# Hamilton Team Defeated by 4-3 In Very Fast and Clean Game

Sixty Minutes of Speed Characterized the Play in the Game Friday Night-Friday, the Thirteenth, is No Jinx for the Acton Boys, Who Turned in a Wonderful Game-Possibly Last Game of the

The fastest and most clever hockey exhibition of the year locally was the one between the Hamilton team playing under the Grafton colors, of Hamilton, local Intermediates, at the Arena last Priday evening. 'The fans who missed that game were surely unlucky on Priday, the thirteenth. From the first period until the game was won in the last-minute or two of play it was ding-dong battle, and paraded some the nicest hockey in the year.

The first period was fast for an opener play, but the struggle weaved back and forth from one goal to another. It was a real opener. One instant Hamilton would provide the thrill and then Acton would stage their play. There was a from the corner. Each team drew one

The second period opened with the same speed as the first one closed. In the first two minutes of play Joe Kentner and Salmon combined and Joe registered to the the score for Acton when the centre man gave him a nice pass. Balmon had picked up the puck about centre ice for the play. Hamilton had other narrow escapes, but they kept the Acton - men well covered when around their goal and prevented scoring. But Hamilton put in some thrillers, too, against Acton. They got a goal but it was scored on an offin the net and hit the boards with terrific as the tunnelling under the 'C. N.

Greer and Joe Kentner missed on what looked like a sure one when they both went through. Hamilton evened the score on another shot from the appearances were apparently deceiving. Hamilton went-into the lead again on al nice two-man combination play that went right through and didn't give Lawson a Joe Wood shot from the left boards. It credit to their abilities. wasn't a hard one to handle but flipped in off the goalle's pads to make the count 4-3 for Acton. And the third period was also without penalties.

Many were anxious to know how Actor would size up against the Hamilton team and every fan was well satisfied with the performance. It was one of the finest and fastest games of the season and it had had the struggle for O. II. A honors back of it would have been the premier game of the season. Dr. Buchanan referred the game and handled it
