#### A PAYING JOB

You spend so large a part of your life with your job that in choosing it, you should think of a number of matters beside the money. No amount of this will pay you for working under unhealthful conditions. A broken-down millionaire is not nearly so rich as a healthy newsboy. Does the job you are considering furnish healthful conditions, of work? If not, do not lot the size of your weekly pay check lead you to decide

in its favor. The work that does not give your brain chance is stultifying. Work purely mechanical turns a man into a machino. While a beginner can earn more by doing work that takes a minimum of thinking. to let one's brain vegetate does not pay.

DON'T HURRY, HERE'S YOUR HAT
