BORN

MANN—In Toronto, on Saturday, February 23, 1929, to Mr. and Mrs. Melvin Mann, a daughter.

DIED

HOW—At Hillsburg, on Wednesday, February 27, 1929, Annie How, daughter of the late Edward and Margaret How.

TEER—At the Guelph General Hospital, on Tuesday, February 26, 1929, Alice Elizabeth Gardiner, widow of the late L. Louis Teer.

The Acton Free Press

THURSDAY, FEBRUARY 28, 1929

This and that

—March first to-morrow.

—February ends to-day—March walks in to-morrow.

—Springtime is in the offing. Begin now to prepare for it.

—And after to-day February—another winter month—will be over.

—The snow started to disappear rapidly in the brief thaw on Tuesday.

—There won't be much snow to go away when Spring comes this year.

—The Lenten season is passing—one-third has gone. Good Friday in four weeks.

—The directors of the Fall Fair Board will hold a meeting next Wednesday afternoon.

—Quite a quota of Acton sports went to Toronto Saturday evening to see the big hockey match.

—They say the backbone of winter is broken now, but so is the middle gone out of the coal bins.

—Cutters are not in demand any more. At an auction sale in Esquesing, two good cutters brought only $1.00 each.

—Acton merchants are writing buy-at-home editorials in their advertisements every week that are very convincing.

—Dr. Anderson, M. P., has returned from Battle Creek, Mich., sanitarium, much improved in health.—Burlington Gazette.

—We appreciate very much the promptness with which subscribers respond to the monthly subscription accounts sent out.

—Many have found it profitable to use the wide variety of transportation facilities provided to come to Acton to do their shopping.

—Rev. S. O. Pinnock, Representative of the Bible Society, will be the special speaker at the evening service in St. Alban's Church next Sunday.

—At the carnival at Georgetown last week Mr. Alfred Bishop won three first prizes for the costumed pair, in the potato race and in the half mile race.

—Mrs. George Chapman had the misfortune to fall down the cellar steps at their home on Knox Avenue. Although no bones were broken she was painfully bruised and cut.

—The old-time suggestion when a man was counting his sure profits on some hazardous venture was: "Don't count your chickens before they are hatched," has been modernized to: "Don't count your profits before they are snatched." This applies especially to dealing in stocks on margin.

—Magistrate Moore was a delegate last Friday to the convention called by Chief Draper at Toronto, to consider methods by which first offenders may be rehabilitated when released from prison or reformatory. The purpose is to help such men to recover their former positions, and commence afresh under helpful conditions.

"THE ROAD TO THE CITY"

Splendid Comedy Drama Staged Here by a Group of Milton Young People

The comedy drama, "The Road to the City," staged by a group of Milton young people, under the direction of Mr. A. E. Millson, was greeted with a splendid audience at the Town Hall here last evening. Rarely indeed is an Acton audience treated to a better amateur performance of a play than that staged at this concert. All characters were well portrayed and gave a splendid conception of the story. The play was well chosen, the acting was good and the audience was appreciative and those who failed to attend missed a treat indeed.

The cast of characters was as follows: Jet Sanderson, at the Crossroads, Miss Jean Wilson; Toto Lee, her cousin, Miss Helen Mills; Lilly Morton, a girl from the city, Miss K. Henson; Mrs. Sanderson, Jet's widowed mother, Mrs. I. W. Lott; Robert Darnell, a country physician, Mr. George Elliott; Richard James, a man from the city, Mr. P. W. Cooke; Jud Junkins, a young farmer, Mr. J. A. McLennan; John James, Richard's invalid father, Mr. H. B. Cox; Duke, a man of mystery, Mr. J. A. Rose.

The Milton High School Orchestra provided musical numbers between the acts and this group of young people are very creditable musicians indeed. Mrs. Stanley Wilson contributed a vocal solo and Messrs. A. E. Millson and H. B. Cox, in their rube costumes, put over a comic duett made up of take-offs on local personages, which was mirthful and enjoyable.

Boy Scout News

ACTON BULLDOG TROOP

February 22nd, was the seventy-second birthday of Sir Robert Baden-Powell, Chief Scout for the world. To mark the occasion, a big conference dinner was held in London, Ontario, and over 300 Scout Leaders from almost every part of the Province were gathered around the huge birthday cake to pay tribute to the "Chief," who 21 years ago planted the seeds from which grew the largest boy movement in the world.

During the evening, Frank C. Irwin, Assistant Provincial Commissioner, presented his annual report and gave the Conference a brief outline of the year's activities.

"During 1928, Ontario Scouting made substantial progress," Mr. Irwin reported. "Membership increased. General activity was strong. Large increases were made in the number of badges issued for proficiency in test work. District organizations were strengthened and extended. Headquarters facilities for field work were improved at a cost met from increased revenues. Summer camps increased in number and attendance. Many leaders took training courses. The Boy Scout traditions of "Service" was well maintained. Nine boys won life-saving awards." These are some of the high lights of the eighteenth year of the Provincial Council for Ontario.

