IN MEMORIAM
HAMILTON, in loving memory of my dear father, Mr. Wm. Hamilton, who died April 12, 1929.
 He was a man of great courage, a father who was kind and fair, who lived in peace and love, who was true to his friends and fair to his enemies.
 His mother, MARGARET A. JOHNSON.
MARRIAGES in loving memory of Mrs. Nellie Masters, who departed this life April 14, 1929.
 And with the moon that shines fair, and with the stars that gleam so bright, which we have loved long since, but which we love more dearly still.
 Ever remembered by
 Her loving mother and siblings.
MARRIAGES in loving memory of my dear mother, who passed away April 14, 1929.
 God knew that she was suffering, and the hills were getting hard to climb, for he closed her eyes and laid her down, and whispered "Peace be thine."

The Acton Free Press
 THURSDAY, APRIL 10, 1930
 This week's special
 The dust is beginning to blow again. Good Friday—a week from tomorrow.
 The epidemic of influenza has already planted a few early seeds.
 Send in your items of news. The Free Press Number is 124.
 Time now to plan the best-up and clean-up programme for the year.
 Winter gave another passing kick in the brand handed out on Monday.
 As usual, the weather has been going his rounds assailing the past few weeks.
 April—as usual, the dewy-eyed-month of living up to its time-honored reputation.
 Daylight saving time goes into effect in Toronto and Guelph on April 27 this year.
 Guelph citizens have started a campaign to raise \$7,000 for the Band Fund.
 Maple syrup is coming in quite freely now. The season will be shorter than usual.
 A new mail route has been started from Georgetown to serve the Glenwillow district.
 Georgetown has authorized the building of an \$9,500 addition to its public school.
 The willows by the rushing brook now show the yellow and the red of the spring life.
 Say "hello" to the maple and the vivid reminders of the release of new spring energies.
 The Toronto Hockey Club would up the season last week with an entertainment and supper.
 Acton Lodge J. O. C. P. will hold their annual "At Home" tomorrow evening in the Town Hall.
 Quarterly communion services will be held in the United Church next Sunday morning at 11 o'clock.
 There are few rural homes that may not be improved by the planting of more trees and shrubs about the premises.
 The cool weather is no particular help toward prolonging the piles of coal that were estimated to smelt the winter.
 Let coming April have a real meaning at the school this year—big and little, in town and country. Plant now.
 Large flocks of wild ducks have been flying over town during the week to the northern waters, where summer time is spent.
 The baseball season will soon be with us again, and the baseballs are beginning to make their appearance on the back lots.
 Income tax reports should be forwarded before the end of this month. An advertisement in another column gives particulars of what is required of you.
 A small amount of labor this time of year will establish further beauty to any home. Trees, shrubs, plants, flowers, easy to secure, give rich reward later on.
 And the spring race on the garden fair, like the spirit of love, fall everywhere; and each flower and herb on earth's dark breast, rise from the dreams of its wintry rest.
 The interior finish of E. J. Hassard's new store is almost completed. The floors are laid and the walls plastered and finished and the fittings are now being installed.
 The wealth of floral bloom now to be seen at the Palatine Nurseries of A. J. Bishop & Sons is certainly beautiful at this time and visitors there are admiring it these days.
 The water course is later this year than usual. The creeks, where this ancient spring green usually predominates early in April, have been excited with too much beyond the usual date.
 Mr. Wm. Cooper was in Toronto on Saturday claiming more of the goods stolen from his store in the recent robbery there. These were recovered by the Provincial Police in Toronto, and had been packed in cases and placed in a storage warehouse.
 Chief McKeown was host at a banquet at the City Cafe on Saturday evening. It was tented to the "Acton State" and the "after-dinner" speeches were all eloquent, but very much the same. The boys were unanimous in acclaiming it as "Lotto Feed".
 Mr. Neil Patterson built his second annual sale on Thursday and his big sale last year, was very successful. The stock used in the sale was of excellent quality and everything was sold without reserve. The total of the sale was over \$5,000. Auctioneer Kerr wielded the hammer.

Help Us Move
 It's Spring and moving time is here. In many cases it means a lot of work and no profit. Here is one instance where it is different. On May 1 we are moving our entire Clothing Store to the larger quarters in the Warren Block (formerly Hassard's Drug Store). The moving is a big job for us. The profit can mean a big saving to you. Every bit of goods we have to move is going to cost us money. We've decided to move as little of it as possible. There are less than three weeks for you to take advantage of these big savings. Read these items and a visit to our store will convince you of the quality of the merchandise and the values we offer.
