final examinations at the School-Pharmacy and is now a full-fledged drug-

Mr. Hunter, the Department of Public Works' purchasing officer, took options upon three prospective sites for the new Post Office and Customs House last week. These were the Matthews corner, where Noble's flour and feed store and the present Post Office are located: Pearson property, occupied by Saltz's general' store; and the Secord corner fronting on Mill and Main Streets. Decision is expected about the first June. The Post Office has been located on Mill Street for upwards of sixty years and is likely to remain on this street.

The rainfall of the past week has been somewhat serious. Both Corporation Pond and Fairy Lake have been full to overflowing. At six o'clock Tuesday morning the water began running over the dam at Fairy Lake, and cutting through the new roadway. A watchman called out teams from Beardmore & Co.'s and a number of loads of gravel, deposited at the low point, stopped the restrained his anger and hatred and overflow. All day the water flowing over moved him to love and tenderness. the waste gate taxed the capacity of the Furthermore, he was a creature of im-

new cement bridge opening. The ten or a dozen Hydro-Electric tungsten lamps, which have been scattered through the town, give an idea of the superior lighting we are to have when the system is fully installed with 150 to 200 such lamps:

Mrs. J. P. Scarrow and the two children arrived from Hull, England, on Monday, after two years' absence. Mr. Scarrow went to Toronto to meet them. About 150 men have been at work of God's gifts (cf. ch. 48: 9; Ruth 4: 13; re-laying the new G. T. R. line from Weston to Acton with new steel rails 1 Sam. 1: 27; 1 Chron. 28: 5; Ps. 127: the past few weeks.

During the winter a series of checker matches were held in town, for a silver medal and the title of "Champion Checker Player of Acton." Mr. A. E.

Nicklin was the successful winner... Construction Foreman Cripps has gang of carpenters at work erecting the of the German population because of new bridge over the valley at Maria Street, to give a new entrance to Beardmore Crescent. The trestle work will be 100 feet long, 16 feet wide and 23 feet

Miller's Worm Powders do not need the after-help of castor-oll or any purgative to complete their thoroughness. because they are thorough in themselves. One dose of them, and they will be found palatable-by-all children, will end the worm trouble by making the stomach and bowels untenable to the parasites And not only this, but the powders will be certain to exert most beneficial influences in the digestive organs.

EXPECT BIG RESULTS

'Do not listen to those who tell you not say, "I have enough," or more literally, to expect too much for fear you will be "ALL." Every believer can say this! (1 disappointed. The way to be disap- Cor. 3: 21; Phil. 4: 18, 19; 2 Cor. 9: 8; pointed is to expect too l'ttle. There are Ro. 8: 31, 32). Esau's offer to accomyoung persons who tell themselves they pany, guide and protect Jacob (vs. 12can never amount to anything, that they 15). was generous, but there was danger have not any chance alongside others of in its acceptance. Jacob was afraid to their acquaintance. They take it for accept it, but prudent enough not to tell granted that they are going to make a Esau so. He gave another reason for dismal failure of life. III. "There are to find grace in the sight of my lord," 8-11.

at last come true (ch. 27: 39), and he could truly say, "I have enough." And yet he was not over loath to accept Jacob's gift (v. 11). It may be questioned whether it was so much generosity as policy that moved Jacob to urge his generous gift upon his brother Esau. There was reason to fear that when Esau began to reflect further on Jacob's former treatment of him he might change his mind, and the generous gift would serve to placate him, (ch. 32: 13-20; 1 Sam. 25; 27). Jacob, too, could flocks. We have in his words a sugges-
