Canadians Sing Well Too. Americans are accustomed to Canada winning high honors at international stock and grain shows, but a surprise was sprung when two Canadian musicians went to New York and captured second and third places in competition with the best male chorists of the United States.

PROTECTION OF ROSE FOLIAGE. Good foliage is essential to the production of good roses and moreover, good foliage is desirable in a rose garden because of its appearance. Leaves which are matted, spotted or partly eaten by insects take away very much of the sap which is essential to the growth of the rose.

ISN'T IT THE TRUTH? A peasant with a troubled conscience went to a monk for advice. He said that he had committed a vile deed and begged the monk to find out that it was not true.

Not yet replied the monk. "Take care of your bag, get its contents again and gather up every feather that you have dropped." But the wind must have blown them all away, said the peasant.

WHAT SHALL WE EAT. What shall we eat? is a question asked by housewives all over the world. The interest of young people tells this story.

HOW MUCH DO YOU WANT IT? A woman whose work as a public speaker has taken her for years before audiences of young people tells this story.
