River St. Lawrence, tranquil and fair,
Winningly they way for a thousand song,

Lightly bearing the great ships along—

THE OLD HAN OF THE BIG CLOCK

The fence is mother of the farm;
The fence reaches faithful arms about

Secure within the guarded place,
The green fields hit a smiling face,

And far green hills where cattle graze,
In the hollow of her hand,

Marking the lives that all may heed,
And halt without, or hide within

Another Old Landmark Gone
The news which came to me last

While it was first a pioneer farmer's
Home, its strategic position, made it
