Miss Ruth Gibson, of Acton, assisted the choir of the Grand Valley Church on their anniversary occasion last week. In the account of the anniversary, the Star and Vidette, says: "The choir were ably assisted by Miss Ruth Gibson, guest soloist, of Acton, who rendered two appropriate and beautiful soprano solos."

Observed Eightieth Birthday

On Thursday evening the family of Mrs. Arch. McPherson gathered at the home of her daughter, Mrs. Jas. Symon, where the eightieth birthday of the mother was observed. All the members of the family Mrs. Warner, Mrs. Noble, Mrs. Snyder, Messrs. George, Robert, Hubert and Frank McPherson, of Toronto; Mrs. F. Johnson, of London; and Mrs. Symon and Mr. A. M. McPherson, of Acton, were all present to mark the eightieth birthday of their mother. The wives and husbands and families of these members and other friends made quite a gathering, and Mrs. McPherson was showered with good wishes and remembrances from other friends in Acton and elsewhere that marked this passing of four score years and made it a memorable occasion. Including among the gifts was a beautiful basket of flowers from the grandchildren. About thirty-five guests sat down to the tables at 7:30 at this birthday event.

Junior Hockeyists Organize

Last night a group of young hockey players met in the rink and a Young Men's Club was formed. Mr. J. Greer, who called the meeting, presided and explained what the club was to be. There were about twenty boys present and it was decided to form three hockey teams, classed as A, B, and C teams. The A team is to be the O. H. A. Junior Team if one is entered in the league. The teams will play group games and may enter in the Northern Hockey League. Mr. Greer has secured the use of one of the hockey rinks, to be used by the club only. The Club will keep going all-year and participate in summer sports. The following officers were elected: Manager—J. Greer. Secretary—W. E. Eccleshall. Caretaker—W. Gibbons. Property Committee—B. Waterhouse, J. McGeachie. It is expected the Club will start training this week.

An Inspirational Travelogue

The travelogue by Mr. Stephen Haboush in the United Church last Thursday evening drew a large crowd. The event was sponsored by the Sunday School of the church. Mr. Haboush has a complete equipment and his motion pictures and colored views of Gallilee were interesting and beautiful. His description of customs of the Holy Land gave a new and better understanding of many of the passages and parables of the Bible. The musical arrangement accompanying the pictures was very appropriate and effective. Mr. Haboush is a pleasing speaker and being a native Gallilee he is able to interpret and explain his native country in a manner that was a delight and revelation to his hearers. Mr. Haboush's travelogue provided an evening that was unique and meritorious and an uplift to the community life and thought. Mrs. Haboush appeared on the platform with Mr. Haboush, in Gallilee costume, and contributed several beautiful soprano solos during the musical part of the programme.

Oakville Audit Shows Tax Arrears of \$127,379.19

Possibility of a further audit of the municipal books was raised at an Oakville Council meeting on Monday night on the receipt of R. E. Young and Co.'s report, covering the audit, started last May, following the discovery of defalcations in the Treasurer's department. As far as the report showed, the audit had only covered taxes and tax arrears, Councillor W. Anderson complained, stating that he had understood that it was to take in all the affairs which had been handled by A. E. Ryan, former Treasurer. The audit showed total tax arrears of \$127,379.19, according to the report. Records had been traced as far back as 1919 to arrive at this figure. Mr. Young had visited the former Treasurer at Guelph to go over some of the records with him. Mr. Ryan's record of his own defalcations, the report said, had proved accurate, only one case having been discovered of a taxpayer claiming to have made a payment while the books showed him to be in arrears. It is expected that further discussion of the possibility of a second report will take place at a conference to be arranged between the auditors and members of the Finance Committee.

90th Anniversary of Baptist Church

Scholarly Sermons by Prof. Tracy, of University of Toronto— Splendid Anniversary Music

On Sunday last the Baptist Church in Acton observed its ninetieth anniversary with services befitting the occasion. At the morning service the congregation of Knox Presbyterian Church worshipped at the Baptist Church and Rev. H. L. Bennie, the pastor, assisted in the service. The special speaker on this occasion was Prof. Frederick Tracy, of the University of Toronto.

Prof. Tracy's morning discourse was based on the text "Exodus." The speaker did not dwell on the book of Exodus, but pointed out that the Christian life was a renewal of the book. The principal event in this book is the story of the Children of Israel. There is also a deliverance out of moral degradation and sin, out of a lower into a higher condition. Those who follow the new dispensation are brought to a higher calling. The Christian life is always completing itself, but is never completed. Nothing frees us as much as truth, nothing enslaves us as much as falsehood.

Business Men's Social Evening

The social evening on Monday by the Acton Business Men's Association was a splendid event. The Association has sponsored several community events and this affair was provided with an idea for the business men of the community to become better acquainted. The prizes for cards were won by Mrs. A. B. McLean, Mrs. F. S. Blow, Dr. P. W. Peason and Mr. G. A. Dills. The lucky chair contest was won by Tom Nicol. A splendid lunch was served and an hour or so of dancing enjoyed. President Thos. Watson expressed the pleasure of the Association at such a splendid attendance and the success with which the committee in charge had carried out the plans for the evening. There were about eighty in attendance.

