express in a public way through the columns of your newspaper a few words of thanks and appreciation. While it is true that the programme

presented could not have been easily

carried through without a basis of school

musical training on the part of the

pupils, it is also true that the success of this programme was largely due to the splendid and willing co-operation of the members of the teaching staff and

pupils, who gave the programme; the general public for their splendid support and those citizens and friends who gave -- Churchill United Church Bunday donations to the piano fund.

· Yours sincerely.
