### DEFORE IT IS TOO LATE

- If you have a grey-haired mother In the old home far away, Bit down and write the letter You put off, day by day. Don't walt until her tired steps Reach heaven's pearly gate. But show her that you think of her Before it is too late.
- Or a loving word to say.

  Don't wait till you forget it

  But whisper it to-day.

  Who knows what bitter memories
- May haunt you if you wait?

  Bo make your loved ones happy a

  Refore it is too late.
- We live but in the present The future is unknown: To-morrow is a mystery. The chance that fortune leads to us May vanish while we wait, to spend your life's rich pleasure Before it is too late.
- The tender word unspoken. The letters never sent.
- The long-forgotten measures.
  The wealth of love unspent, For these some hearts are breaking, For these some loved ones wait.

  Bo show them that you care for them

  Before it is too late.
