Acton and District

Paving of Highway Commencing

The contractors who have the work of laying the pavement from the seventh line corner into Acton started this week to move their equipment here and get ready for laying this section of roadway at once. The Government gravel pit is now being put into shape for supplying the gravel for this work.

$10,000 Fire in Nelson

About midnight Thursday, W. Whitehouse's barns, in Nelson Township, and contents, including implements, ten tons of hay, all the grain and three valuable horses, were completely destroyed by fire, which is believed to have been caused by the hay being put in the barns when it was too green and wet. Loss is estimated at $10,000, partly covered by insurance.

A Personal Question

Are you reading your own or a borrowed paper? If you are reading a borrowed paper, why not save your neighbors the annoyance of lending and yourself the inconveniences of borrowing and subscribe for yourself and family. The publishers know that there are some few who will read this item out of a borrowed paper. That is why we publish it.—Canadian, Carleton Place.

Fingers Crushed in Roller

Miss Merle Anderson had the misfortune on Tuesday evening to have the tips of her first finger on the left hand crushed in a roller at the plant of the Acton Tanning Co. The prompt action of workmen nearby in stopping the machine was all that saved Miss Anderson from having her hand crushed. The accident happened in the welting department of the tannery on a machine used to roll the end of the welts in making the joints in them.

Band Concert Next Sunday Evening

Last Saturday evening Acton Citizens' Band provided a very enjoyable band concert for the few who assembled for the event. It was arranged for on Saturday afternoon and it is possible that the little notice accounted for the size of the audience. Several concerts have been arranged lately but unsuitable weather has necessitated their postponement and Saturday being so fine it was considered advisable to put one on that night. A sacred concert will be given by the Citizens' Band on Sunday evening next immediately after the church services, if the weather is suitable.

Knox Ladies' Aid Garden Party

On Saturday evening, August 13, the Ladies' Aid of Knox Church, Acton, will hold their annual garden party in the Park here. The Robinson family, of Guelph, will supply instrumental musical numbers and elocutionary selections. Mr. W. J. Atkinson, humorist, of Toronto, will contribute a considerable part of the mirthful side of the programme and Masters Teddy and Bobby Robinson, of Guelph, will render xylophone selections. A refreshment booth and all the other garden party attractions are included to make up the evening's entertainment.

A Chrysler and a Rickenbaker Meet

On the Highway, near Mr. T. P. Watkin's farm, on Monday morning, a chauffeur, in charge of a Chrysler car, was proceeding to Guelph, and another car was stopped in the roadway. He failed to notice a car coming east until almost upon the standing car. Brakes were thrown on in such haste that his car swerved to the other side of the road and a Rickenbaker car, coming east, side-swiped it. The Chrysler was badly damaged. The axle was broken, the body of the car was moved several inches on the chassis and presented a rather sorry sight. None of the occupants of either car were injured beyond a severe shaking up.

L. O. L. Garden Party, August 10

To raise funds to purchase a new banner for Acton L. O. L. No. 467, the local Orangemen have arranged for a garden party to be held in the Park next Wednesday evening, August 10. The programme will be given by the Ross Troupe of Entertainers, which includes Miss E. Cline, soprano soloist; Mr. Bruce Bradley, tenor soloist; Mr. W. Badger, diaper, and Sergeant Smith and Pte. Spence, pipers of the 48th Highlanders. The Acton Citizens' Band, which is a most important part of any garden party programme, will be on hand to contribute their share to the evening's entertainment. Refreshments booths with the usual stock of treats will be on the grounds.

Motor Mishap to Local Young People

On Saturday evening as a couple of Acton young people were returning from Guelph to Eden Mills to attend the dance there they noticed a "Whippet" car coming along the Highway in a very uncertain course. The young man claims to have driven his car to the extreme edge of the Highway and into the ditch, but the "Whippet" car continued its erratic course and crashed into the side of his car. He was thrown through the door of the car, which was torn off, and a cut in the left arm required eight stitches to close the wound. Another nasty cut on the chin was sustained. The young lady was not seriously injured. Both cars were badly damaged and had to be taken to Guelph for repairs. It is rumored that the driver of the Whippet car was under the influence of liquor at the time. The provincial police were soon on the scene and the matter is now in their hands.