Error in Council Report

In the list of accounts of the Acton Council meeting, published last week, an error occurred. Mr. G. H. Lantz was credited with receiving \$117.46, whereas the item should have read \$3.00. Shower for Miss E. James

A very enjoyable time was spent on Thursday evening last at the home of Mrs. S. G. Smith, when a miscellaneous shower was given for the bride-to-be, Miss Ethel James. A mock wedding was put on and Mr. S. G. Smith carried out the part of the minister so aptly as to cause much merriment. A programme which was well carried out, was enjoyed by all, and made quite lively by the boys who played so willingly on the guitars, banjo and mouth organs. The rest of the evening was passed playing games and dancing, after which a bounteous luncheon was partaken of, at which a mock wedding cake sat out so noticeably as to be taken for the original. Before the many friends left the bride-to-be to be thanked everyone for their good wishes and the lovely gifts which she received.

National Importance

Canadian investors and Canadian corporations have absorbed the \$80,000,000 loan offered by the Government. In so doing, they have benefitted themselves and have assisted their country. Money markets throughout the world have been vividly reminded that Canada, a country really in the initial stages of development, has been able to meet its own financial requirements. The world knows that Canada has thus expressed its faith in her destiny and future, and that Canadians believe their country has promise. Such advertising—if that may be called—is the more effective in times such as these. The repercussions from our effort towards financial self-sufficiency will be manifold. The loan should improve the credit standing of the Dominion. This means that Canada should be able to borrow on better terms with substantial savings to the taxpayer in annual interest charges. Such a demonstration of national solvency will naturally tend to increase the flow of investment funds to Canada, bringing greater development and generally easier interest rates, the first step on the road to reconstruction. There is not an individual or an institution in the Dominion which will not benefit, directly or indirectly, from the success of the loan.

Wins Many Honors as Plowman

Alex. Black, widely-known young farmer, of Puslinch Township, whose exploits as a plowman have, in the past few years, won him considerable fame, has had another highly successful season this autumn. The plowing matches for this season are all over now and figures show that, out of eleven matches, in which he competed, the Arkell Village star has captured five sweepstakes, which is the highest award at a meet. In addition to the five sweepstakes, he has won a long list of first prizes in the various events of the eleven shows and has, altogether, proven that he has few, if any, superiors in this province. In the course of his prize-winning drive, the clever young Puslinch man has taken part in plowing matches all over Ontario, and he is widely known for his exceptional ability. At Stouffville, he performed the startling feat of winning the sweepstakes over sixty-two other plows and twenty-two tractors. He is but twenty-one years of age, but he has shown his ability to defeat men whose experience at the game dates back for many years. At the Eramosa Township plowing match, Mr. Black won three first prizes and the sweepstakes award. At the Ottawa International Match, he came fourth in a field of noted plowmen.

A heavy downpour of rain and a bleak November morning were no deterrent to the loyalty of the citizens of Acton and district in commemorating Remembrance Day. Headed by Acton Citizens' Band, the Acton troop of Girl Guides, the Veterans and D-Company Lorne (Scottish) Rifles of Acton and Georgetown paraded from the Park to the service at the Town Hall.

Reeve Theford opened this meeting and on behalf of the Council expressed appreciation at the splendid gathering that filled the auditorium on this Remembrance Day—Fourteen years after the close of the Great War.

Mr. Fred Salt, at the piano, led the singing in several hymns from the Order of Service in the hands of all the children. Rev. F. A. Sawyer and Rev. H. L. Bennie took their various parts in the service.

The address this year was given by Rev. C. L. Poole and the speaker asked his hearers to think of the present in terms of the past. To the past we owe a debt of appreciation. There are many who do not require any special day for remembrance to guide their thought in meditation and retrospect. The achievements of science and invention during the war were wonderful but these are not the greatest things to remember. Above these towered the unselfish willingness for service that was shown in those days. These are the qualities that are needed not only in times of war but also in times of peace. We need to-day the same qualities and spirit, that were required to make war heroes. We need soldiers in civil lives against the evils of the present day.

With ringing emphasis Mr. Poole asked his audience if the commercial spirit of war has gone. Are we not in a mad rush for supremacy in an economic struggle? Was the sacrifice of 1914-18 not sufficient to demand our thought for the peace of the present day? Sacrifice has never lost its reward, and the speaker believed, that virtue and blessings will come. History repeats itself. There have been many things accomplished truly worth while in the fourteen years since the close of the Great War. Great things have happened. And the final words of the speaker as the clock tolled eleven seemed as a prophecy "Great things are going to happen in the years to come."

And for two minutes the audience remained in bowed silence which was broken when the "Last Post" was sounded by Bugler Jas. Loutiff. The National Anthem and the benediction brought this part of the service to a close.

