Enthusiastic Ball

Three Games Played the Past Week of Both Hard and .. Soft Ball

Games in the Park

Interest in baseball circles has been ver lively the past week. Teams from the town and the plants of the Acton Tanning Co. and Beardmore & Co. have been having some real sport in both hard and soft ball and spectators have been taking a lively interest in the proceedings. On Monday evening a game of hard ball was played, between teams for the town and the Acton Tanning Co. The batteries for the town were Milne and White and for the Acton Tanning Co., Kaley and Gibbons. A real spicy game of seven innings was put up and the Acton _anning Co. were victors in a score of 8-6. Both batteries, were good and the fans enjoyed the game thore ighly. Last Thursday night it was : ft ball, between Beardmore Belting and Acton Tanning Co., and the score went 28 to 20 in favor of Beardmore Belting. It is reported that the stellar performance was the remarkable fielding of Neil Gibbons. But then it is a difficult tank to pick On Tuesday evening Beardmore & Co. game of soft ball and the Beardmore team won in a close score of 21 to 20. The accusation is made that the Beardmore team drew from the building crew and far affeld for their players in order to make this close defeat. But Acton
