IN MEMORIAM

BURT—In loving memory of Mrs. Thos. Burt, who passed away November 24, 1928.

Two years have passed and gone, dear mother, since you were called away; How well we do remember That sad and weary day. None know how sad the parting, Or what the farewell cost. But God and His loved angels Have gained what we have lost. Sadly missed by HUSBAND AND FAMILY.

This and that

—Christmas—Just four weeks from today. —Elections are over in Acton for another year. —The little furies of snow are beginning now. —Do your Christmas shopping early and all possible at home.

—The interior work on the Wonderland Theatre is making good progress.

—The Wednesday half-holiday for the merchants is over in Acton for this year.

—To push your business there is nothing like having advertisements that pull.

—The Royal Winter Fair has been the attraction for many from here this week.

—The shovel season is here — coal shovel and snow shovel we mean, of course.

—All big concerns advertise. If you don't advertise, that is why your place is not a big concern.

—The snow and slippery pavements make it necessary for motorists to use added care these days.

—The price of bread keeps gradually coming down. It ranges in price by Acton from 7c to 8c per loaf.

—The Pink Pages big subscription campaign closes a week from Saturday. Now is the time to help your favorite candidate.

—If you and I have health and jobs this Christmas time we have a very deep obligation to those who have not. Let us prepare now to fulfil our obligation.

—Send Christmas cards to your friends by all means; but confine your usual Christmas expenditures to gifts for comfort to the families of the unemployed. You'll feel the better for it.

—Christmas will soon be here, and with it comes the desire to renew the fond associations of the past, to cement old friendships, with some thoughtful token of good will. Now is the time to prepare for this.

—The Junior Farmers' representatives from Halton at the Royal Winter Fair were Messrs. Douglas Harbottle, Gordon Sinclair, Lorne Bird, Marlyn Heston, John Lawson, Kenneth Spence, John Bird, John Lister, Fred Nurse, Chisholm Hume.

—"ATTENTION!" EX-SOLDIERS, SAILORS, MILITIAMEN

A big re-union of ex-soldiers of Halton County, and a rally of the Canadian Legion is being arranged for the near future. All returned soldiers and ex-soldiers or sailors who served in His Majesty's service for a period of three months during the late war, and members of the Canadian militia forces, who have served for a period of 6 years, are eligible to become members of the Legion.

Get in touch with the local secretary or President of the Legion, and you will be given full particulars about this re-union. If the organization meeting, held in Burlington on Tuesday, November 18, is a small sample of what the re-union will be, you cannot afford to miss it. Young and old, "Old Timers" who had not seen each other for twelve years, renewed acquaintances and talked over the old days, and it was worth something to be at that meeting. It's up to you, now, fellows, to say if the old friendships mean anything to you. Call on the secretary now, and let him have your feeling about this re-union.

Give names to Corp. J. J. Cooney, D. C. M., Acton, or A. B. Parr, Georgetown.

ACTON LADIES WIN THEIR GROUP

(Continued from Page One)

Summary—Home runs, Chalmers; 3 base hits, McCall; 2 base hits, L. Mann, Waterhouse; 6 hits, Price; 3, Porter; base on balls, off Chalmers 9; struck out, by Chalmers 8; by Toit 6; left on bases, Acton 5, Georgetown 8.

In the first game of the boys' play-offs on Friday in Acton Arena, Georgetown were victorious by an 18-9 score. In the first inning it looked like Acton's game, with only three men facing Waterhouse, and then, when the locals went to bat, they scored two runs, to have the lead of 2-0. But in the second frame Georgetown came back and scored five runs, to hold the lead for the rest of the game. The main cause for most of the Georgetown runs was the Acton catcher, who could hardly hold on to any of Fred Waterhouse's fast ones, and let the base runners' score. Georgetown seemed to have the edge on the game, but they also had the luck. Any hard hit they got went right through, without hitting the rafters, but nearly all the Acton players' hits would hit the rafters and bounce onto the infield. However, Georgetown played good ball to win the game, and they have not been defeated in a league game this year. The following box score tells the story:

Box score for Acton vs Georgetown game. Columns: AB, R, H, PO, A, E. Rows: H. Ritchie, R. Ward, G. Alcott, C. Stapleton, A. Ritchie, L. Mann, A. Hoare, A. Bolger, M. Tyler, H. Holloway.

Summary—Home runs, B. Ritchie, L. McMann; 2 base hits, C. Stapleton, A. Ritchie, G. Alcott, L. McMann, A. Bolger, P. Holloway, S. Seriven, L. Walters; 2 stolen bases, B. Waterhouse, L. Walters; 2, Clifford, A. Ritchie, A. Hoare; struck out, by Waterhouse 10; by Alcott 9; base on balls, off Waterhouse 6; off Alcott 4.

Georgetown men's team won the men's group in the Inter-County Football League when they again defeated St. Alban's of Acton by the score of 6-4 in Georgetown arena on Tuesday. It was a very fast game, in which our St. Alban's team showed great improvement. Both teams played great ball. Fred Waterhouse struck out the Georgetown players about as fast as they came to bat, and Seriven, the Acton catcher, played a much improved game, and stopped many runs from being scored. St. Alban's put up a great fight for it, but they have to admit that Georgetown has the better team, after being defeated by them four times in a row. This also finishes the boys' football for this season.

