The funeral will be held on Saturday afternoon with a brief private service at the home at 2.30. Service in the United Church, Acton, at 3.00 p. m. Interment at Fairview Cemetery, Acton.

The Acton Free Press

THURSDAY, OCTOBER 3, 1929

This and that

—And this is October.

—Daylight saving has ended for another year.

—Autumn came in earnest on Saturday, with quite a stiff frost.

—The leaves are beginning to come down and litter the ground.

—The County High School Field Day was held at Georgetown on Tuesday.

—Potato digging time is here again. There is no complaint of rot this year.

—Frederick Street is being graded and gravelled this week by the municipal officers.

—The Sunday School sessions are now held in the afternoon instead of the morning.

—The steel workers commenced erecting the steel of the new arena in the park on Monday.

—Erin Fair, in spite of the cool fall weather, proved a popular meeting place yesterday afternoon.

—The rains of the past week were appreciated, but more voluminous outpourings are needed.

—The coat of aluminum paint on the water tower on Main Street gives quite an improved appearance.

—Quite a number from Acton attended Milton Fair on Saturday and report a good crowd and good exhibits.

—A quilting bee was held by the United Church Ladies' Aid in the schoolroom of the church yesterday.

—With Erin Fair yesterday the last of the fairs of the district are over and all have been very successful events.

—An enjoyable tea was held by one of the groups of the Ladies' Aid in the United Church last Thursday afternoon.

—The frosts of the week ended the fine display of flowers which had predominated so gratefully during the summer.

—The removal of the telegraph poles on Mill Street will greatly enhance the appearance of Acton's main thoroughfare.

—Next week will be a busy one for auction sales. The sales lists will be found on pages two and three of this week's issue.

—The removal of the trees from in front of the old Matthews home gives a much improved and bigger appearance to the street.

—The workmen have commenced the work of remodelling the new store on Mill Street for Mr. E. J. Hassard, next to the Post Office.

—The Rally Day services in the various churches last Sunday morning were interesting and well attended gatherings of the young people.

—Mr. A. G. Clarridge, who lost his barn by a fire a few weeks ago has been forced to dispose of his large stock by auction sale, to be held on October 8.

—The regular meeting of the Lakeside Chapter of the I. O. D. E. was held last evening at the home of Miss Hannah Wallace. There was a good attendance.

—Now is the time to see if your name is on the voters' list. All appeals must be made in Acton before October 9. An advertisement in another column give the appeal dates for all the towns and townships of the county.

—Mr. George Hillmer was the unanimous choice of the Conservation convention in Milton on Tuesday. He will be the Conservative candidate for Halton in the coming election.

—Chief McPherson received a request this week for information of the whereabouts of Alexander J. McLean, who was born in Prince Edward Island. The young man has a considerable amount of money due him if he can be located in the next two months.

—Thomas Thauburn, an outstanding citizen of Brampton, who was prominent in many activities in the life of that town, passed away suddenly on Sunday while on a visit in Cobourg. Mr. Thauburn was well known to many in Acton and was an enthusiastic bowler.

—The Acton, England, Gazette, evidently reads the columns of the Actonian, Canada, FREE PRESS as closely as the latter does the former. In the last issue of the English paper there appears the following paragraph: "Acton, Ontario, Canada, possesses the Dominion Champion tug-of-war team."

C. N. R. Trains Delayed

All Canadian National Railways trains through Acton from the east Thursday afternoon were about an hour late, owing to the cave-in of a subway being constructed near Weston. Traffic had to be re-routed around by Burlington and Georgetown. The piles on the subway were undermined and the track settled several inches shortly after the morning train from Toronto had passed over it. Repairs were quickly made, however, and trains were running according to schedule the following day.

Son Responsible for Father's Death

A coroner's jury inquiring, at Oakville on Monday night, into the death of Charles Edward Durham, of Toronto, returned a verdict as follows: "We are of the opinion that Chas. E. Durham came to his death from injuries received in an automobile accident on the morning of September 6, in a car driven by his son, Fred Durham, at an excessive rate of speed." Fred Durham is out on bail on a charge of manslaughter. He will appear shortly in County Court at Oakville. Edward Walker, who was injured in the wreck, is still in St. Joseph's Hospital. Traffic Officer Lemon, who investigated the accident after the crash, testified that Walker had been intoxicated.

BALLINAFAD

Quite a number from here attended the dedication services which were held in Knox Church, Acton, on Sunday evening.

Miss Nellie Cook and Mrs. Frank Bimble visited friends in Brampton last week.

Mr. and Mrs. Wilbert McDonald, of Toronto, were visitors at the home of the latter's father, Mr. R. W. Lowrie.

Miss Ada Bwindlehurst, of Georgetown, is visiting at the home of her parents, Mr. and Mrs. Eph. Bwindlehurst.

Mrs. J. Whitney spent a day or two last week at the home of her father here, Mr. George Rogers.

There was a good attendance at Rally Day service on Sunday.

Got a Ride Back Home

Two prisoners who had escaped from the Ontario Reformatory walked right back into the arms of justice Friday morning when they asked Constable Cookman for a lift to Toronto. The Constable was very obliging and offered them the hospitality of his automobile. Upon recognizing them from descriptions furnished by the Guelph authorities, he called to his assistance two employees of the highway construction company and placed them under arrest, later having them sent back to the Reformatory. The prisoners were Harold Dewey and Floyd Smith.

Notice of Application to Parliament for Annulment of Marriage

Notice is hereby given that Thomas Edmund Appleyard, of the Township of Esquesing, in the County of Halton, in the Province of Ontario, Farmer, will apply to the Parliament of Canada, at the next session thereof, for a Bill of Annulment of the marriage between himself and his wife, Margaret May Appleyard, formerly Margaret May McDonald, of the same place, Housewife, on the ground of non-consummation.