Entered Into Rest

WILLIAM NICKELL, Barnia

From the London Free Press of February 16, we gleaned the following obituary notice of William Nickell, a former resident of Esquesing: "William Nickell, city tax collector, resident of Barnia for 35 years, died Friday morning, February 15, after an illness of nine months. He was aged 71 years and was one of the best known residents of the city. Mr. Nickell was born at Limehouse, Ontario, and went to Barnia in 1895. For some years he was in the clothing business with the Barnia Woollen Mills on Front Street, and up to the time of his death he held a financial interest in the men's clothing firm of William Nickell & Sons, operated by his sons, James and Robert H., in the Imperial Building. Mr. Nickell was appointed city tax collector in September, 1913, following the death of John W. Hamilton. He continued his duties until June last, when illness overtook him. He was a popular civic servant and painstaking and conscientious in his duties. In politics he was a Conservative and although in earlier years he was a Presbyterian, he had for a long time attended St. George's Anglican Church. He was practically devoted to curling and bowling and was one of the oldest members of these clubs. He was also keenly interested in poultry breeding and was a past president and secretary of the poultry association. Surviving are two daughters and three sons; Mrs. A. D. Gaston, of Dayton, Texas; Mrs. Norman McCrea, of Barnia; James and Robert H., of Barnia; and John Newton, of Windsor."

SEED GRAIN COMPETITION

Samples Shown at Acton Were Among the Best in the Province—Liberal Awards Given

The judging at the Seed Grain Competition, conducted by Acton Fall Fair, was held at the Town Hall here on Monday. There was a good entry from Acton and district for this event and splendid samples of grain were shown.

Mr. S. D. Hankinson, of the Dominion Seed Department, Ottawa, was the judge. He stated that the samples shown here were among the best in the Province. This year much poor seed grain was grown in the Province and at many of the seed fairs conducted the samples were not considered worthy of a prize and no prizes were awarded. The germination of the grain shown here was described as exceptionally good. The germination of samples shown here was 99 per cent., whereas the judging in other places has as yet only been 98 per cent.

Seven prizes were awarded, as follows:

1.—Arthur Bwackhaner, Acton.
2.—Robert Tuck, Nazzagaweya.
3.—Hugh Reid, Acton.
4.—Robert Karr, Acton.
5.—J. B. Leslie, Acton.
6.—Leslie & Pearen, Acton.
7.—Mann Bros., Acton.

Substantial money prizes were awarded all these winners, which are largely given by the Dominion Department. In addition those who receive awards will have the opportunity of marketing their grain at prices much above the average as the demand for this good seed is always more than the supply.

ESQUESING COUNCIL

Regular Session Held on February 11—Will Pay $5.00 for Shooting Dogs Worrying Sheep

The Esquesing Council met on Monday, February 11, at Stewarttown. Members were all present, the Reeve in the chair. Minutes of last meeting were read and confirmed. Communications were read from Highway Department re road expenditure; Guelph General Hospital re indigents; Canadian Legion re appointment of Clerk; Board of Railway Commissioners re crossing at Norval Radial Station.

Accounts were, upon motion, authorized to be paid, as follows:

J. P. Reid, 2 100 Watt lamps	$ 1.30
John McDonald, coal to Ackroyd	16.00
Municipal World	51.70
Mountain Sanatorium re Edythe Pryde, Mrs. Elsie Miller, for January, 1929	93.00
Bell Telephone	4.80
Walter Moore's account, cemetery	8.00
J. Brandford, wood re E. Marcelles	3.50
J. H. Smith, wood supplied for Council Chamber	5.00
H. Dobbie, collector Ward 3, advance on salary for 1928	40.00
Geo. Leslie, for 10 sheep killed by dogs	100.00
N. Stark, sheep valuator	6.00
H. Currie, coal for John Kennedy	15.00
T. W. Smith, supplies for indigent	4.00

Moved by W. G. Appelbe, seconded by W. A. Wilson, that the Road Sheets as presented be passed and paid, $3,077.87.—Carried.

The sum of $3 per month was allowed John Kennedy until further notice.

The by-law providing for the expenditure on roads for 1929 was given the required readings and passed by the Council.

Moved by W. G. Appelbe, seconded by W. A. Wilson, that on and after this date that this Council shall pay to persons who shoot a dog or dogs found in the act of worrying sheep when sheep are enclosed on private property, the sum of $5 for each dog destroyed, upon taking a declaration that such dog or dogs have been destroyed, and that the seal of the Corporation be attached to this resolution.—Carried.

Moved by George Currie, seconded by W. A. Wilson, that the Reeve and Deputy-Reeve be delegates to Good Roads Convention.—Carried.