In an exhibition game, on Saturday night, St. Alban's defeated a team from Perth Avenue United Church, Toronto, by the score of 10-6.

Entered Into Rest

EDWARD P. HOLMES

In the death of Edward P. Holmes, of Memphis, Michigan, at Galtport, Miss., on the 18th inst., a relationship is revived touching esteemed residents of Acton in its earlier history. Mr. Holmes was the eldest son of the late Rev. and Mrs. A. J. Holmes of Detroit Conference. His mother was Miss Julia Hemstreet, daughter of Philip Hemstreet, who was seventy years ago an active citizen of this community. Mrs. Holmes attended school in Acton, and taught in two of the schools in Erin Township. The deceased was a prominent lumber dealer in the United States. He occupied a high place in Free Masonry, and was with the coveted 33rd degree at Washington, D. C., six years ago. He was an active worker in the Methodist Church. His wife and one son survive him. He was buried with Masonic honors at Memphis, Michigan, last Saturday afternoon.

HARRY GUMMER

For over a half century identified with the newspaper profession in Ontario, and prior to a few years ago one of the most active and best known publishers in the Province, Harry Gummer, former proprietor of the Guelph Herald, died at his home on Waterloo Avenue, in that city, on Thursday last, after a long illness. Mr. Gummer, who for over 40 years guided the destinies of the Guelph Herald, before its amalgamation with the Mercury, in 1922, had not been in good health for the past two or three years, but following his retirement from newspaper life continued in the capacity of assistant of the Gummer Press, a job-printing business. Born in London, England, in 1854, Mr. Gummer came to Canada when 19 years of age, and started his career as a newspaper man in 1873, with the Evening Sun, in Toronto. In 1876 he took a position with "Grip," then Canada's comic weekly.

GIRL GUIDE NEWS

We tried our new Guide Hall, in the Arena, last meeting. It is small and soon we will make it over so easy. Each Patrol Leader pulled strips of paper to choose a corner for her own Patrol. Now we will arouse the artists of each Patrol, and soon the room will be truly a Guide Hall. Those Orioles and Chaffinches, the Blue Birds and Beardless Tanager, were all ready to make their own corners best.

"O ye! O ye!" Hearken, all ye who are to belong to the new Guide Company. We are fortunate to have secured as our Guide Captain Mrs. Pinlay, formerly Ruth Walker. She has the Golden Cord, and that is about the highest honor any Guide can have. So as they say in slang "You may well thank your lucky stars," for such an excellent leader.

Old Mother Carey is shaking her feather ticks and pillows and goodness, how large are the feathers! Or are those feathery pieces of whiteness Cloud Birds? Not! You're all mistaken, they are wee fairies, and if we watch closely, we may see the Queen. Then we Guides will beg her to teach us how to fly. For sometime there may be a flying test for a badge. Wouldn't that be funny? So, if you do see the Snowflake Fairy, treat her gently, and tell her to go to Guide Captain Harrison. Then if she gives her some of that famous fudge, Guide-how-to celebrated, she might teach us how to fly.

BANK OF MONTREAL ANNUAL STATEMENT

Gains Reported in Principal Departments in Last Six Months of Fiscal Year—Total Assets at \$82,000,537 Are Up from \$72,509,648—Total Deposits at \$67,395,742 are up from \$68,867,754

Striking evidence of the soundness of underlying conditions in Canada is afforded by the strong statement of the Bank of Montreal in forwarding its 31st shareholders' report for the fiscal year to October 31. Owing to its importance, the statement of the premier bank is always looked for with a great deal of interest. Undoubtedly this will be more particularly the case this year, on account of the complicated economic conditions that have prevailed throughout the world.

On this account there will be special satisfaction that the Bank has been able to maintain its usual strong position. As was to be expected, under the conditions, the total volume of business is down from the previous year. On the other hand, there has been a gain in several of the principal departments during the past six months. This would seem to indicate more favorable conditions and will be regarded as reassuring to the business interests of the country. Of special import to the many shareholders will be a profit and loss statement showing that profits for the year have been ample not only to provide for the usual dividends and bonus, but also to allow of an appropriation of \$800,000 for premiums and the carrying forward of a comfortable balance to profit and loss account.

Strong Position

The general statement of assets and liabilities is an unusually strong one. Total assets are reported at \$82,000,537, up from \$72,509,648 at the end of the first six months of the year. Of this total, liquid assets amount to \$438,193,479, at which level they are equivalent to 59.32 per cent. of total liabilities to the public, and compare with \$373,450,306. Included among them are cash and Dominion notes of \$100,047,410, or 13.64 per cent. of total public liabilities.

The somewhat smaller volume of business being done throughout the country is reflected by a reduction in current loans in Canada to \$290,072,423 from \$335,301,194, while current loans outside of Canada are \$42,547,341 as against \$43,186,318. Loans to cities, towns and municipalities stand at \$21,246,054 as compared with \$27,451,104.