Killed on Highway Near Guelph

Clarence Tottruff, 20, 109 East Ninth Street, Flint, Mich., was almost instantly killed Monday afternoon on the Guelph-Hamilton Highway when he was struck by a car driven by Fred Ray, 531 Fourteenth Street west, Owen Sound. The fatality occurred near Chirl's Corners, about four miles from Guelph. Tottruff, who was driving towards Hamilton, in a small coupe, in company with Miss Loreen Whitney, his fiancee, and Allan R. Turner, 10 Ray Street south, Hamilton, is said by eye witnesses to have been attempting to change seats while his car was in motion and it was in the act of doing so that he met his death. After leaving the driver's seat to give the wheel to Turner, the young victim stood on the running board, intending to run behind the car to where Turner had been sitting, but he rolled from the car and fell to the roadway and landed directly in the path of Ray's machine. The Owen Sound motorist swerved towards the ditch in an effort to prevent hitting Tottruff but he was struck and carried some twenty feet before the machine could be brought to a standstill. His chest was terribly crushed, and he died within a few minutes.

High Water and Dirt Nuisances

Occupy Attention of Council for Considerable Time at the Regular Meeting

Councillors Nicol and Atkinson were present at the Council meeting on Tuesday evening, and Reeve Mason presided.

A deputation from Young Street requested that something be done to alleviate the dust nuisance on that Street. Council promised consideration.

The Finance Committee presented their sixteenth report and recommended that the following accounts be paid.

John Leishman, work on sidewalks	$ 7.50
Acton Free Press, printing: Voters' Lists	124.80
D. B. Nunn, gravel for sidewalks	30.25
N. Forbes, work on sidewalks	98.20
Acton Free Press printing	29.30
D. B. Nunn, gravel on road	45.00
Dow Chemical Co., calcium chloride	144.03
	$479.08

The report was adopted.

Complaint was made of the high water in Fairy Lake and the flooding of properties adjacent to the pond. The Clerk was instructed to communicate with Beardmore & Co. and see what understanding could be arrived at to alleviate this nuisance. The cleaning out of the bed of the creek was also considered and will be dealt with.

Mr. H. Gibbons asked removal of the fire hose house on Young Street, as it was unsightly. Council decided to try to improve its appearance.

The Clerk was instructed to order eight more barrels of calcium chloride for use on Young Street.

Councillors reported numerous interviews from citizens at the time of the high water and heavy rains. Some were very warm interviews and the exchange of experiences that had been encountered was most interesting. It was pointed out that this rainfall was unusual and that no steps were found to occur. Several schemes were discussed in an effort to prepare for such freshets.

FAMILY RE-UNION IN ESQUESING

Brownridge Family Held Interesting Celebration at the Home of Mr. Thomas Brownridge

The home of Mr. Thomas Brownridge, seventh line, Esquesing, Halton County, was the scene of a very merry gathering when the members of the Brownridge family, one hundred and fifty-five strong, met together in commemoration of the founding of a new home, in a new land, one hundred and five years ago, the unique feature of the Confederation gathering being the fact that the present owner, Thomas Brownridge, is a namesake of the pioneer Great-great-grandfather Thos. Brownride, who in 1822 took the land from the Crown, and the farm has remained in the name from that time until the present.

Friends were in attendance from many parts of the U. S. A., including Cleveland, Buffalo, and other points, and from many parts of Canada, including Brandon, Portage La Prairie, Toronto, Belgrave, Niagara Falls, Weston, Brampton, and other points. Following the banquet, a musical programme was enjoyed, given by F. E. Brownridge, and family four-piece orchestra, including instrumental numbers by Misses Mary and Dorothy Brownridge; Miss Ruth Guthrie, pupil of Owen Smiley, readings, Charlie Palfrate, vocal solo; Betty Arthur, fancy dance, Messrs. Spry and Guthrie, mouth organ and banjo.

The sport programme was also another feature and in this Mr. Wilfred Irvin, of West Toronto, took charge of the races, which included both old and young. Mr. Fred Arthurs, of Buffalo, engineered a couple of amusing stunts, a vacuum bottle contest, and chewing the rag, the first contestants being the big men of the clan, and the second, ladies and gentlemen.

Two softball games were staged, one in the morning, for the junior members, and a senior game in the afternoon, between the Canucks and the Yankees, the latter being the winners.

Officers elected for the year were: Honorary President, John Brownridge, Toronto; President, Thomas Brownridge, Georgetown; Vice President, Fred Arthurs, Buffalo; Secretary-Treasurer, Miss Emma Brownridge, Toronto; Executive Committee, Mrs. Weatland, Toronto, Mrs. J. C. Irvin, Weston; Mrs. Joseph Brownridge, Brampton; Mr. Wilfred Irvin, West Toronto; Joseph Brownridge, Toronto, and Peter Fisher, Toronto.

Reformatory Inmate Killed by Fall

Losing his footing while at work on a stone chute at the quarries at the Ontario Reformatory, Guelph, on Tuesday evening, Eugene Lefebvre, 24, Ottawa, an inmate of the institution, fell 14 feet to the roof of a shed and rolled off the building to the rocky bed below, sustaining injuries that resulted in his death. At the time the fatality occurred, Lefebvre was at the top of the chute attempting to release a slide to allow the crushed stone to drop into a car. A rope and pulley attachment is used for this purpose and it is thought that when the unfortunate man snatched at the rope it either fell from the pulley or broke. In addition to a fractured skull he was injured internally. He had been in the institution for almost a year.

