Entered Into Rest

BENNETT ARNOLD, Toronto General sympathy is felt here for Mr. and Mrs. H. T. Arnold, of Toronto, formerly of Acton, and the members of the family here and at other points, in the sudden and tragic death of their youngest son and brother, Bennett. The young man was in his twenty-fourth year. He had been in Port Colborne for several weeks, and had been in communication with his parents until about two weeks ago. It was indeed a tragic blow when officials notified Mr. and Mrs. Arnold on Sunday that his body had been found in the Holland canal, and it was presumed he had been drowned two weeks previously. Identification was established by bank pass books which were found in his clothing. No clue of what happened has been found, but it is known that Bennett had drawn funds from his account just a few days previously, but when the body was found only a small amount of silver was in his possession. While Bennett was the youngest son of Mr. and Mrs. Arnold, and was not so well known in Acton as the other members of the family, the incident called forth the deepest sympathy of all for the bereaved ones. The funeral was held yesterday afternoon from Toronto, with interment in Greenwood Cemetery, Georgetown. Quite a number of friends from Acton attended the service at the graveside.

MRS. JOHN CRAWFORD Another respected resident of Acton passed away last week at her home on Church St., in the person of Mrs. John Crawford. For the past three years Mrs. Crawford has not enjoyed robust health, but was able to be about the home until three weeks ago, when she gradually became weaker and passed away on the 7th inst. She was in her seventy-first year. Before her marriage, she was Jane Hyde, a daughter of the late William and Eliza Hyde, and was born at lot 18, first line, Esquimaux. Forty-two years ago she was joined in holy wedlock to John Crawford, who survives her. To the sorrowing husband in his bereavement, the sympathy of the community goes out. Mr. and Mrs. Crawford lived in Nassagaweya for a number of years, but seventeen years ago took up their residence in Acton, where they have been respected residents. Of the family of the ten, but two sisters and one brother remain, Mrs. Michie, of Glenwilliams; Mrs. Martha Campbell, Petersfield, Man., and Mr. Thomas Hyde, of Saskatchewan. Mrs. Crawford was a member of Knox Presbyterian Church, Acton, and when health permitted was regular in her attendance. The funeral on Thursday was conducted by her pastor, Rev. H. L. Bennie, and interment was made in Fairview Cemetery. The pall bearers were Messrs. Andrew Lowe, Jos. Hoare, James and Robert Winton, J. Bauer and C. A. Conway. Among the friends from a distance who attended the funeral were Mr. and Mrs. Lowe, Brampton; Mr. and Mrs. Jos. Hoare, Glenwilliams; Mr. Alex. Crawford, Mr. and Mrs. Douglas and Mrs. McPherson, Guelph; Miss Andrews, Milton.

MRS. JOHN KITCHING After several months of brave struggle with a malignant disease, Mrs. Elizabeth Kitching, widow of the late John Kitching, of Nassagaweya, passed to her reward on June 10, in her 84th year, at the home of her son-in-law, Rev. H. Caldwell, Limehouse, Ontario. She had been ill for over three months at the home of her eldest son, Rev. J. W. Kitching, Chesapeake, and came to Limehouse by ambulance in the beginning of April. Mrs. Kitching was remarkable for her active mind, and loving interest in all whom she met, down to the very last weeks of her life, and her nurses never knew a more patient, or self-forgetful sufferer. Thinking of others rather than herself, a life long characteristic, was emphasized to the last, by her request that the doctors, after her death, should, by investigation, verify their diagnosis for the possible benefit of other sufferers. The late Mrs. Kitching was born near Brookville, Nassagaweya, on October 25, 1848, and spent her whole life in her native township. She was the daughter of George Easterbrook, and one of a family of seventeen children. Two brothers and seven sisters, all younger than she, survive her. They are: John T. Easterbrook, Seattle, Washington; Mrs. J. Irwin, Campbellville; Mrs. T. Watson, Waterdown; Mrs. J. Atkins, Acton; Mrs. J. Kane, Guelph; Mrs. D. Kingsbury, Sask.; Mrs. W. Dyer, Woodstock; Mrs. J. Husband, Guelph; and James Easterbrook, on the old homestead. She was married to John Kitching, of Nassagaweya, some 65 years ago, who predeceased her, twenty-eight years ago. Of her family of nine children, seven survive her, viz: Rev. J. W. Kitching, Chesapeake; Rev. G. R. Holland Centre; Mrs. (Rev.) Caldwell, Limehouse; Mrs. C. Moffat, Alberta; Wm. R. Guelph; J. Perry, on the homestead; and Eliza E. Red Deer, Alberta. Mrs. John Moffat and Mrs. C. H. Harris passed on before their mother some years ago. A large company of friends attended the service at the home in Limehouse on June 13, and after filled Ebenezer Church, where the service was continued. The body was laid away in the old cemetery on the hill at Ebenezer. Rev. M. C. Gandler, her minister, conducted the services, assisted by Rev. John Little, a life-long friend of the family, and Rev. D. N. McKinnon, Normal, Rev. Geo. Aikens, Ballinafad; and Rev. J. A. Neill, Hornby, Chairman of Nassagaweya. She loved music and the hymns were some of her favorites. Dr. R. G. Agnew, missionary on furlough from West China, husband of her granddaughter, Mary Caldwell, sang, by request, a sacred solo. A wide circle of relations and friends will miss her cheery greeting and the loyal, loving interest of this Christian woman.

