#### Acton Wins Two Games from Bronte

### ers for the Honors-Milton Here on Saturday

Pollowing last Saturday's games in the Halton County Baseball League the leadership becomes more in doubt than ever. Acton won from Bronte and Georgetown dropped their second game, this time to Milton, while Oakville won over 1,000 members of the Order

from Kilbride. The game here was rather loosely play- monster demonstration. There were ed on Acton's part and they were lucky twenty-four lodges in the parade and to come out with a win in view of the three brass bands and several fife and 12 errors chalked up against them. Until drum bands. the fifth innings Bronto lead with a more in the seventh and three in the on Main Street, finishing up in

the matters changed.

play a postponed game in the southern part of the county. They brought back a and drums marched back to the lodge 7-0 victory, which keeps them very much rooms. in the front rank. Counting the protested games to Georgetown's credit there are three teams tied for first place. The games on Saturday will clear the air among four of the teams. The locals need every fan out on Saturday to cheer them on in the game with Milton.

Acton led all the way in this nighteap fixture and blanked the Bronte boys. Chalmord went good on the mound having ten strike-outs to his credit. He was only in one tight place, in the fourth innings, when, with two men on and one down, a nice double play was put across to retire the side. Here is the box score

## Various Items of Local Interest

# Passed Normal School Exams.

The results of the Toronto Normal School examinations were announced or 'uesday.' Among the successful candidates were two Acton young people, Mis Irone Dunn, and Mr. Ivan Kirkness They have both secured Interim Pira Class certificates. To both of these young people we join in extending congratulations. Car Climbed Embankment at Rockwood

During the early hours of Monday morning a motorist, driving a car, had an accident on the hill at Hockwood. There were two occupants of the ear and one cessful. There were twenty-three who puts the cause of the accident on glating headlights and the other that the driver fell asleep at the wheel. The car elimbed the stoop embankment and overturned. DOROTHY BAHCOOK (Hon.) One of the motorists suffered severe cuts

medical attention. Stay at Home From Brampton comes the report that School Trustees in different sections of the County are requiring teachers signing on for the ensuing year, to spend most of their time in the section in which they will teach. With a number of teachers owning their own cars it has been found that they are present in the

section only during school hours, and slip away as soon as school is closed on Friday nights. While occasional weekends away are thought guite proper, it is believed to be in the best interests of the section to have the influence of the J. M. Denyes, exam. fees ...... teacher at hand constantly. The teacher Ralph Ross, exam. fees ...... should also participate in the life of the Leo. F. Curtin, exam. fees ...... community and take part in the work of N. P. Moore, repairs ..... the church, say these Trustees.

#### 100 Per Cent. Regularly

In various places we read of the high percentage of pupils passing the entrance examinations. In Galt it was 94 per cent., and Port Credit believed a record had been established when a hundred this year. In Acton it was taken as matters concerning the duties. quite the usual thing this year when 100 per cent, were successful and twoquite some years since Acton School has school term. had anything other than all the pupils failures recorded among the entrance was ordered to be fyled. class pupils of Acton Public Echool. We doubt if that record has been bettered or like to hear if it has.