The parade formed up again and marched to the Soldiers' Monument. One verse of "Nearer My God to Thee" was sung. Floral wreaths were placed at the base of the monument from The Province of Ontario, the Corporation of Acton, Acton and District Branch of the Canadian Legion, Acton Business Men's Association, the wife and family of Pte. Jos. Kennedy, Acton Troop of Girl Guides, Acton Women's Institute, Acton Citizens' Band, Duke of Devonshire.

MacIntyre, of Nassagaweya; and one brother, Duncan MacEdward, of Puslinch.

MRS. ARCH MCGIBBON, Milton

Death occurred on Monday of Isabella Alton, widow of the late Archibald McGibbon, of Milton, at the age of 80 years. Mrs. McGibbon, who had been ill for some time, was a daughter of the late George Alton, of Nelson Township, one of the pioneer settlers of Halton County. Her husband predeceased her five weeks ago. She was highly respected, being a member of Knox Presbyterian Church, Milton. She is survived by two sons and two daughters, William of New Westminster, B. C.; Archie, of Norwood, Man.; Mrs. M. J. Carton, of Esqueping Township; and Mrs. R. S. Hutcheon, of Toronto; also one brother, Wm. Alton, of Burlington; and two sisters, Mrs. M. Cline and Miss Maggie Alton, of Burlington. Fourteen grandchildren and three great grandchildren also survive. The funeral was private and took place from her late residence, Main Street, Milton, yesterday. Interment was at Evergreen Cemetery, Milton.

MARTIN LUTHER CORNELL

The death occurred at his home at Creswell Corners on Monday, November 14, in his seventy-second year, of Luther Cornell, beloved husband of Maria Rollins. Mr. Cornell was born in Hastings County. He resided there until the age of forty-eight, then moved to the West, where he remained for fifteen years, returning to Acton eight years ago. Mr. Cornell was a man who took a keen and active interest in affairs of community and state and always endeavored to fill his place in community life. Prior to his trip to the West this year he was Treasurer of the West. He was a member of the Presbyterian Church and the service was conducted at his home on Wednesday by Rev. H. L. Bennie. Interment was made at Fairview Cemetery, Acton.

MRS. ROBERT DOUGHTY, Limehouse

Mrs. Robert Doughty, who passed from labor to reward on Wednesday morning, Nov. 9, from her home, Limehouse, was the youngest daughter of the late Alex. Amos, of Puslinch Township, near Aberfoyle, where she was born some seventy-four years ago. In 1880 she was married to Robert Doughty, who remains to mourn the loss of a faithful wife and companion. After her marriage they farmed in Guelph and Eramosa Townships for some years, then moved to Guelph city, where they resided for nearly a quarter of a century, and where she was well and favorably known. Some twenty years ago they came to Limehouse. Here Mrs. Doughty was always interested in the church and welfare of the community. It was her joy to feel that she could in any way contribute to the harmony of the church, and when a difference arose she counted it a privilege to help remove it. Devoted to her home she will be most missed there. Never strong, yet her energy kept her going, when others would have given up. Her last illness was prolonged and trying, but as it came to the end she was quite resigned and happy to go to the home beyond. Many floral tributes expressed the esteem of her friends, and a large company attended the funeral on Friday, November 11, conducted by Rev. Dr. Howard, of Georgetown. Friends from Toronto, Guelph, Acton, Georgetown and other points were present to pay respect to her memory and express sympathy with her bereft husband.

JACOB RUMLEY

From the Gore Bay Recorder we glean the following obituary of Mr. Jacob Rumley, father of Mr. Thomas Rumley, of Acton. The deceased had reached the remarkable age of 99 years: "On October 27 there passed away one of the first settlers in Silver Water, Manitoulin Island, in the person of Mr. Jacob Rumley, who was in his 99th year. The late Mr. Rumley's parents came from York-shire, England, in the year 1830, and settled in Burlington, Ontario, where Mr. Rumley was born in 1833. In 1853 he

An Early Winter

The winter that descended in this section of Ontario on November 15 of 1932 seems to have set a new record that does not find a parallel in a number of years. A blizzard of February proportions raged all day Wednesday and when the sun came out bright this morning a snowfall of about a foot was over the earth. The highways are in rather treacherous condition and a general appearance of mid-winter is about. Cold weather still maintains and the ponds are frozen over with a fair thickness of ice. The country roads are rather badly blocked and it is quite the common thing for cars to have to get assistance from the ditches and deep snow.

The Stapleton Tyler Wedding

On Saturday at high noon a very pretty wedding was solemnized at St. Alban's Church, Acton, when Lillian Mary Anne, daughter of Mr. and Mrs. Edward Tyler, Sr., became the bride of Cecil (Tony) son of Mr. and Mrs. Harry Stapleton, of Georgetown, Rev. P. A. Sawyer, L. Th. officiating. The bride who was given in marriage by her father was becomingly attired in blue georgette, with gray accessories, and carried a bouquet of yellow roses.
