

BEFORE

Before you say a word that stings, Or raise in some heart, Before you toy with quarrellings, And from some old friend part, Remember that a kindly word Will all the trouble end, And that it's a date and absurd To banish a good friend.

THE SUNDAY SCHOOL LESSON FOR SUNDAY SEPTEMBER 4

EVILS OF INTEMPERANCE

Golden Text.—Drink no wine nor strong drink. Leviticus 10: 9. Lesson Text.—Isa. 65: 11-16; 22:23. Study also, Judges 13: 8-14; Ro. 14: 13-23; Ps. 24: 1-8.

Time.—7:00 B. C. and A. D. 1932. Places.—Jerusalem and all lands. Exposition.—I. The Woe of Those Who Live Intemperately, 11-17. Here we have God pronouncing six woes upon His chosen people because of their sins (vs. 8-11). The first woe is pronounced upon the greedy, monopolist.

STRANGE SHADOWS

In the petroleum-producing regions of California there are many large ponds filled with oil. After being pumped from the earth, the petroleum is allowed to flow into depressions on the surface, where it remains for some time. The ponds of oil are known as "sump holes."

Five million children are now making weekly deposits in school savings banks, and they have to their credit fifty million dollars which is drawing interest. Fifty million dollars is a tidy little sum, but that is unimportant compared with the fact that five-million school children are learning the habit of thrift.

WHAT IS YOUR SPECIALTY?

Most people are specialists. You will notice that the people who find fault do very little else. The winners always find something to complain about and never have time or inclination for anything else.

Each package is sold with the personal guarantee of W. K. Kellogg: "If you do not think Kellogg's Corn Flakes the finest and freshest flakes you ever tasted, return the empty package and we will refund your money."

ALL ACCOUNTED FOR

Feminine voice on phone—Is my husband at the club? Porter—No, ma'am. Voice—But I haven't told you who I am. Porter—Ah, knows, lady. But they ain't nobody's husband heah nevah.

Women and Asthma. Women are numbered among the sufferers from asthma by the countless thousands. In every climate they will be found helpless in the grip of this relentless disease unless they have availed themselves of the proper remedy.

GEMS OF THOUGHT

Mental pleasures never clog, unlike those of the body, they are increased by repetition, approved of by reflection, and strengthened by enjoyment.—Colton. We ought not to look back unless it is to derive useful lessons from past errors, and for the purpose of profiting by dear-bought experience.—Washington.

THE THRIFT HABIT

Five million children are now making weekly deposits in school savings banks, and they have to their credit fifty million dollars which is drawing interest. Fifty million dollars is a tidy little sum, but that is unimportant compared with the fact that five-million school children are learning the habit of thrift.

INDEPENDENCE A MYTH

"I like to think about my perfect independence," writes a well-known artist, "but I have found that wherever I go, I am still inside the same old skull, and that the same old obstinate angels and devils are cooped up there with me, and I do just what they tell me, as usual."

TIME FOR FAITH

Old Lady—"Is this the train to Hamburg?" Guard—"Yes, ma'am—jump in." Old Lady—"Are you sure it goes to Hamburg?" Guard—"Well, ma'am, the station-master, the engine-driver, the stoker and the waiter in the dining-saloon say it goes to Hamburg, and that is all I know."

Kellogg's guarantee FRESHNESS

Each package is sold with the personal guarantee of W. K. Kellogg: "If you do not think Kellogg's Corn Flakes the finest and freshest flakes you ever tasted, return the empty package and we will refund your money."