BIG APPLE CROP IN CANADA

This year's commercial apple crop in Canada will total, according to a recent official estimate, 3,482,000 barrels or about 500,000 barrels more than the 1926 crop. Nova Scotia will produce, it is estimated, 1,400,000 barrels this year, an increase of 473,000 barrels over last year; Ontario's crop will be 900,000 barrels, more than 300,000 barrels over the 1926 crop. British Columbia's production this year will be 1,049,000 barrels, which is over 250,000 barrels less than last year. Quebec's crop will be 103,000 barrels, 12,000 less than a year ago and New Brunswick will produce 30,000 barrels, the same as in 1926.

Canadian growers are again preparing to make many entries in the competitive displays at the Imperial Fruit Show to be held in Manchester, England, next October. For several years Canada has won the highest awards with the McIntosh Red apple as the best dessert apple grown in the British Empire. This variety was originated in Dundas County, Ontario, quite close to Ottawa.

Canadian apples find, because of their enviable quality and flavor, a ready market in the British Isles and the United States. Great Britain is the principal export market to where hundreds of thousands of barrels are shipped annually.

Mr. Joseph Agnew's house and lot on Park Avenue has been sold the past week to Mr. Fred McDowell. Sale was made through R. J. Kerr's real estate.

Children's Court at Brampton

Judge Moore held two session of Children's Court at Brampton on Wednesday—one in the County Council Chamber and the other at the Peel-Halton Aged People's Home. One child was made a ward of the Children's Aid Society, and four were made temporary wards. These will all be cared for at Gordon Home, Milton, for the present.

Griffen Re-Union Last Week

On Wednesday of last week the Griffen family held a re-union at Dundas Drive Park, Dundas, Ont. There were about 150 of the connection present at this event, and a most enjoyable afternoon was spent. They were present from California, Detroit, St Catharines, Smithville, Erin, Hamilton, and Dundas. Mrs. Robert Sprowl and Miss Dora, and Mr. and Mrs. James Sprowl, Mr. Erol and Miss Viola attended from Acton.

Made Attractive In Very Few Years

A splendid example of what growth and beauty can be accomplished in a short time is the home and surroundings of Mr. and Mrs. P. E. McCleary, Church Street. When they built their home a few years ago this plot of ground was not particularly attractive and just an ordinary town lot. In four years they have transformed it into an especially attractive spot. Hedges, lawns and flowers have been combined with the general scheme of the property to make it a home that calls forth much favorable comment for its attractive appearance.

Traction Engines and Tractors on the Highway

The Highway Traffic Act, section 64, says: "No traction engine manufactured after January 1, 1924, shall be operated upon any highway unless the cleats or flanges thereon are such that the weight resting upon the surface of the highway does not exceed 500 pounds upon any square inch of cleat or flange assuming the entire width of the face of the cleat or flange to bear upon the highway." Much damage is done by driving tractors over the highway. It cost the owner of a tractor $14.50 recently for driving over Milton's streets.

Reaches All—Costs Less

There are other sorts of advertising besides newspaper advertising. Hiring a band to play every day in every neighborhood of your trade territory, interspersed by announcements of what you have to sell is getting publicity, but it costs something more than space. Having a girl call every household up by telephone every day and announce your bargains to the member of the family who replies is advertising, but it will leave a sting. Newspaper advertising lits everybody all at once; it does not inflict itself on their attention when they are not ready to read it, and it costs less, all things considered.—Esatoria, (Ohio), Times.

Employees Get Acquainted in New Surroundings

On Saturday afternoon twenty or twenty-five of the employees and members of their families of Creber Bros. Monument Works came to Acton to view the town and the site of the new factory. They spent the afternoon in getting acquainted about town, some arranging for homes and all viewing the new factory site. The work on the factory is being rushed forward. The brick walls are up six or eight feet. A carload of lumber is being delivered at the plant and the steel sash and girders are expected at once. It is expected that the building will be ready for occupancy next month.

Picnic at Blue Springs Park

A most enjoyable picnic was spent on Saturday by the Sunday Schools of St. Joseph's, Acton and the Holy Cross, Georgetown. Many adults were present, and all had a good time. The following are the prize winners: Girls, under five, M. Smith, M. Isley; boys, under five, Paul Valley, Leno Mazzo; girls, under ten, Ellen Evans, E. Bell; boys, under ten, Ellio Mazzo, George Molozzie; girls, under fifteen, A. Isley, Margaret Meehan; boys, under fifteen, Bert Meehan, Anthony Lavelle; wheelbarrow race, Bert Meehan and Pete Papplion; three-legged race, Bert Gibbons, J. McCann; ladies' race, Lillian Byrne, Kathleen Molozzie, dollar prize, A. Isley, time race, girls, M. Meehan, boys, T. Gibbons.

