THURSDAY EVENING, MAY 16, 1929

Empire Shapping Week May 25 to June 1 this year and the slogan that will prices—lower taxes, and lower rents—and far better are privilized to dump garbage any place be observed in many places during that time will be living conditions for its people." As has been pre- in the Park transpection of the bonney "Empire Buyers are Empire Builders. In many dicted in these columns before, the next decade will strewn from one end of the Dest to with he noticeable to engender the spirit of Empire to secure sites for their factories out from the cities is cleaned up.—Herald. shopping. The advantages that will accrue to all in the smaller centres. Travelling facilities over from observing this habit of Empire shopping are the highways and shipping over the same routes, as too obvious to need any enlargement on. The well as the railways, have made these centres, which thought of the week carried on throughout the year are not too far removed from the cities, ideal for the Liberal Organizer for Halton County and will result in a demand for Empire made products location of manufactories. These towns will see that will stimulate activities in all branches of industry. Another significant slogan of the week is locations. Acton, with its ideal highway location, "For Us the Empire Begins in Canada," and the railway shipping facilities and nearness to Toronto, thought of this slogan can be continued right down which is more and more becoming a distribution to your own community.

Favorable-But Room for Improvement

In view of the topic that seems such a live one in many municipalities, regarding the collection of present be located. The delaying of the payment of have been pretty well bared. the property taxes is the using of municipal money at a rather high rate of interest when it is considered that two penalties of five per cent. are added for non-payment. The taxes on properties are shown to be settled in nearly every case before the threeyear period has clapsed and tax sales in Acton are a rarity. The first one in many years was held in Acton last year on a vacant lot, where ownership was in

How They View the Question

A few weeks ago there was a conference to consider the nefarious rum-running between Canada and tury. the United States. The leaders of that country, and many of the newspapers, have been since studying the question as to what reaction there has been as a at by many is that while no practical accomplishment for Fairview Cemetery. can, as yet, be recorded with regard to the antismuggling treaty between Canada and the United States, the meeting really meant further mutual expressions of friendship and goodwill. One leading retroactive to January 1, 1929. These reductions people meeting in Ottawa asked was that Canada favor of public ownership most. refuse to give legal countenance to an illegal trade. Can it be said that the request was so very unreasonable? Perhaps it might help if for a moment the narrow legal aspect of the question be forgotten and the issue faced as a matter of public policy and national good. One paper, viewing it as a purely Canadian problem for a time, and not as a matter solely having to do with United States prohibition, cannot see how Canada can refuse to take stepscomplicated though they may be for Canada-which ther countries, including Great Britain, have already thief, Orval Shaw, congratulations can be reversed taken, and decline to be done with an unsavory and a from those who sympathize with the under dog and dangerous business. If Eritain and Norway can given to the police for their fulfilment of their duty. refuse to give clearances, there is no technical prin- And the officers took Shaw's bricks and blows and ciple in the way of Canada doing the same. Assistance of that kind would be welcome

Seeding a Blg Wheat Field

Throughout Western Canada farmers are busy seeding one of the world's largest wheat fields, for it will extend over about 22,000,000 acres. Last year The Dominion produced 533,571,700 hushels of wheat from 24,110,140 acres, over ninety per cent, of which was grown in the three Prairie Province-Manitoba, Roy Grandy. Saskatchewan and Alberta. This year it is estimated about 25,000,000 acres will be sown to wheat in of Main and Church Streets, which they Canada. Wheat is one of the most important food products in many counties and the Dominion is one of the world's chief sources of supply. Canada is the largest exporter of wheat and sells it to 47 countries.

Congratulations to All

The splendid place the pupils of Acton Schools won in the Musical Festival of Halton County on this their first attempt, certainly reflected much credit on the ability and talent of the town and the capabilities and painstaking efforts of the Directress of Music in Acton Schools, Mrs. M. R. Moore. The W. McMillan, of Toronto, visited with opportunity that is now afforded the school boys and girls to develop their musical ability along with other -Advocate. school studies can result in only one thing-a greater galaxy of musical talent in the community and an increased interest in the musical training of the boys and girls and older people, too. The spirit of the musical festival or competition is something also end with friends in Toronto. that will make for good. While Acton, as a school, was fortunate this year in winning the largest number ing the week. of prizes and are naturally very much elated, still the week-end with Miss Margaret Dickie. was badly wrecked. He was placed on cannot but be commended. To those who won con gratulations, to those who lost we also offer our congratulations.

Where Greater Benefits Can be Secured

Henry Ford has proven good judgment instances and again he displays a common-sense view ant visit in the Old Land. of things, which has been shared by many of the the funeral of the late Edwin Colman on in his column in The Post-Intelligencer small town boosters for some years. In a recent issue Monday were: Mr. and Mrs. E. Pinnigan, of the American Magazine Mr. Ford says: "Is it and Mrs. Thos. Crossman, Mrs. George efficient for business to pay high land taxes in con- Philips, Toronto; Mr. and Mrs. Garnett gested cities where its workers must pay exhorbitant E. Crossman, Acton; Mr. John Batchelor, Great Northern bore. The very next Empire Shopping Week will be observed from rents? By moving out, business could get lower land Toronto. many industries of good standing seeking such centre, will undoubtedly be one of the communities to so benefit.

More Equalization in Trafalgar

The Milton Reformer says: "An effort at equalizataxes, we examined the list of Acton's arrears, as tion of assessment in Trafalgar Township, similar to presented to Council at the session this week. The that adopted by Nelson Township last year, is being final penalty for the year went on at May I and at attempted. The north end of the Township of Trafalthis date the amounts outstanding were \$16.02 for car feels that the lake shore property is not being Fulls. 1925; for 1926, \$73.67; for 1927, \$115.30, and for assessed high enough. There is a movement to raise 1928, \$1,625.49. The ideal condition would, of course, the assessment of the township \$550,000. The amount meeting. Monday evening. be to have no amounts outstanding at all, but it of the increase in Nelson Township last year was would appear that such a condition is seldom realized \$410,000, and the authorities of Trafalgar who favor winter, has accepted a position in Green's in any municipality. Taking a comparative view with the equalization have consulted Nelson Township other municipalities similar in size, Acton is in a very regarding the matter. A meeting was held in Milton favorable position. The position taken by the to consider this, and no doubt before it is settled Council of publishing all tax details in the Auditors' there will be considerable comment." And now it tools. a yard wide. The truck has apartments Report, and the rigid enforcement of the penalties would appear when Trafalgar has equalized and imposed here brought about this circumstance. The exhausted the shifting around on the County, it has constant oversight of the Council and the alertness to set about house-cleaning within its own borders. of their officers are, too, in no small measure respon- The north end of the County has usually felt that the sible for the correct accounting of the municipal lake shore properties have never been assessed high finances. The same endeavor is apparently applied enough. We were under the impression that Trafalto collecting the corporation's funds, as would be gar, in the county equalization, contended that it was used in private business and it would appear that high-enough. Now it would appear that when nothing these methods are proving very satisfactory. The more can be secured from other sections of the payment of taxes is undodgable. The amounts out- County, the township is dividing into factions and standing in Acton that go back three years are for when it has been equalized up and down and a cross business or dog tax, where the parties cannot, at section equalization taken, the roots of the affair will
