The garden party of Churchill United Church last Thursday evening at the home of Mr. and Mrs. Arthur Swackhammer was indeed a most enjoyable and well attended affair. The evening was spent in playing lawn tennis, home and grounds, and the Swackhammer were an ideal location for such an event and were beautiful in their decoration and natural setting.

A varied and interesting programme, under the direction of the pastor, Rev. H. Caldwell, included a musical programme of songs and entertainment. Action Citizens' Band gave a generous number of selections during the evening. Piano solo by Miss Ruth Gilson; readings by Miss Kathleen Macneil and Miss Cannon; vocal solos by members of Rev. Mr. Caldwell's family; baritone solo, by Mr. H. Caldwell; Scottish baritone, of Toronto, and Mr. W. Gowdy; Lincolnton selections by the Lincolnton choir, and address by Rev. Gaudier, of Ballinacraig, and Rev. A. C. Stewart, M. A., of Acton. A booth well stocked with a variety of good things did a good trade all evening supplying the wants of the crowd.

BOLLWOOD

Quite a number from here attended the anniversary services at Eden Mills on Sunday, July 15. The Rev. A. C. Stewart, of Acton, delivered earnest discourses to large congregations present. Members of the Eden Mills Church were also present and rendered special numbers, which were much appreciated.

Rev. Dr. Dyer, of Georgetown, occupied the pulpit of the United Church in the absence of Rev. A. Donaldson, who was at Aberfoyle Sunday evening.

Some improvements have been made at the Presbyterian Church. The south-east side of the roof has been re-shingled and the front fence, which was getting loose in places, has been removed, which gives the lawn a better appearance, both from the street and from the front door. Visitors in our midst last week and over the week-end were:

A coat of oil was applied to the upper portion of Main Street lately, which is a big improvement in reducing the dust nuisance.

Mrs. Webster, who was on the sick list lately, is back at her place in Mr. Angus Carter's store. Miss Helen Dyer assisted in the store last week.

JACK SPIELL AND "GALLAGHER'S"

We're a pair like "Gallagher and Spiell" always together. I like that which relieves pain and sickness, which builds up man-kind to better physical bodies and enables them to enjoy life more fully and to be of more use in the world. This is our slogan, "Gallagher's Bullus the Body" and it does. We have a letter from a man who was having hemorrhages of the lungs, requiring a doctor's attendance, but we have him enaciated and altogether discouraged. When he began taking Gallagher's Indian Lung Remedy with a little of the Blood Purifier and Kidney Remedy, and now he is well and strong, working every day, and steadily gaining weight. Results of this kind are worth while, are they not? If you have ANY lung trouble go to A. T. Brown and get some "Gallagher's".

Yours truly,
Jack Spiell.

Dear Miss Gray:

We, the ratepayers and friends of G. B. No. 8, Erin, are gathered here at the close of the school term. The school has been regarded as one of the centres of community life. The success of the school depends greatly upon the personality and ability of the teacher, as well as upon the hearty co-operation of the people. There has been a very deep interest in the affairs, concerning the school, in the minds and hearts of the ratepayers. And you, as our teacher, have been always in the forefront with a sympathetic attitude towards the welfare of the school. Your interest in the Greenock Literary Society has been a stimulus to right thinking and wholesome entertainment. Your ability as a teacher is deeply appreciated and your personal influence has been a very happy one among the children in the school room and in the larger circle of community life.

Your leaving is the regret of all. However, since the time has come to separate, we, as the children and friends of the school, express to you our heartfelt good wishes for the future and as a slight token of our sincere appreciation, we ask you to accept this. May it remind you of the many sincere friendships formed in our community and also of the many who have been benefited by your sojourn among us.

Signed on behalf of the section,
Charles McClewan,
Alice Hodgson, McLean,
K. A. Mann.

Miss Gray made a very fitting reply after which a very delightful picnic supper was served.

Entered Into Rest

DR. ROY A. STEWART

Injuries which Dr. Roy A. Stewart received in a motor crash near Creweville, Ontario three weeks ago proved fatal and he passed away at the General Hospital in Guelpch on Monday afternoon at one-thirty o'clock. His major injury was a fractured skull and two additional fractures of the spine. He had suffered other head injuries of a less serious nature. Dr. Stewart was formerly of Chippewagon, Ont., but about two years ago he removed with his family to the farm formerly occupied by the late Alex. Crisp, and took up farming, so that he and his family might have the beautiful advantage of the countryside. His wife and children, who are so dearly loved by him, are Mrs. E. Blanche Taylor, of Galt, he leaves two children, a daughter, Wilma, and son, Dillie, who was with him at the time of the accident, but escaped serious injury. Mr. Stewart was in his 33rd year. The funeral was held this afternoon with service at the home at one o'clock. Interment was made at Riverside Cemetery, Weston.

DAVID SWACKHAMMER

A figure long familiar in the vicinity of Limehouse and Churchill and through out the Township, passed on when David Swackhammer died at his home at Limehouse Wednesday evening of last week. About two weeks ago Mr. Swackhammer suffered a paralytic stroke from which he only partially recovered, but escaped to be about and his sudden passing came as a distinct shock to his family.

