the office for more than two years in succession. Our president now is Mr. Clifford Dwyer, a large retail dealer in the Borough.

To get back to Mr. Hinton, we gave him an insight into Acton, Ontario, and he in turn, to our friends, Sir Harry and Lady Brittain, and hopes he made use of it, and that he will return to Acton, Ontario, with only happy memories of his stay in Old England.

I also gave Mr. Hinton a letter of introduction to your friends, Sir Harry and Lady Brittain, and hopes he made use of it, and that he will return to Acton, Ontario, with only happy memories of his stay in your home. I shall be glad to hear from you with regards and best wishes.

Yours sincerely,
 JOHN TAYLOR

Mr. Hinton evidently had the opportunity for a good square English meal, when a guest of Acton Chamber of Commerce. The menu, enclosed in the above letter, was as follows:

Salmon, mayonnaise and cucumber; roast chicken and ham, roast lamb and mint sauce; roast beef and horseradish; veal and ham pie; French salad; potato salad; tomatoes; fruit salad and cream; vanilla ice; cheese, rolls and butter.—H. P. M.

ANOTHER FACT

Although the popular fable is that it takes a small town for real gossip, it has to be acknowledged that sometimes you can get an awful in a city also.

NEW S.O.E. LODGE AT MILTON

Instituted by Woodgreen Lodge, Acton, and Supreme Officers

Wednesday, August 4th, was a red letter day in the history of Woodgreen Lodge, Sons of England, Acton. On that date Bro. W. Eccleshall, S.P. D.D., accompanied by a large number of the members, went to Milton for the purpose of opening a new lodge in the county town.

Delegates from nearly every lodge in the County district were present. The ceremonies were taken by representatives from the lodges of each town. President Bro. E. Tyler, Bro. Acton, presided with ability; his work being very highly commended. Bro. W. Eccleshall, District Deputy, supervised the whole of the ceremony. It is largely through his efforts that the Lodge has been brought into existence.

A good number of applications were initiated and further applications are in the hands of the Secretary.

Bro. D. Proctor, Supreme Secretary, was present, and also took part. The lodge bears the historic flag of "St. Albans."

After the officers were installed, a number of short addresses were made, the which refreshments were served, a very pleasant evening being spent. It closed with the singing of the M. C. Song.

Was Taken Violently Insane

Joseph Armstrong, an old man of seventy-three, of Omaha, was lodged in the County Jail on Friday for not keeping by Chief Chapman. He was examined by two doctors and declared to be dangerously insane. On Saturday he was brought before Police Magistrate Moore in the Sheriff's office and committed to the asylum at Hamilton. While in the jail he took out the sink in the corridor, and bit his head against the bars, causing painful abrasions. The case is a very pitiful one.
