ROCKWOOD

On Tuesday evening last week the Women's Organization of the Presbyterian Church held a social and corn roast at the home of Mr. and Mrs. Douglas McNabb. During the evening games were played, which were much enjoyed by the young folks. After the corn roast and refreshments were partaken of, a hearty vote of thanks was tendered to the host and hostess for the hospitality of their home. As a result of a meeting in the Town Hall last Friday evening, when a number of young people met together to consider the advisability of holding a course in agriculture and home economics, two committees were formed to canvass the district for ten miles around Rockwood, and if a sufficient number of boys and girls can be secured, plans for the course will be proceeded with. The committees are as follows: Boys, Edward Pamore, chairman; George Cox, George McPhail, Clifford McDougall, Floyd Thomas, Glad, Jean Hyde, Jean Swanson, Helen Ryan, Elizabeth Hutchinson, Elizabeth Gray. Each member of both committees represents a different section, from which it is proposed to draw members for the course. The many friends and acquaintances of Mr. William Swanson, third line, Erasmus, will be shocked to learn of his death, which took place in Guelph General Hospital Sunday evening, as a result of an attack of appendicitis. Saturday evening he complained of a pain and on medical advice was rushed to the hospital. By his passing away Rockwood and vicinity will miss him in many ways. He leaves to mourn his loss, his wife and large family, who have the sympathy of the community in their loss. The funeral took place on Wednesday, at two o'clock, interment taking place in Johnson's Cemetery, Erasmus. Rev. Mr. Rogers, of Toronto, conducted services at the Presbyterian Church on Sunday. CREWSON'S CORNERS

The corn roast last Friday evening at Mr. R. W. Anderson's was a decided success. The attendance exceeded over one hundred people. A greatly number were from Guelph. The Junior Band was assisted by several Salvation Army members and others in providing the musical numbers, which were well received by the audience. Corn was supplied in abundance, and all present went home pleased with the entertainment. Mr. and Mrs. Lambert, of Guelph, were week-end visitors at Mr. John Bonnett's. Dr. T. D. J. Purmer, of Acton, was the guest of Mr. Luther Cornell on Sunday last. Our hamlet has been besieged the past week with real estate agents from Stratford, London, Toronto and other places, the object being to exchange city properties with Mr. Tyler for his service station whizz of the hills on the green of the golf links has some attraction also. However, we expect when the next geographical survey is made of the County of Halton, this burg will be on the map in red letters. Our Sunday services are gaining in attendance. A good number greeted Rev. Hector McLean, who preached a very forceful sermon. His theme was "The Signs of the Times." He based his remarks on the twenty-fourth chapter of Matthew. Mrs. Charles Parker, of Acton, was the organist. Next Sunday the Salvation Army from Georgetown will have charge of the service.
