It helps

No one who keeps his eyes open can at once. escape the conviction that in spite of the enormous interest in athletics, sportmanship is rare. Recently those attending a game of basket ball under the auspices of the Athletic Council of a large eastern university were given small handbills as they entered. These handbills requested that there should be no comment on the work of the players in either team, except as good play should draw out applause; adding that the over enthusiasm of some patrons of backethall had occasioned much embarassment to the council on more than one occasion.

Athletics without sportmanship is dograding. Hen who will show, as Tilden did, the spirit of sportmanship in its higast forms, deserve the thanks of all devotes of athletics

THY THE YARK YOU-CANNOY BO

Some of you young people are very careful never to attempt anything too hard for you. "Oh, I can't do that." you say, when confronted by a diricult task, and settle down to the easy job complemently. The only way to grow Is to attempt the tasks you cannot do.
Try the job that is a little shead of you, the one that makes you stretch. Capacity does not increase by doing the same work over and over, but by attempting the task that is a little too