David Swackhammer was born in Erin Township on December 23, 1863, a son of the late David Swackhammer. On March 26, 1875, he was joined in wedlock with Miss Mary Dyer, a native of Erin. They had four daughters and two sons. He left this world on the 26th of July, 1928. The couple have always lived in Erin. His passing was a great loss to the countryside as he had travelled over much of the grounds he had been thriving on or on mill work. About fifteen years ago he had the misfortune to lose an arm while operating a cutting box. Of a family of eight, six members survive: Mrs. Laura McMechele, Toledo, Ohio; Miss Margaret West, Westminister, Limehouse; Frederick, New Westminster, B. C.; Vernon, of Albany, N. Y.; Miss Nellie, Detroit, Mich.; and Mrs. Lila Drenthall, Hollis, L. I., New York. One daughter, Mrs. Minnie Adams, and one son, Mr. David Swackhammer, are deceased.

His funeral was held at the home at Churchill United Church, Wednesday evening of last week, and was presided over by Rev. H. Caldwell, assisted by Rev. Mr. McLean, of the Presbyterian Church. The large number of floral contributions here mute testimony to the regard in which Mr. Swackhammer was held by his family and the circle of friends. Interment was made in the family plot at Churchill Cemetery.

FAREWELL SURPRISE PARTY

Presentation to Mrs. Prudence Cook and Family on Their Removal to Toronto.

A surprise party was held last Wednesday evening at the home of Mr. and Mrs. Fred Crowson, Peel Street, when a number of the friends of Mrs. Prudence Cook and family met for a farewell social time prior to their removal to Toronto.

At an intermission in the social time the following addresses were read and presentations made to Mrs. Cook and family:

Dear Mrs. Cook:
We are assembled here to-night just a few of your friends, to spend a few hours with you before your departure from us in a small gift. We have had together this past year. You have shown yourself ever to be kind and thoughtful, ever ready to give assistance wherever it was needed. While we are sorry to lose you, we are sure our loss will be someone else's gain. And you may be sure our door will always be open when you visit your old home town.

As a slight token of our appreciation of you, we ask you to accept this lamp, in remembrance of your sincere friends in your old home town of Acton. We hope it may keep your heart as warm as are the hearts of your friends here to-night.

We wish you and your family a large measure of prosperity in your new home and many years of the health and strength, the choicest blessings that God can bestow upon you, and that happiness which is the crown of a home.

Signed on behalf of your friends,
Mrs. Fred Crowson,
Mrs. A. McCann,
Mrs. R. L. Dayidson.

PROSPECTS FOR A BUMPER CROP

The Farmers of Western Canada are Haggling as to Record Yield

Prospects for a bumper grain crop in Western Canada were never better in any previous year than they are now, according to agricultural authorities in the Western provinces. The wheat crop practically throughout the prairie provinces is thick and well stooled and if there are no serious setbacks before cutting time in August it looks as if Canada will harvest the biggest crop on record. The record crop was in 1923 when 47,300,000 bushels was harvested from 21,250,000 acres, an average yield of 2,225 bushels per acre. This year there are 24,000,000 acres sown to wheat, which at an average yield of 2,225 bushels would give a crop of 44,000,000 bushels. Last year the crop totaled 44,034,700 bushels from 23,402,154 acres, an average yield of 1,881 bushels per acre. Business conditions generally in the Canadian West are good and the outlook at present for these conditions to be maintained for some time ahead was never so encouraging.

Fact Number 8

Last year, after meeting all death claims, cash surrender values, and other payments, the Imperial Life Assurance Co. of Canada paid 56 per cent of its total premium income for the year.

A New Car... A New Car Style... A New Zenith of Low Priced Car-Luxury and Performance

All Chrysler research, engineering and manufacturing has been inspired by the fundamental motive of giving ever greater quality and value for each dollar of car cost. Public recognition of this principle, in four years advanced Chrysler from 27th to 3rd place in sales in the N. A. C. C.

And above all you must see its beautiful lines and finish and stretch at ease in its deep upholstered, full adult-size bodies, to comprehend how completely the Plymouth surpasses cars heretofore sold under \$1,500.

The Plymouth is today displayed by every Chrysler dealer. He wants you to see it and to ride in it.

With a new product—the Plymouth—Chrysler is the first to give, at so low a price, the advantages of performance, riding ease, dependability and full adult size which characterize fine cars of higher price.

The new Chrysler-designed and Chrysler-built Plymouth is so revolutionary an advance over other low-priced cars, it is such conclusive evidence that the past year's strides in the science of manufacturing have multiplied the purchasing power of the motor car dollar, that you will surely want to see it and drive it.

THE FISH POND EXPLOSION

One evening last week the colours of the midnight air were punctuated with a terrific explosion that awakened numerous residents of Acton and the country surrounding. The following morning reports about town blamed the noise on a variety of explosive articles at the fish pond. The real cause, however, was the setting off of a charge of dynamite which had been laid in a trap to stop poachers who have been fishing at the property. In their hurried exit the poachers left behind their fishing tackle and catch of fish and one was so lightly scared that his hair stood up and knocked his cap off and his hat the explosion. It is reported that the missing articles is likely to lead to the identity of the trespasser, if it is not by the time the poachers are trying to be located by the pair.