Moved by W. G. Appelbe, seconded by W. A. Wilson, that this Council adjourn to meet on Monday, March 11, 1929.—Carried.

Variety of News

Examination Dates

Dates for the Departmental school examinations this year are announced by the Department of Education, as follows: High School entrance, June 24 to 28; Model entrance, June 24, 26, 27 and 28; Lower School, June 20 to 26; Middle School, June 17 to July 2; Upper School, June 17 to July 2.

Cars Damaged in Crash

Two badly damaged cars were the results of a collision between autos driven by George Bailey and Donald Husband, both residents of Oakville, on the night of February 25, in Oakville. No serious injuries were sustained by either parties. It is believed that the collision was caused by one car skidding when the brakes were applied.

Jubilee of Ordination

Friends in Acton have received invitations to be present at the fiftieth anniversary of the ordination of the pastor of the West Side Baptist Church, at Seattle, Washington, of Rev. Charles A. Cooke, D. D., on Thursday evening, March 21, at 7.30 o'clock. Rev. Dr. Cook is a son of the late Rev. R. B. Cook, of Acton, and brother of the late E. K. Cook, who died here so suddenly three months ago. Dr. Cook, in his young manhood, went from Acton to Toronto, thence to London, England, to take his theological course at Spurgeon's College, and returning to Toronto was called to Parliament Street Baptist Church. He later served for seventeen years as the beloved and successful pastor of First Baptist Church, Bloomfield, N. J. From this pastorate he was appointed Superintendent of Stewardship for the Baptist Church of the United States. Retiring five years later, he was called to First Baptist Church, Butte, Mon., thence he went to his present charge. Dr. Cook has had a wonderful career in the ministry. Success has characterized his efforts all through the half century of devoted service. It is very fitting that the fiftieth anniversary of his ministry should thus be emphasized in the happy manner which the congregation of his Seattle pastorate has arranged.

Notice to Creditors

The Creditors of Catharine Mann (Mrs. John Mann), late of the Township of Erin, Widow, who died on the 30th day of December, 1928, and all other parties having claims against her estate, are required to send to the undermentioned Solicitor, their full names, addresses and descriptions, full particulars of their claims, and the nature of the securities, if any, held by them.

This notice being given pursuant to Section 51 of the Trustees Act, R. S. O. 1927, Chapter 150, notice is hereby given that on and after the thirtieth day of March, 1929, the Administrator will proceed to distribute the assets of the said Catharine Mann among the parties legally entitled thereto; and he will not be responsible for any claims of which he has not then received notice.

Dated at Acton, Ontario, this twenty-eighth day of February, 1929.

JOSEPH HART, Administrator.
By H. N. Parmer, Acton, Ont., his Solicitor. 35-3

A HINT FOR YOUNG FOLKS—STARTING

"Men can be divided into three classes," says Henry Miller, President of the Terminal Railroad Association, of St. Louis. "First, there is the machine type of worker. This man works hard enough with his hands, but does no work with his brain and eyes. With him a job is a job, something to be done over and over again the same way. At seventy you'll find him on a pension roll with a record of fifty years of faithfulness behind him. Yet, in a sense, he gets nowhere.

"The second type is the man who has everything that the first one lacks but is without one quality the first possesses. He has ambition, brains and vision, but he doesn't like work. The first taste of work dulls his ambition. He has ideas about running the company, the nation, and the households of his fellows, though he can't run himself.

"The third man not only sees and thinks, but he works. However, he subordinates the necessity of work to seeing and thinking. You hear men say, 'Work is the big factor in business.' It isn't. Some of the hardest workers I have known are still in overalls. You hear others say, 'Brain-power is the big factor.' I know thinking men who will never get out of the employee class. But I know of no man who has combined work and brains and vision, who hasn't gone up to leadership."

Here Are Ford Facts!

Many people buy without investigation of facts and on snap or emotional judgment. Every year it is estimated a million car buyers change their ideas on their car after they have had it six months. Consider the following facts before purchasing your next car—and then decide for yourself which car offers the most value for the money:

1.—Do you know that no car under $2,000.00 outside of Ford is putting on Houdaille Double Acting Hydraulic Shock Absorbers as standard equipment?

2.—That no car under $1,500.00 except Ford has triplex shatterproof windshield glass as standard equipment.

3.—That Ford is the only car under $1,500.00 with three-quarter floating axle.

4.—That Ford is the only car under $1,500.00 with Torque tube and Radius drive construction.

5.—Ford is the only car under $1,500.00 with five-bearing transmission.

6.—That the New Ford has 25 roller and ball bearings in its chassis.

7.—Ford is the only car under $1,500.00 with three-quarter irreversible steering system.

8.—That Ford is one of few cars built to-day that has five-steel-spoke wire wheels as standard equipment.

9.—That Ford is the only car under highest priced cars with silent six-brake, internal expanding all-enclosed system.

10.—That wrist pins in motor are machined to .0002 and are of full floating type.
