Santa Claus Himself

Coming to Guelph Next Saturday November 26th

Little boys and girls who can coax their Dads or Mothers to come to Guelph on Saturday, will be able to whisper right into dear old Santa Claus' ear, and tell him all they want for Christmas. It will be lots of fun to greet him right at the station when he gets off the train at 9.46 a. m. — and still more to talk to him and shake hands with him at his headquarters at Macdonald's, where all the wonderful toys are! Debentures for The New School

$28,000 to be Issued for Twenty-Year Terms for the New School Property

At the session of the Council on Tuesday evening Councillors Thetford, Holmes and Stool were present and Reeve Mason presided.

The twenty fourth report of the Finance Committee recommended that the following accounts be paid.

Township of Esquesing, Taxes	$11.60
R. J. Ramshaw, gravel	26.10
Canadian Surety Co., Miss B. H. Speight, bond	8.00
Geo. Wibbs, refund of dog tax, paid twice	5.00
R. J. Wells, grading and gravel	67.70
	$121.70

The report was adopted.

The matter of collecting a judgment money that had been advanced on a charity case was discussed but no definite action was taken.

The School Board attended the session of the Council. They requested a rebate of taxes on the Smith property that had been paid. A new water main was requested to be laid. At the time waterworks was installed an inch and a quarter pipe had been installed. With the amount of buildings at stake there it was thought imperative that they should be adequately protected from fire. Lights were also requested to be put up to the school property.

A letter from the Board requested that the Council issue debentures for $28,000 for the new school building and property.

Moved by J. Stool, seconded by E. E. Holmes, that the School Board be refunded $80.11 taxes paid by them on the Sidney Smith property, which they purchased and that the Public Utilities Commission be recommended to install a six inch water main from Main Street to the school. Carried.

The Reeve and Councillors Thetford and Holmes congratulated the School Board on the excellent building that had been completed. Carried.

A by-law to amend the milk inspection by-law was passed to appoint R. J. McPherson inspector, instead of W. J. Reid.

A by-law authorizing the issue of debentures for $28,000 for defraying the cost of the new school building was given the required number of readings and passed by the Council. The debentures are for twenty years and the interest will be at five per cent.

A by-law appointing Frank McIntosh Deputy Returning Officer, instead of A. E. Nicklin who had fought it unsuccessfully, was also passed by the Council.

W. M. S. THANK OFFERING MEETING.

The Ladies of the United Church Provided Splendid Meeting for the Churches of Acton and Vicinity

The annual Thank Offering meeting of the Women's Missionary Society of the United Church was held yesterday afternoon. As guests of the society for the ladies of knox St. Alban's and the Baptist churches and Georgetown Rockwood and Churchill Church es were present. Mrs. C. R. Crowe of Guelph, second Vice President of the Dominion Board of the Women's Missionary Society of the United Church was the speaker for the occasion from a wealth of knowledge of the work she gave a splendid address to the audience. It included a report of the proceedings of the Board's annual meeting, told of the need of missions in the various fields and was replete with suggestions and thought for extending and carrying on the missionary work.

A vote of thanks to Mrs. Crowe for her splendid address was moved by Mrs. H. P. Moore and seconded by Mrs. J. R. Kennedy. Mrs. C. L. Poole gave an appropriate Bible talk on "Service" and Mrs. J. K. Gardner rendered a fine soprano solo.

Following the meeting that was in the auditorium of the church the gathering adjourned to the school room, where a sumptuous luncheon had been prepared. A social time was spent there for an hour or so. Mrs. McDermid of Georgetown, and Mrs. (Rev.) A. C. Stewart sponsored a hearty vote of thanks to the ladies of the United Church for their hospitality.

HISTORIC PAGEANT

Presented by Young People of Knox Guild at Monday Evening's Meeting

On Monday evening an interesting pageant entitled The Crowning of Canada was presented by thirty seven of the young people of Knox Church. A large platform had been built by several of the men of the church and when all the characters in their various costumes representing the period of historic portrayed stood at attention by heroes of our beloved Dominion the sight was one which stirred the heart of every true Canadian.

