### How to Reduce Varicose Veins

Rub Gently and Upward Toward the Heart as Blood in Veins Flows That Way

Many people have become depressed because they have been led to believe that there is no remedy that will reduce swollen veins and bunches.

If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first-class drug store and apply it night and morning an afflicted you will quickly notice an improvement which will continue until the veins and bunches are reduced to normal.

Moore's Emerald Oil is a habilitant, chronic sores and ulcers are often entirely healed, and anyone who is disappointed with its use can have their money refunded. E. J. Hazard sells lots of it.

COMMON SENSE  
In the Ten Commandments, coveting is classified along with theft and murder, and properly so, for coveting is frequently the explanation of theft and murder.

Coveting implies the wish to take away that which another has, not the wish to secure something as good for yourself. Do not wish for wealth and happiness at other's expense. That is coveting. Wish for them, work for them, get them if you can. That is common sense.

Burlington Police Vailed Burglars  
White Night Constable Dunham was making his rounds about 2.30 on Monday morning, he heard burglar at the rear of Dunham's book store, next to the Crystal Theatre, trying to gain an entrance through the back door.

The constable entered the alleyway next to the theatre, and on his approach the thieves made a hasty retreat out on John Street, and disappeared in the darkness. He immediately summoned Chief Smith and a diligent search was made of the neighborhood, but without success.

The thieves made a determined effort to get into the store. They used a "jimmy" on the door and window, and also used a heavy scuttling about six feet long to try and ram open the door, when they found it was protected inside. A pane of glass was broken in trying to force the window on the floor in an effort to pry off the board protection on the window.

The only clue left was the "jimmy."—Burlington Gazette.

FAIR ENOUGH  
A man went to a South African newspaper office and complained that his death had been announced erroneously.

"Well," said the editor, "we never contradict anything we have published, but I'll tell you what I'll do. I'll put you in the birth column to-morrow and give you a fresh start."

## Pride in One's Home Justifies a Piano

A Mason & Risch or Henry Herbert piano particularly... the very name reflects good taste, for these instruments have been approved by musicians for generations for their superior musical qualities... their long life makes them a real investment.

Death of "Aged" Woman  
Mrs. Elizabeth Sharp, one of the oldest and most widely known residents of Port Credit, died suddenly Wednesday morning at the home of her niece, Mrs. A. E. Thre.

Mrs. Sharp, who was in her ninety-fourth year, had lived in Port Credit since she was 23 years of age. Her kindly nature had won for her the affectionate title of "Aunt Betty" to a wide circle of friends, in the district she was of pioneer stock, and was born at Eastfield Plains, now Mount Dennis.

A PRAYER  
"Make me a child again just for tonight." Once said a Scotchman and Scotchmen are right. "I leave to-night on a boat trip up there. Make me a child and I'll travel happily."
