The-league fixture between Milton and Acton was the big attraction at the Park, and it was one swell game of baseball, and made all the sweller by the fact that Acton won by-3-2. It was a real contest from start to finish, with both teams playing air-tight baseball. Actor led all the way through, but it was the fourth innings when the first run was scored by the locals. Milton came back in the fifth and tied up the score, but Walters broke the tie when Acton came to bat with some nice base stealing the score 2-1. When Chalmers got on first with a nice hit and Milton overthrew, he went to second, and again when he went to third and was allowed to score, the bottom seemed to go out of

Milton's chances for the game. In the ninth innings, when it looked came through a tight place and finished

Trafalgar Treasurer Out on Ball

Charles E. Ryan, former Treasurer of Trafalgar Township, was arrested Saturday by Constable Lewis Patterson, on two charges of theft of Township funds. Ryan was taken to Oakville, and appeared before Magistrate W. E. McIlveen. 'He was remanded a week on \$5,000 bail, furnished by his sister, Dr. E. R. Fisher, of Trafalgar. The charges arose out of the report of John S. Entwistle & Co., auditors, made to the Township Council some months ago, which disclosed apparent shortages amounting to about \$4,000. No charges or allegations against any one person were made in the report, which recommended a thorough investigation. Following the report, however, Ryan resigned as Treasurer, Reeve W. H. Morden stating that the bonding company refused Married Men - George Somerville, to renew his bond. Councillor W. E. Ford resigned his seat to take the vacant post. A. T. Harris has since been appointed to bring the books up to date. At a recent meeting he reported that an apparent shortage found by the auditors in the books of S. S. No. 4 was much less than originally stated. This apparent shortage is not involved in the George Switzer, Mac, McLaughlin and present charges. The present charges were laid after A. T. Harris reported definite shortages amounting to \$2,700. His report was taken up with the township solicitors. Campbell, Jarvis and McKenzie, who advised notification of the Crown Attorney. Further charges will be laid. Reeve Morden stated, the present two only involving small amounts.
