With ideal Indian summer weather the anniversary services on Sunday las in the Ebenezer United Church were greeted with 'large 'gatherings, both morning and evening, and the addresses of Rev. George Kelly, of Lowville United Church, were full of interesting spiritual truths, which held his audiences rapt attention. The music by the choirs, both morning and evening, was most appropriate for the occasion and was well rendered. The banquet on Monday evening drew a large crowd, which enjoyed the splendid supper and excellent programme provided for the evening.

Armistice services will be held at the monument and the Anglican Church next Sunday afternoon at three o'clock. On Priday of last week Mr. John Marshall was the victim of a painful accident. In the morning he was currying his horse, when, in some unknown manner, he fell at the horse's feet, and was terribly bruised on the head, resulting' in a slight concussion of the brain, and several other wounds on the body. He regained consciousness enough to get out, making his way partly to the house, where Mrs. Marshall rushed to his assistance. He was stunned by his injuries and it was some time before he knew that medical aid was being applied. In an hour he became conscious and at date of writing he is doing as well as can be expected.
