This Week's Special

Rink Agreement Submitted to Council

Work on New Main to School Property to be Proceeded With at Once

At the fortnightly session of the Council on Tuesday evening, Councillors Atkinson, Hansen and Thetford were present and Reeve Mason presided. The Pinance Committee, in their seventeenth report, recommended that the following accounts be paid: O. H. Tütchie, teaming, etc. J. B. Mackenzie, supplies W. D. Talbot, supplies McArthur Engineering Co., re Young Street 172.75

The report was adopted. Mr. J. P. Scarrow, as a repre entative the Council the laying of a la: r main adequate fire protection.

Councillors Atkinson and Hansen were to be advertised for. Councillor Thetford read a letter from Clerk Parmer, setting forth his conditions for acting on the rink question. In fact, two letters were read front Clerk Parmer by Councillor Thetford, as ic explained, he had been requested to

The Reeve expressed the feeling, and the other Councillors seemed to concur with it, that the suggestions of Mr. He felt that Mr. Furmer was not conversant with proceedings of the Council during his vacation and the letter did of Pergus. Chief of Police Couling, of not bring any new aspect or help on the situation. The members were prepared to carry on the plan as they had already started to do.

Reeve Mason had copies of the agreement submitted by Beardmore & Co., us had been suggested and arranged at the

rejected or received. Another clause, in the agreement, not before mentioned, makes the offer more attractive for Acton to accept. It pro-

vides that at the expiration of the twenty-year lease on the property on phraseology of an agreement.

All other points seemed to be well

sovered in the agreement submitted. It was felt by all the Council that the best legal opinion on the procedure should be secured and all details should be laid before them and an opinion secured on which they could proceed. Recve Mason was appointed to take the agreements and all details concerning the rink to Measts. Long and Daly, Toronto, considered authorities on muncipal law, for their opinion to be secured in writing and presented to the Council. The Clerk was instructed to write the Department of Public Highways regarding the finishing of the corner on Young Street, and request that the work be completed at once.

Chairman of Streets and Walks Atkinson had a long list of repairs to roads ery. to be considered. Park Avenue, Willow end of Bower Avenue were among the felt by all, however, that good material

having obviously been thrust through a broken window. In addition to these, there were several barn fires, which although not officially reported as incendiary, left a question n the minds of the owners, many of whom were sure that fire-bugs had been at work Several of these blazes occurred in places where there was no possibility of spontaneous combustion. and where no lights had been carried

NO FLIRTING

She had parked in front of a fire hydrant for two hours. A cop was watching for her Cop I've walted for you for hourswhat's your name? She It wouldn't do you any good if I told you You look like a nice boy but my husband is about twice your

magnificent appointments.

The visitor was duly impressed. Bud-