Garden Party

The Georgetown Band will hold a monster Garden Party in the Park at Georgetown on the evening of Friday, August 5. The Galt Maple Leaf Quartette will provide the entire programme, assisted by the Band. Any one who has heard this quartette will be very anxious to hear them again, while those who have not heard them before will be agreeably surprised at the real treat in store for them. Musically, the quartette is a splendid organization, but as fun makers they are also in the front rank. Mr. McGregor, the baritone, and Mr. Fleming, the bass, are also comedians who never fail to produce plenty of fun. Admission is low, being 35c, including war tax; motors 25c extra.

Daylight Robbery

Three gunmen travelling in a large touring car, perpetrated one of the most daring highway hold ups ever committed in this district on Tuesday afternoon, when they held up W. O. Fawcett, of Meaford, on the Guelph-Hamilton Road, about three miles from Guelph, and in broad daylight relieved him of $30 in cash, a gold watch, gold bracelet and other small valuables which he had in his possession, and made their escape unmolested. Fawcett a traveller for Dalton Bros. Tea Company, of Toronto, was driving his car in the direction of Guelph, when he was halted by one of the robbers and asked for the loan of a jack. He was in the act of removing the piece of equipment from beneath the auto seat when he was covered with a revolver, and ordered to "stick 'em up." Having no other alternative, he was forced to stand on the highway while the three men went through his pockets, taking in addition to the articles mentioned, a number of private papers which he had in his possession. Although Provincial police in Guelph were notified shortly after the hold-up occurred, and messages were at once sent to Hamilton, Kitchener, Galt and other neighboring cities, no trace of the trio was found. The license plates on their automobile were so badly spattered with mud that Fawcett was unable to take the number of the machine as it was driven away from the scene of the robbery.

GUELPH'S CENTENNIAL CELEBRATION

Is This Week Attracting Big Crowds Who are Being Splendidly Entertained

Guelph, the Royal City, is this week entertaining and entertaining royally. From the gates of the Reformatory, where the first welcome arch greets the visitor coming from this direction, right through the city in all directions the welcome is demonstrated on every side. Homes, business places and city alike are arrayed to fittingly celebrate the Centennial of Guelph. Welcome arches are in many places, but the one in St. George's Square in the centre of the city, perhaps caps all of them for massiveness and grandeur.

During the day sports and events of all kinds keep the crowds amused and entertained. For two evenings a splendid pageant has been presented in Exhibition Park, in front of the grandstand. This portrays the history of Guelph and the nation from the days of the Indians down to the present day, and depicts the hardships through which the pioneers passed in their struggle to settle this country.

At night the streets are a riot of color and fun. It is rumored that the first few nights the fun became rather boisterous, but last evening, on a visit to the city and a stroll through the streets and into the midst of the fun, nothing particularly objectionable (with one exception and from a cause beyond Guelph's control and supposedly under Government Control) was seen. Jazz bands dispense music for the dancers at various places, and all the crowds seem swayed into the swirl of a good enjoyable time.

In order to centralize the Old Home Week attractions, Centennial officials made arrangements to move the midway, which has been located in Exhibition Park for the past three days, to the space behind the booths on the old Stewart planing mill property on Upper Wyndham Street, and part of the appreation was located there last night and more of it was in the process of erection in downtown sections.

It is estimated that 12,000 visitors are in the city. Over 6,000 ex-Guelphites have already registered at Centennial Headquarters, and more are going in all the time.

HIAWATHA FROM VERMONT

The Sioux Indians, famous for reticence, think of initiating the Great White Father, President Coolidge, into their tribe. The ceremony may run about as follows:

Chief Yellow Robe — "How, do? Smoke few?" Mr. too. Now you brand-new Big Sioux. Hurrah!"

The President—"All through? Thank you. Adieu."—New York Times.

Mr. Wm. Coleman, who is on the John C. Howard freighter, was home for a few days last week, when the boat called at Hamilton for a cargo.

Master Jack Russell, of Oakville, and Master Billy MacLean, of Chesley, are holidaying at the home of their grandparents, Mr. and Mrs. Wm. Johnstone.

Mr. and Mrs. Geo. Ghent and family and Mrs. Ghent's mother, Mrs. Howard, of Burlington, spent the holiday with Mr. and Mrs. Wm. Foster and family.

Mr. and Mrs. R. Skinner and family, Mr. and Mrs. W. Strand and son, of Toronto, motored to Limehouse and spent the holiday with Mr. and Mrs. Follett.