From the Pampa Daily News of June 6 we learn of the sudden death of Mr. F. P. Reid, of Pampa Texas. Mr. Reid was a native of Ballinafad and visited in the old home about two years ago. The death of F. P. Reid, 69 years old came as a shock to the entire Panhandle. Mr. Reid was stricken with a paralytic stroke Saturday noon and passed away at a local hospital. Mr. Reid had been in failing health for some time, but his condition was not believed serious. He had just finished his dinner Saturday when overcome. He rallied later in the afternoon and declared that he could attend a road meeting if necessary. Mr. Reid was known throughout the State as "Good Roads" Reid. At the time of his death he was President of Oilfield Highway 41 Association, and Secretary of the Fort Elliott Highway Association. Mr. Reid is survived by his wife, and three daughters, Mrs. Otto Rice, Mrs. C. C. Crocker, of Pampa, and Mrs. Shirley Cox, of Mobeetie, and seventeen grandchildren. Mr. Chas. Ruddy, of Borger, Texas, formerly of Acton, is a nephew. He was preceded in death by a son, William, in 1922, and a daughter, Mrs. Ike Heare, in 1927. Mr. Reid was born in Ballinafad, Ontario, Canada, May 4, 1863. He was the son of Mr. and Mrs. James Reid. His grandfather came to Canada from Scotland in 1820, where he had been a Professor at the University of Edinburgh. Mr. Reid married Miss Minnie Morrow, a sister of the late H. R. Morrow, of Amarillo, in 1889. In 1897 Mr. Reid came to Texas, where he was only one railroad in this part of the Panhandle. The following year he moved his family to Texas, settling on the outskirts of Mobeetie, where he became known as the "Alfalfa King" of the Panhandle. He raised registered cattle shipped in from Canada, and fed them on alfalfa. Mr. Reid moved with family to Pampa in 1919, engaging in the real estate business. The following year he was elected Mayor of the city. He retired in 1924 because of ill health, but was drafted again in 1925, during the phenomenal growth of Pampa. He was Mayor of Pampa when the form of government was changed to the city manager system. He retired from public life in 1926, and devoted his time to the building of good roads in the Panhandle. Mr. Reid was a member of the Masonic order and I. O. O. F. He was a steward in the First Methodist Church, and until a short time ago, taught a Bible class. Mr. Reid was chosen one of the five most useful citizens of Pampa in 1929, and was declared the most useful citizen by popular vote last year. He was elected President of Oilfield Highway 41 Association at a recent meeting and presented a gold watch and chain for his untiring efforts. In 1930 he was presented an automobile by Pampa citizens in honor of his road activities in the interest of Pampa. With Mrs. Reid, he returned to his old home in Canada two years ago and he planned to make another trip this summer. His trip in 1930 was the first in 12 years.

PRESENTATION AND ADDRESS The home of Mrs. R. L. Davidson was the scene of a pleasant gathering last Thursday evening, when the Executive of the Women's Institute met to spend a few hours with her in her home. Mrs. Davidson, who has been Secretary for five years, has been unable to continue the work, and the Executive felt they could not let Mrs. Davidson retire without showing in some way the appreciation which they felt for her services. After spending a jolly time for an hour or so, Mrs. Lantz read the following address, and Mrs. Gamble presented Mrs. Davidson with a couple of lovely pieces of silverware. Dear Mrs. Davidson: We, your friends and fellow workers in the Women's Institute, feel we cannot let this opportunity pass without in some way expressing our appreciation of your services as Secretary. We realize that much of the success of the work of our branch is due to your untiring efforts in the past five years. We have always found you a willing and cheerful worker, often sacrificing time you could ill spare from your own home duties. So we ask you to accept this gift as a small token of our love and esteem for you. Hoping you will continue your interest in the work of the Women's Institute. On behalf of the Executive: Mrs. Gamble, Mrs. Lantz.

Mrs. Davidson thanked the ladies in her usual cheery manner, and declared for all she felt duties claimed too much time to enable her to carry on the work as before, she would still be one of their number, but only as a member. The evening drew to a close with singing. "For She's a Jolly Good Fellow."

PROOFS OF SERVITUDE Police Sergeant—"Are you married?" Prisoner—"No, sir." Officer—"Perhaps he didn't understand you, Sergeant. When we searched him, we found in his pockets a sample of silk and two unopened letters in a woman's handwriting a week old."

