Mr. J. H. McComb and Miss Merkt were guests at the graduation exercises of St. Joseph's Hospital at Guelph last week. The exercises were carried out with the usual splendid solemnity of occasions of this kind, and the decorations, both floral and otherwise, on the stage of the Guelph Collegiate provided as beautiful a picture as one would wish to see anywhere. Next year's graduation exercises will be of greater interest in Acton, inasmuch as two Acton young ladies will be in the class, Misses Muriel McComb and Lois Malone, who are now in their last year.

The Young-Robertson Wedding at Everton

A lovely June wedding took place in the Church of Christ, (Disciples), Everton, at four o'clock on Saturday afternoon, June 7, when Lillian Pearl, younger daughter of Mrs. Geo. G. and the late George Robertson, was united in the holy bonds of matrimony to George Murray, eldest son of Mr. and Mrs. Albert Young, Rockwood. The church was nicely decorated with ferns, peonies and bridal wreath, the guest pews being marked with ribbon bows. Rev. John Dearnley, Guelph, conducted the ceremony and the wedding music was played by Mr. Charles Robinson, A. T. C. M., of Guelph. The bride entered the church on the arm of her brother, who also gave her in marriage, and was lovely in her gown of white georgette and Alecon lace, fashioned on princess lines. The collar of georgette, edged with lace, extended to a cape at the back and the long lace skirt fell in graceful folds. Her shower bouquet was of Madam Butterfly Roses and lily of the valley. Little Miss Mary Young, youngest sister of the groom, made a charming flower girl, and was dressed in a frilled frock of pink taffeta, with bonnet and shoes to match and carried an old-fashioned nose-gay of pink and white sweet peas. Master Douglas Robertson, nephew of the bride, was page, and wore a white sailor suit and carried the ring in a calla lily. The ushers were Mr. Fred Young and Mr. Lloyd Robertson. After the ceremony a reception was held at the home of the bride for the immediate relatives. The tables were very prettily decorated with pink and white streamers and centred with a three-tiered wedding cake. Later Mr. and Mrs. Young left on an extended motor trip through the States. The bride travelled in a monet blue and eggshell flat crepe ensemble with beige hat, shoes and purse to match. The groom's gift to the bride was a brown Isabella fox fur, to the organist a tie pin, to the ushers, cuff links, to the flower girl a silver mesh bag, and to the page, a gold knife. On their return they will reside on the groom's farm in Erin Township. Guests were present from Buffalo, Toronto, Guelph, Georgetown, Acton, Rockwood, Mimosa and Ospringe.

Two Special Sessions of the School Board

To Deal with Re-engagement of Teachers and Advertise for Principal to Succeed Mr. Lawrence

A special session of the School Board on Friday evening had Trustees Mrs. B. M. Wilson, Mrs. A. P. Havill, J. M. McDonald and E. W. Masters present and Chairman Beswick occupied the chair.

The meeting was called to consider the re-engagement of teachers. All the Public School teachers had accepted re-engagement.

Moved by Miss Rynard and Miss Nephew, granted increases in salaries. Miss Nephew pointed out that her duties had been increased, especially during the last years Both teachers expressed their appreciation of the co-operation and help extended by the Board in the fulfilment of their duties.

Misses Nephew and Rynard were, upon motion, requested to attend the Board meeting to discuss the matter of increased duties and salaries with the Board at a meeting on Tuesday evening.

The meeting adjourned to meet at 8.15 on Tuesday evening, June 19.

The adjourned special meeting of the School Board was held on Tuesday evening as arranged, with Trustees Mrs. A. P. Havill, Mrs. B. M. Wilson, J. M. McDonald and E. W. Masters present and Chairman E. Beswick presiding.

At the request of the Board, Misses Nephew and Rynard were present to talk over with the Board their letters regarding increase in salaries, and Principal Lawrence was also present. Miss Nephew felt that the social duties of the school had fallen heavily on her shoulders. Mr. Lawrence corroborated Miss Nephew and the work that she had taken up and carried on successfully on Field Day and at the At Home function, etc.

Miss Rynard felt that an increase was due, following her first year's work, and taking into consideration her qualifications. If her services were satisfactory she felt an increase was in order, and asked the Board to consider the matter.

Moved by J. M. McDonald, seconded by Mrs. B. M. Wilson, that Miss Margaret Rynard be offered re-engagement at her present salary. The Board do not see their way clear to grant an increase at this time.—Carried.

