## Chronicles of Ginger Farm

Written Specially for The Free Frest by JUDY O'GHADY

For the last two weeks I have under taken to do the chores at night and feeding but quite another matter when it comes to dealing with them myself. This is the general proceeding. I get her nose into it and it becomes quite a younger, had been a country achoolmis- releasing the gas at the bottom of the trough without her unsetting it. However she doesn't waste much time once it is there and as I pour the rest of the water in the chop-flops away at the meal. With every mouthful she raises her head-and chop-flops it all over me and everything else. That is exactly the noise she makes chop, flop, flop; chop, flop, flop and the cleven little ples crowd around, tumble over each other and land with all four feet in to be done out of their delectable rations and so I think having had a little first hand experience I shall find the part-

# CHRISTMAS PRINTING

And Incidentally Save You Money Too!

Our quotations are always consistent with the quality of workmanship we execute on every printing order. We exercise the same care in printing circulars, or any of our printing orders, as we do in printing the newspaper that you are-now holding in your hand.

The importance of good printing cannot be overestimated. It is to a circular, booklet or handbill what clothes are to the business man. Shabby printing wreaks as much ill as shabby clothes. They both fail to make a good impression.

We are all set to do some splendid Christmas job printing, and have some very good ideas on the subject. Just come and talk it over with us.

We can do good printing reasonably for you on any other of your requirements also. Hand us your work and forget your printing troubles.