Dated this 25th day of September, A. D. 1929.

H. N. PARMER, Acton, Ontario,
Solicitor for the said applicant.

HON. E. C. DRURY

—AND—

HON. NELSON PARLIAMENT

F. D. DEWAR and ED. HARROP, Secretaries.

EVERTON

One of the happy events which occur so rarely in a community as to be conspicuous, took place at the home of Mr. and Mrs. Thomas Mack, Erin and Eramosa townline on Monday, Sept. 23rd, afternoon and evening, when their relatives and friends to the number of about one hundred assembled to celebrate with them their fiftieth anniversary of their marriage day. Mr. and Mrs. Mack were married in Rockwood by the Rev. Mr. Freeman. Mrs. Mack was an only daughter of Mr. and Mrs. George Tindell, while Mr. Mack was a son of Mr. and Mrs. John Mack, both pioneer families of this district. Mrs. Beck and Mrs. Welsh, two sisters of Mr. Mack, both residing in the west were unable to be present at this memorable occasion. They are the only remaining members of the family living, one brother, William, died about six weeks ago which marred some of the joy. Since their marriage they have lived in this district on different farms with the exception of a short period when they lived in Everton. They were indeed fortunate in having with them their family of the six surviving children. Mrs. Sutton and Mrs. Bert Anderson died a few years ago. The remaining ones present were Thomas, Erin Township, George, Eramosa, Frank, Nassagaweya, William and Mrs. Glendenning, (Marg.) at home and Mrs. J. Lambert, (Annie) of Acton. Mr. and Mrs. Mack by their sterling qualities and devotion to duty have gathered to themselves a large circle of friends and acquaintances who extended to them congratulations on their golden wedding anniversary. Among the many valuable tokens of love and appreciation was a dinner set of dishes from the family, two reed chairs and a mantle clock. From the neighbors, besides the other gifts including gold pieces, flowers, linen, china and silverware. Supper was served in the basement which was beautifully decorated in golden tints. Rev. Mr. Lee, proposed a toast to the bride and groom. In the evening music and games was enjoyed by all and all went away wishing the bride and groom many more years of married life. Guests were present from Toronto, Dixie, Hillsburg, Erin and Rockwood. Noticable among these was Little Miss Georgina Anderson only great-grand child. It is indeed few events like this where four generations are privileged to be present. Much credit is due to Mrs. Glendenning, who worked so strenuously to make this a day long to be remembered by her father and mother.

Mr. Gordon Herron, of Toronto, was home for the week-end.

Misses Mary and Kate and Mr. John Reed attended the wedding of their nephew at Arthur last Wednesday. Miss Kate remained there and will spend some time with friends in that district.

The funeral of the late Wesley McLean, of Guelph, took place to Everton cemetery on Saturday afternoon and was largely attended. Sympathy is extended to the bereaved widow and sons, mother and sister and his many friends.

Mrs. Wilbert Talbot spent a few days in Toronto last week with her brother, Mr. Adam Boyle, who is ill at present.

Mr. and Mrs. Sam Lee and Mrs. O. Nickle, of Harriston, were down for the funeral on Saturday and stayed over Sunday with friends in the district.

Many from here attended Fergus and Milton shows last week.

Mr. and Mrs. W. Fletcher and Mr. and Mrs. C. Head called on Colonel and Mrs. Head on Sunday.

Mrs. George Loree and Miss Margaret Sunter have returned from their visit at Springfield, Mass.

Mr. and Mrs. T. D. McCutcheon, Lois and Robert spent Sunday with Mr. and Mrs. Joe Thompson, Guelph.

Miss Lucy Usherwood spent the week-end in Guelph.

Mrs. Frank Buckland and son Freddy, Misses Nellie and Zada and Mr. Walter Pasher and Mrs. E. Spence of Toronto, were visitors at the home of Mr. and Mrs. T. D. McCutcheon one day last week.

Miss Elva Hamilton returned to Guelph after spending two weeks' vacation at her home here.

Seynuck Valley Oil Company Limited

(NO PERSONAL LIABILITY)

Incorporated by Letters Patent Under The Ontario Companies Act—Authorized Capital $500,000

$1.00 Par Value

Pres., Tony Seynuck Vice-Pres., F. J. Sparham

DIRECTORS

R. P. Smith, B. A. W. M. Nesbitt M. SEYNUCK, Secretary Treasurer

The properties of the Seynuck Valley Oil Company Limited are located near Acton, Ontario, in the area of the Dolomite Limestone formation of the Province and already consist of a block of about 3,510 acres, under Option and Lease. It is this formation, which has proved so productive of oil and gas, in the Turner Valley and other places.

The Seynuck Valley Oil Company Limited have acquired the Drilling Rig equipment, Leases, Options, Properties and Holdings of The Suburban Oil and Gas Syndicate, of Acton, Ontario, which has been intensively developing this property during the past twelve months. Last year a large Standard Drilling Rig was installed on this property, and drilling commenced. On January 24th last when a depth of 4,950 feet was attained, a large volume of gas was struck, and has been flowing continuously since that time.

This showing of gas and rock structure is recommended by Geologists to be a good indication of a large gas field in this locality. No. 1 Well, however was not capped, with a view to utilizing gas for commercial purposes, but drilling for oil was proceeded with and, at the present time, No. 1 Well has been sunk to a depth of 2628 feet.

It is the intention of the Seynuck Valley Oil Company, Limited, to re-commence forthwith, drilling operations which has been temporarily discontinued during incorporation, and to sink additional wells to develop this promising oil and gas field.

The splendid prospects of and the advanced development of the oil and gas field of the Seynuck Valley Oil Company, Limited, recommends the shares as an unusual opportunity for speculative investment.