The general feeling of the Board seemed to be that salary increases were not advisable, owing to present conditions, and yet they appreciated the services of both these teachers. The matter was thoroughly discussed before any move was made.

Moved by Mrs. A. P. Havill, seconded by E. W. Masters, that Miss B. M. Nephew be offered re-engagement at her present salary. The Board do not see their way clear to grant an increase at this time.—Carried.

Moved by J. M. McDonald, seconded by E. W. Masters, that the Secretary be and is hereby instructed to advertise in the Mail & Empire and the Globe for a male Principal for Grade A Continuation School, Acton, Ont. Subjects Mathematics, Science and Physical Training. Please state qualifications, experience and salary expected.—Duties to commence September 2, 1930.—Carried.

Mr. McDonald felt that the Board should visit the schools and outline what work should be undertaken this year and the grounds also inspected. Tuesday afternoon at three o'clock was the time arranged for this visit to the schools and grounds.

Barnes, sister of the groom, McKenzie Alexander, brother of the bride. Miss Louise Ruddell, of Georgetown, played the wedding music. Miss Eleanor Younger, of Burke's Falls, sang. Death of Hugh Walker at Guelph

Hugh Walker, one of Guelph's outstanding figures for half a century, died at his home in Guelph on Saturday night. Carrying his 94 years with health and vigor until a short time ago, Mr. Walker had been ill only a few months. Mr. Walker built up from a small grocery store one of the largest fruit importing houses in the district. He had the unique distinction of being both the oldest Mason and the oldest Oddfellow in Wellington County. He was for five years a member of the city Council. He organized Walker Lodge, No. 321, at Acton, on September 21, 1874, and was the first Master of the local Masonic order. His wife, formerly Miss Elizabeth Davidson, died in 1924, after almost 70 years of married life. Surviving are six daughters, Mrs. Robert Douglas, Guelph; Mrs. Stanley Smith, St. Catharines; Mrs. Frank Everest, Toronto; Miss Alice, Neepawa, Manitoba; Miss Isabel and Miss Agnes, at home, and one son, George Walker, of Guelph.

Prisoners Who Tried to Escape Receive Long Sentences

The five men who broke away from the Ontario Reformatory last week and were captured near Norval, received their sentences in Police Court in Guelph on Monday. Three of the group, Percy Grist, John Toth and Robert Douglas, who were not implicated in the assault, were each sentenced to two years in Kingston Penitentiary; Jean Maurice received terms totalling seven years; and John Verduin, five years. Grist, Toth, Douglas and Verduin all pleaded guilty, but Maurice denied having struck the guard, whose evidence, however, convicted him. The five men broke away from the gang at once, Mr. Sanderson told the court. They scattered, and the guard took after Grist, Maurice and Verduin. As he approached, Maurice called to him, "If you come any nearer, we'll do you in," but undeterred by the threat, he grasped Grist, and turned him back towards the Reformatory. As he did so, Maurice came up behind with a stone about eight by four inches, and struck Sanderson across the head. Guard Herron also described the encounter, corroborating Sanderson's evidence. Maurice flatly denied having struck the guard.

BASEBALL

Local Nine

HALTON LEAGUE

ACTON'S SECOND DEFEAT

On Saturday the local nine travelled to Bonte, where they met their second defeat of the season, by the score of 5 to 4, in a ten inning game. It was rather a slow game, and in plain words "rotten" baseball. Nobody seemed capable of good baseball; Chalmers, on the mound, did not pitch his usual game; and Holloway, on first, made some bad plays, which is very unusual for him. Errors were credited to Kaley, Holloway, Chew and Waterhouse. Acton only got one decent hit during the whole game, and it was made by Waterhouse. It should have been a three-bagger, but he fell as he rounded first, and hurt his shoulder, and could only make second; but he got nabbed, by the shortstop, on a hidden ball trick, the ball remaining in the shortstop's hands while time was called to see if Waterhouse's shoulder was all right. Acton should have had about three or four three-baggers, but the ball simply couldn't get past Dorlan. He caught three left-field drives, and they were not easy flies, either, as he had to run to get under them. Waterhouse also made a good catch, getting the ball just when it was about six inches from the ground, and turning a somersault in the air; but the ball remained in his hand. The scoring was well spread out, and the game did not really have any kick to it until the ninth and tenth innings, when the score was tied, 4-4. The winning run was very close, Gibbons, Acton's catcher, missed a wild pitch by Chalmers, with a runner on third. He came running home and Gibbons got hold of the ball and threw it to Chalmers, who covered home, just as the runner slid. There was a lot of dust, kicked up, and it was up to the umpire to decide, and he called the runner safe. However, the Acton fans that were there were glad that such a game was over. The boys will have to play a lot better on Saturday if they expect to win from Georgetown. This makes Acton tied with Bronte for third place in the League. The game can be told from the following box score and summary:

WOMEN'S MISSIONARY SOCIETY

Halton Presbyterial Sectional Rally Held at Bethel Church on Friday of Last Week

Halton Presbyterial Sectional Rally of the Women's Missionary Society, held at Bethel Church, Friday, June 6. Mrs. C. Aikens, of Ballinafad, 2nd Vice-President of the Presbyterial, was in the chair.

The devotional exercises in the morning were taken by Ashgrove and Hornby, and in the afternoon by Melville and Bronte. Mrs. (Rev.) Caldwell and Mrs. Buck contributed a duett, and Mrs. R. Rumley, of Georgetown, a solo.

Ten auxiliaries were represented, with a total of seventy-four delegates. Acton, Georgetown, Ashgrove, Melville, Bethel, Ballinafad, Oakville, Bronte, Palermo, and Wesley were represented and full reports of the 1929 work was given by each Society. Mrs. Featherstone extended the address of welcome to the delegates. Mrs. A. T. Brown, of Acton, in reply, spoke of the beautiful church, situated on a hill, and knew we would all have a wonderful day together. Mrs. C. Aikens addressed the meeting briefly, expressing the wish that we would be free to discuss problems. The following Presbyterial Secretaries reported: Missionary Monthly, by Mrs. Aikens; Mission Band, Mrs. Buck; Temperance, by Mrs. Caldwell; Supply, Mrs. E. Wilson; and Treasurer, Miss Easton.

An excellent paper on "Christian Stewardship" was given by Miss Jeffries, of Oakville. Mrs. Dale, 1st Vice-President of Halton Presbyterial, urged that each auxiliary adopt a missionary for prayer.

A full report of Hamilton Conference Branch was given by Mrs. H. Dagleish, Mrs. (Rev.) D. P. Smith, of India, was present and gave a splendid address on India, where she and her husband have labored for 25 years. With the conglomeration of languages, religions and peoples it was difficult to get a common ground of contact. Their work was in Central India, in native states, not subject to British rule, but usually loyal. One third of the territory and one fifth of the population of India is in these native states. The United Church has been at work there for 63 years. Progress is slow but the leaven is working. There are 5,000 or 6,000 Christians in Central India. She spoke of Indore Christian College and hospitals, where skilled surgeons work. Temperance work was going on as here. Their work last year was building up Christian stations. She spoke of the passing of the Hardo Act, and girls under 14, and boys under 16 are not allowed to marry. The speaker also told of the wonders Great Britain had done for India, and urged the women to pray for India now, that she may not go back.

A pleasant announcement of a visit from Miss A. E. Jamieson, in the fall, was received from the Branch Secretary.

Miss Morgan, the Halton County Presbyterial President, urged prayer for India.

The next Sectional Rally is to be held at Ashgrove.

A hearty vote of appreciation was given to Mrs. Smith and to the ladies of Bethel Church.

Sons of England District Church Parade

On Sunday last, the Sons of England, Guelph District, held their annual church parade to St. George's Church, Guelph. There was the largest number of members that has been seen for a long time; the Daughters and Maids of England were also present in large numbers, while there were also a large number of juveniles. Before the parade W. Bro. W. Ecclestall, P. D. D., as chairman of the Past Presidents' Association, presented W. Bro. P. Crocker, D. D., with the new District Deputy's regalia, which has just been authorized by the Supreme Lodge. Bro. Crocker, in a few well-chosen words, thanked the members of the Past Presidents' Association for their gift. The parade was then formed up, and, headed by the Guelph Salvation Army Band, marched to the soldiers' memorial, where a wreath was placed in memory of H. O. E. members who had paid the supreme sacrifice. The parade then proceeded to St. George's Church, when the Rev. Canon Scovil preached a most eloquent sermon on the outstanding characteristics of Britishers and especially of Englishmen, placing them as follows: First, his love of fair play and justice; second, his love of freedom; third, his reverence for the Bible, stating that they had given more Bibles for the enlightenment of the world than any other nation.