The dignified manner in which each performer took his or her part showed that these young people realize what a great privilege it is to live in such a glorious country as Canada where all are free to live and love and serve.

Before the pageant the following numbers were splendidly rendered. Piano duet by Phelma and Lois Cripps; solo by Mr. Jack Stratton by Miss Isabel Smith; solo by Mr. Burton; male quartette by Messrs. Jack Reid, Mutch and Burton; solo by Mr. Leo by piano solo by Mrs. Gourly.

The following were the cast of characters in the pageant: Canada Nellie Hall; Ontario Isabel Smith; Quebec Genevieve Claridge; New Brunswick Marie Lamb; Nova Scotia Florence Bell; Prince Edward Island Vivian Barnes; Province of Columbia Hazel Rose; Manitoba Grace Skilling; Alberta Vera Hall; Saskatchewan Isabel McLean; Indians Beryl Hinton, Glen Ryder, Sydney Donald MacDonald and Jack Skilling; Nurses Florence Elliott and Elizabeth Patrick; Jacks A. The Figures Were "Pied"

In giving the population figures of the municipalities in the County last week, the Milton Reformer rather belittled Acton. It gave our population as 1,385. Of course it was only a case of twisted figures on the population from the authority quoted, and should have read 1,835, and even that figure does not set high enough the number of inhabitants domiciled in Acton to-day.

A Surprise Party

Saturday evening a delightful "surprise party" was held at the home of Mr. and Mrs. George Soper on the occasion of their forty-third wedding anniversary. All unknown to the guests of honor, many of their Acton friends and a goodly number from Guelph decided to spend a few joyous hours with the happy couple. Many useful presents attested to the esteem in which Mr. and Mrs. Soper were held by their friends. The guests each expressed their wishes that the surprised but delighted couple might see many more such anniversaries and be able to enjoy them as fully as they had this one.

Neglected Cemeteries in the Township

A meeting of a number of residents of Esquesing Township, interested in the improvement of the rural cemeteries in the township, was held at Georgetown yesterday afternoon. The feeling of the meeting was strong that organized steps should be taken under plans provided by the statutes to have all these cemeteries cleaned up and put into attractive condition. Some of these cemeteries have been sadly neglected. It is hoped that active efforts will be made to transform them all into presentable, well-kept condition and thus show a proper respect for the memory of the departed who sleep in them. Many of these are early settlers who had much to do with the clearing up of the township and making it one of the best in Ontario.

Leaving for Belleville

Miss Lorna Kennedy who has been engaged at Hassard's drug store for several years, leaves soon to take a secretarial course at Alma College, Belleville. She has been pianist of the United Church Sunday School Orchestra for some time and her work and loyalty here was the subject of kindly words at the Sunday School session on Sunday afternoon by Superintendent A. T. Brown and Mr. H. P. Moore. She was presented with a Wahl fountain pen and pencil by the members of the Orchestra, as a small token of respect and appreciation. She has been active in the young people's work and her departure will be a distinct loss. Her many friends wish her success in her new vocation.

Missionary Student Last Sunday at United Church

In the absence of the pastor, Rev. C. L. Poole, B. D., at Grimsby, last Sunday Mr. Edward Jolliffe occupied the pulpit of the United Church here, at both the morning and evening services. Mr. Jolliffe is now a student at Toronto University but has spent the most of his life in China, having had that country as his birthplace. He gave two splendid discourses on Sunday and his sermons were received by an appreciative audience. Rev. Mr. Poole was preaching special sermons in Guelph in connection with the reopening of the United Church there. He was warmly received by his former parishioners and spent an enjoyable time with his former congregation.

United Young People's Meeting

The "Ever Ready" Group had charge of the weekly meeting of the Young People's League of the United Church. Miss Helen Anderson is the convener of this group and occupied the chair. Two papers were given, one on "Service," by Miss M. Z. Bennett, and two on "Success" by Misses Sabra Nelson and Anna Allison. Miss Marjorie Switzer contributed a piano solo. The form of the group dramatized "The Good Samaritan." Nine members of the group gave talks on "Service" each using a letter of the word "Ever Ready" as a basis for their theme. All the members sang as a chorus the selection "Win Them One by One." The meeting was a most interesting one and all who took part performed their tasks creditably.

