

BERRY SONG

Bewberries, blue berries—
These are a few berries
That were all found of I know!

THE OLD MAN OF THE BIG GABLE WINDOW

THE OLD GABLE WINDOW

There's a little gable window
That's a story in itself
Where a child and father's twilight

All the winds that blow to meet her
Bring of happy days to be
When a child and father's bloom

COMING BACK HOME
The spirit of home-coming which
Grows upon people as they grow in years

GOODBYE PLANT TO BE OPENED
AT BURNING ALBES
Decision of the Goodbye Plant &
Burns Co. to erect a modern, fire factory

A COOL-HEADED LITTLE GEM
The coolest set I ever saw, says
Mr. Stewart, a railway engineer
