Try This on the City Salesman: The Toronto daily papers last week carried the following advertisement, signed by Mayor Wemp: "Public notice to purchasers of printing. Attention having been directed to the scarcity of work in the printing trade in this city at the present time, citizens are therefore requested to assist in providing employment to printers by confining their purchases of printing to Toronto firms, thereby relieving unemployment in the printing trade." My, how these big fellows in the big city squeal when they are hit, but they have no hesitation about sending their salesmen out in the small towns and countryside to drum up orders to keep the city printers busy. We haven't asked Acton Council to insert a like advertisement, but the next time a city printing salesman calls on you, show him the big city squeal when they are hit, but they have no hesitation about sending their salesmen out in the small towns and countryside to drum up orders to keep the city printers busy. We haven't asked Acton Council to insert a like advertisement, but the next time a city printing salesman calls on you, show him the big city squeal when they are hit, but they have no hesitation about sending their salesmen out in the small towns and countryside to drum up orders to keep the city printers busy.

Canadian Poultry to Japan The Emperor of Japan is among the recent new customers for British Columbia pure-bred poultry. A consignment of selected birds which sold for \$4,000, from some of the best poultry farms in British Columbia, is now on its way to the Imperial farms in Japan. The birds will be used as foundation stock for breeding. Each of the hens in the consignment has a record of 300 eggs per year or over.

Naturally the Brigade appreciate the recognition as they just answered the call for assistance in a neighboring spirit of helpfulness.

Father Helped Son Out Facing charges of obstructing a police officer in the discharge of his duty and aiding his son to escape custody, Frank Mayne, of Drayton, was remanded for one week in Guelph on Monday. Canada Wins Ideal Home Exhibit If anyone wants to know the fine points on how to build the ideal home, Canada evidently can tell him. At the Ideal Homes' Exhibition recently held at Edinburgh, Scotland the Canadian exhibit was awarded the gold medal for general excellence. This award was made in the face of keen competition from over 100 exhibitors from all parts of the British Isles and some of the countries in the British Empire. The prize winning Canadian exhibit was the work of the Canadian Government Exhibition Commission.

Want More Peace River Bacon Less than 30 years ago, the Peace River District of Alberta, an extensive area of country northwest of Edmonton, was considered even by some agricultural experts as unsuited for productive farming. It is now one of the best wheat and other grain producing areas in Canada and also is growing in importance in hatched farming. Bacon hogs are now being shipped in carloads to Vancouver. Among the principal buyers of the Peace River hogs are the Vancouver Department Stores. Housewives of that city say that the bacon from Peace River is of the finest quality and like Oliver Twist they want more.

Two Interesting County Council Items At the request of W. N. Robinson and J. L. Howson, Oakville representatives of the County Council, it was agreed to change the allocation of the cost of the subway at the seventh line, at a meeting held on Tuesday at Milton. The distribution of the cost will now be Trafalgar 4 1/2 per cent, and Oakville 5 1/2 per cent, instead of 5 per cent, each, as arranged at first. All parties have assumed their share of the cost and it is expected the work will begin without further delay. The Council decided to advertise for an assistant to William Panton, County Clerk, and David Hutcheon, County Treasurer, each of whom has passed his 80th birthday.

THOMAS HILLIARD MURRAY, Erin After only an illness of a week from pneumonia, Thomas Hilliard Murray passed away at his home, near Erin, on Sunday, in his fifty-ninth year. He resided on his farm at lot 11, concession 11, Erin, and it was here he passed away. Thomas Hilliard Murray was the eldest surviving member of the family of the late Andrew B. Murray. He had resided all his life in this neighborhood, and was highly respected throughout the countryside. In 1902 he was joined in holy wedlock to Margaret J. Wilson. With the sorrowing mother there remains three sons and two daughters to mourn his loss, and esteem his memory. They are Edward, in Erin Township; and Mrs. George Brock, at Hammondsburg; and William, Chester and Mary, at home. Three brothers and one sister also remain. Wesley, Mrs. Fred Denny and Andrew J., on farms adjacent to Acton; and Edward, in Kitchener. To all of the bereaved ones the sympathy of friends in this district will go out. The funeral on Tuesday afternoon was largely attended. It was conducted by his pastor, Rev. O. A. FORTNER, of the United Church, Erin, and interment was made in Erin Cemetery. During the service the quartette from Acton, comprising Messrs. A. T. Mann, H. Gibbons, Alex. Mann and Jas. K. Smith, sang very appropriately.

ALLAN MANN

The funeral of Allan Mann, son of the late Ronald Mann, a pioneer resident of Acton, was held here on Saturday afternoon. Mr. Mann had been in the hospital at Port Arthur for several months and died there on Thursday last. His daughter, Mrs. Edson Smith, accompanied the body to Acton, the old home of the family. Upon reaching Acton by the afternoon train on Saturday the casket was taken to the United Church, where an impressive service was conducted by Rev. O. L. Poole, B. D., the minister. Interment was made in the family plot at Fairview Cemetery, beside the wife of deceased, who also died at Port Arthur, fifteen years ago. Allan Mann was born in Inverness, Scotland, eighty-three years ago, and came to Acton with his parents when he was four years of age. He spent most of his life here, and went to the West some twenty-five years ago. Fifty-six years ago he married Lucy Tunstingham, a sister of Mrs. Archibald McPherson. Their four children survive, as follows: Mrs. Edson Smith, Port Arthur; George, at Acton; Melvin, at Listowel; and Edward, in California. The pallbearers were: A. T. Mann, A. T. Brown, D. N. McTavish, N. P. McEam, James McIntosh and H. P. Moore. Mr. Mann was a member of the Methodist Church here for a number of years prior to his removal to Michigan. During the years his Bible was his constant companion and he delighted in the study of its wise precepts and precious promises.