PUBLIC UTILITIES MEETING

Reeve Theford Present at First Session Liability Insurance Awarded by Draw-At-Risk Can be Put Against Properties

The regular fortnightly meeting of the Public Utilities Commission was held on Tuesday evening, with Commissioners L. G. King and Reeve E. T. Theford present, and E. J. Kerr, Chairman, presiding.

Mr. Kerr welcomed Reeve Theford to the Commission, and expressed his hope that they would find meetings congenial. Mr. Theford thanked the Commission and assured them that he would endeavor to do his best to facilitate the work of the Commission.

Moved by L. G. King, seconded by E. T. Theford, that the following accounts be passed, and the Secretary instructed to pay same:

The Secretary was in receipt of a letter from Mr. J. A. Ellis, of Toronto, of the Municipal Department, stating that when a consumer is fifteen days overdue on a two months' service, they are to be discontinued and a service charge of \$1.00 is to be collected before the service can be re-connected.

Mr. J. M. McDonald, of Beardmore Leathers Ltd., was present at the meeting in regard to arrears in water services on some of the company's tenants. He requested a list of all tenants in arrears of either water or lights from now on, so that the company will not be responsible for the tenants' arrears of light and water.

In looking over the insurance policies of three companies, it was found that for the double indemnity policies all three companies were the same. In order to treat all the agents equally, it was decided that the names of each agent would be awarded the first one drawn out would be awarded the policy. Mr. J. A. Smith's name was the first one drawn by a person not interested in any policy, and he was awarded the policy.

It was moved by E. J. Kerr, and seconded by E. T. Theford, that a delegate be sent to the summer convention of the Hydro, to be held at Bigwin Inn, on June 22, 23, and 24.—Carried.

The auditor informed the Commission that one-third of the consumers were in arrears to the amount of \$295.89.

shirt in the fifth inning, put it on again and walked out to the umpire and requested that the Milton players put their uniforms on. This was complied with by the Milton players.

Mr. Randall was the target for many remarks during the game. Georgetown defeated Oakville by the score of 13-8.

In all probability Blackburn will be the opposing pitcher here on Saturday, as it is reported Walters had his thumb broken in the game against Oakville.

Gus Edwards was on the Acton coaching line on Saturday, and he seems to know his business.

"Whitely" handled Chalmers' slants in noble style, but he has a weak peg to second.

The game was played under protest, and may not count as a league fixture.

JUST A LITTLE

Grandma: "Yes, I feel much better now, and I don't think there is anything wrong with my appendix. But it was nice of the minister to call and see about it."

Daughter: "But, mother, that wasn't the new minister, that was a specialist from the city who examined you."

Grandma: "Oh, he was a doctor, was he? I thought he was a little familiar for a minister."

ONE DROP TOO MUCH

"He was considered the best parachute jumper in the country," said one of his friends, standing beside the open coffin. "Yes, he was good to the last drop," remarked another.

TUT TUT! THEY ALL DO

"What is your idea of a clever woman, one who can see the point of a joke?" "No, a woman who can laugh at a joke without seeing the point."

THE CANDID FATHER

The Colonel touring Europe on his leave of absence, did not forget the one he left behind. His son received a card from Sparta, saying: "This is the cliff from which the Spartans used to throw their defective children. Wish you were here.—Dad."

THINK STRAIGHT

Following a straight line is never easy. Men who are lost on a level prairie, go with landmarks, usually wander in a circle, and it is as hard to think straight as it is to walk straight. There are so many forces, our wishes, our vanities, our prejudices, to pull us off the straight line; yet straight thinking is one of the essentials of success. Learn to think straight and the rest will be easy.

18th BATTALION TO HOLD RE-UNION

Biggest Event Since the War to Take Place at London on Sunday, June 19

"The Fighting 18th," Western Ontario's fine regiment, are holding a mammoth re-union at London, Ontario, on Sunday, June 19. The occasion is to mark the unveiling of a tablet that has been erected to the officers and men of the battalion who were killed in the War. The tablet is located in St. Paul's Cathedral, and the unveiling will take place on Sunday afternoon, June 19. It is anticipated that over five hundred ex-members of the battalion will be in the parade, which will march from the Armouries to the Cathedral. A band is being provided by the committee in charge of arrangements, and a march past will be staged after the service. Special arrangements are being made to take care of the next of kin of all officers and men of the 18th Battalion, who gave up their lives. Special tickets are available and can be had from Mr. C. H. Miller, 12 Victor Street, London, Secretary 18 Battalion Association. Letters have been mailed to all names on the Association lists and also to the secretaries in the twenty-five branches. It is possible, however, that some names have been overlooked and the Committee is anxious to hear from every member of the 18th who have not yet been communicated with.

You may take advantage of this occasion with confidence — our styles are the latest — our quality the best.
