HAROLD LLOYD DEVOUT FAN OF SULTAN OF SWAT

When Harold Lloyd is seen rooting for Babe Ruth in his latest laugh provoker, "Speedy," to be shown at Wonderland Theatre to-morrow night, there is no make believe about it. While the Sultan of Swat was straining every nerve and muscle last year to exceed his home run record for fifty-nine in a season, Lloyd was pulling for him every day. When the comedian went back east to make his New York street scenes for "Speedy," every opportunity he had to get away from work found him at the Yankee Stadium, rooting for all he could for the Babe. He was there the day the king of the home run ring shot his sixtieth four-ply drive into the right field bleachers, and no one was more demonstrative than Lloyd. In return the Babe is a great Lloyd enthusiast. That is the only reason he agreed to work with the comedian in "Speedy." The Babe has a select bit to perform in the bespectacled comic's new offering, and he did it mighty well, too. Lloyd is the proud possessor of the bat with which Ruth made his record drive. Babe presented it to him directly after he had lammed it for the loop. "Speedy" shows Lloyd, in one sequence, in the role of a baseball enthusiast, and it is in this part that he wins some of his biggest laughs.

A Pressing Problem Solved

The art of personal appearance is as old as the history of the human race. When man wore knickerbockers it was not so essential that his clothes be pressed, in order to tell the world that he was up and doing, that he was prosperous, and that he took a pride in his appearance. But in this age of lengthy trousers it is absolutely essential that we give the closest attention to the condition of our suits. This requires their frequent trip to the cleaner.

A cleaning firm which has the confidence of the men and women of the district is W. W. Bagg, whose modern establishment is located at 49 Quebec Street, in Guelph. They are exceedingly popular with the many who already know them, and that they put forth their best effort is shown in the satisfaction in each case. This establishment is splendidly equipped for all classes of dry cleaning and no work is too difficult to handle in a most satisfactory manner. A specialty is made of cleaning ladies' garments, while they do this class of work for a list that includes almost every woman who cares anything about her personal appearance.

The dry-cleaning system used, not only cleans your clothes, but renovates them in the most sanitary way. It turns them out in the most approved manner without the disagreeable odor that accompanies the work of many cleaning establishments. The latest cleaning and renovating machinery in the plant makes it possible for them to handle the most delicate fabrics and turn them out so that they look like new.

Clothes Tailored to Measure

The finest of cloth may be made into a suit, but it is the fit that gives that air of distinction of the well dressed man. Only the very best of tailors can accomplish such results. W. V. Bagg has built a wonderfully profitable business by accurate fitting of his customers who have ordered Tip Top Clothes. His artistic ability is such that he can give authoritative advice as to just what materials or style are most becoming to the different types of men. There is no need for any man to wear hand-me-downs. Perfectly tailored to your measure clothes can be purchased at ready-made prices. Step in to see W. V. Bagg on your next trip to Guelph, and see if you have not been told right.

We are pleased to compliment W. V. Bagg upon his very satisfactory work, and urge readers that as regards cleaning, pressing, dyeing and Tip Top Tailored Clothes they can do no better than go to W. V. Bagg.