Is This Education?

Penned in a crate like an animal smeared with filth and exposed to the sympathetic gaze of a pitying public a first year student of the O. A. C. Guelph was subjected to a hazing in front of a down-town theatre Monday night such as has not been perpetrated by O. A. C. students in many years. It was an attempt on the part of his fellow classmates of the freshmen year to inflict student justice on the young fellow for "squealing" to authorities over some minor matter. Just out from England unaware of some of the unwritten laws of college student bodies the boy was first roped at the college and dragged through the pig wallow. Then he was forced into a filthy pig crate and dragged up the main street on a light wagon to the accompaniment yells of scores of students. Even the five minutes he underwent mental torture at the student hands, and the jeers of the crowd that gathered, and indignities upon him, did not suffice him, at last accounts. Finally the crate was opened and the young fellow dragged out into the crowd. Over ripe tomatoes and refuse were rubbed on his face and clothing, before he was allowed to go and it was not until he had braved the eyes of hundreds of citizens that he finally dodged into a hotel and partly removed the outward signs of the shameful indignities to which he had been subjected. The faculty and students' council are considering the question of punishing the ring leaders in the disgraceful incident and it is expected that one expulsions will result. Later. The class was handed summary justice by President J. B. Reynolds on Wednesday morning when it was fined $100 and must remain in their quarters six nights each week for the remainder of the term. In addition an ample and complete apology must be made to Mr. Bethune, the victim of the outrage.

The Bus was Overweight

On Tuesday afternoon the bus of the Arrow Coach Lines called at Mr. A. McCann's coal yards to take on as a passenger a mechanic of the company who had been working on a service car which was in the yards. In leaving the yards the driver neglected cut through the section of the building on which the scale platform was set. The bus overtaxed the scales and broke the platform and beam almost beyond repair.

Guelph Sons of England Visit Acton

The inter-town team of Lodge Royal Oak No. 247 S.E.K.B.S. Guelph journeyed to Acton on night last, when they paid a visit to Lodge Wanderer in the second round of Group 1 for the Royal Oak Cup. Games played were crib, dance euchre and whist, and when time was called the Guelph members were on the wrong end of a 16-6 score. At the conclusion of the games the visitors were provided with a delicious supper and a social time and hot coffee.

THE BAND ELECTS OFFICERS

At the Annual Meeting Held on Wednesday Evening in the Band Hall

Wednesday evening was the annual meeting of Acton Citizens' Band and it is always a very interesting session in band history. In fact were all present with a couple of exceptions and ready to prepare for 1928. The auditors report and reports of the various officers showed a very successful past year and bright prospects for the future. The following officers were elected for next year:

Honorary President C. Hill
Bandmaster A. Mason
Assistant Bandmaster N. J. Mott
Past President and Committeeman R. Spriggett
President Ray Agnew
Vice President George Simpson
Secretary Treasurer G. A. Dills

Caretaker J. McGeachie

Following the election over which President Spriggett presided the band boys and officers all expressed their willingness to co-operate to make Acton Citizens' Band a big factor in promoting community welfare in Acton and the band a continued success.

The refreshment committee had provided a splendid luncheon to follow. Caretaker Reesor had gone to considerable trouble to decorate the room and make the surroundings all festive and under the auspices of the splendid lunch and surroundings a session of plans and aims for next year carried on by the members. Various ideas were put forward which will be filled. Concerts must be planned for to raise funds and a busy time was outlined during the coming months for the new officers.

Injured at Milton Brick Works

The Toronto Pressed Brick Company's plant one half mile west of Milton was the scene this afternoon of a serious accident which may prove to be fatal to what Wm. George Hamilton, the victim, is an old man about 46 years of age, injured as the result of a fall of eight feet to the floor of the dipping wheel which operates the skeins or crumbling pan. The unfortunate man was taken to the hospital with a fractured skull when picked up and it is not known how the accident happened as no one saw it. The injured man was removed to his home near the plant. Very little hope is held out for his recovery.
