This and that

—It's less than a week until May 1st.
 —The warm days are bringing on the buds of trees.
 —The past week has given the real spring atmosphere.
 —A new garage has been erected at the United Church Parsonage.
 —This is clean-up time. Do your share toward beautifying Acton.
 —These are the days of the annual spring turning of the house upside down.
 —The car styles are now almost as quickly changing as the feminine headgear.
 —Spring seeding and farm work are making busy days for the farmers just now.
 —The baseball fan is now reveling in the joys of this summer pastime again.
 —Our telephone number is 174. Send us your items of news—as early in the week as possible.
 —Just ten weeks until the big celebration in Acton and the Old Boys and Girls home-coming.
 —Advertisers should note that the circulation of this paper is 4,000 copies. It is not talked with one insertion.
 —The re-building of the veranda floor at Belmont Inn has created a considerable improvement to the premises.
 —The paint brush is working long hours these days. Acton merchants can supply new ones and paints to use with them too.
 —These bright sunny days are bringing out the bright shiny new cars in increasing numbers—and those that were shiny in other years are making their appearance too.
 —Mr. J. O. Lindsay is remodeling the shed at the back of Mr. J. C. Hill's property on Hill Street. The old barn will be torn down as soon as the other alterations are completed.
 —The Acton merchants are writing buy at home editorials every week in their advertisements. Their prices quoted and arguments are real convincing that Acton is an ideal place to shop.
 —A special train of tractors, valued at \$400,000, recently reached Regina, Saskatchewan. There were 280 machines in all occupying 70 railway cars. The tractors were distributed to farmer buyers in Saskatchewan and Alberta.
 —A dance at the Parish Hall, on Friday evening, at 8:00 p. m. Everybody welcome. Admission 25c.

 The family of the late Mrs. Wm. Anderson wish to express their deep gratitude for all the acts of kindness and thoughtful helpfulness, and the expressions of sympathy so beautifully shown during the illness and the time of the death of their beloved mother. The memory of those of the beautiful floral tributes, and of the music of the quartette, will ever remain a solace.

CARD OF THANKS
 Mrs. Jacob Bauer and Brothers desire to express their sincere thanks to neighbors and friends for their many deeds of kindness and expressions of sympathy; also for the floral tributes at the time of their sudden bereavement when their mother passed away.  This is Demonstration Week of the new Connor Thermo-Electric Washer. A new principle is built in this washer—the water stays hot—just as hot as when put into the tub, and that is the secret of easy and clean washing. Connor Washers are the only ones with this new feature. We will gladly demonstrate in your own home. In fact you may try out one of these new Washers on your next wash-day with obligation.
 PHONE OR CALL FOR A DEMONSTRATION THIS WEEK
