AN EASTER CANTATA

"The Garden of Joseph" Presented by the Choir of the Acton United Church on Good Friday—Visiting Artists Assisted in Service

The Easter Cantata given by the choir of Acton United Church on Good Friday evening was one of the finest and most enjoyable musical productions that has been given in Acton in some time. There was a splendid gathering present to hear this event and hear the Easter theme, so well given in song and story. A brief devotional service preceded the presentation of the Cantata. During this service Mrs. A. K. Harrington and Mrs. Jas. Russell, of Unionville, sang solos, "Art Thou Despised," "Art Thou the Christ?" and "The Sheep and the Lamb," that were deeply appreciated. Miss Wile, of Unionville, was their accompanist. In the profusion of Easter flowers and symbols of Easter and spring time, which adorned the platform, the presentation was particularly effective. Little Marjorie Norton, in the tableau setting while the solos were being rendered, was indeed sweet.

The Cantata, entitled "The Garden of Joseph," was given in Easter story and song. Rev. C. L. Poole, as the gardener, read the various passages from the Easter story, and the numbers by the choir, and solos, in order of their rendering, were as follows: Chorus by the choir, "O Erlsen King Divine"; two-part chorus of women, "Night, O'er the Garden"; male voices in unison, "Guard Ye His Tomb"; soprano solo and quartet, "O Lowly Gallean"; Mrs. C. L. Poole, Mrs. (Dr.) H. A. Mowat, Messrs. G. Simpson and G. Masales; chorus by the choir, "Behold! Behold!"; chorus of the choir, "Tis Morn"; soprano solo, Miss Haines; and choir, "Angel of the Garden"; chorus by the choir, "Risen Today"; solo, Mrs. Jas. Russell, "The Magdalen"; closing chorus, "O Sing Ye Alleluia."

The church organist, Miss Fern Brown, played all the accompaniments and the choir and all who assisted were complimented by all who heard the presentation for its excellence. Mr. D. Taylor, of Toronto, also assisted the choir at this time. The lighting arrangements, which added so much to the effect secured, were in the very capable hands of Mr. C. W. Wilson, Superintendent of the local Commission.

"Strange Interlude" Comes to Screen as Gripping Entertainment

Drama that delves into the intriguing field of psychology to furnish one of the most gripping pieces of entertainment in many a moon will be at the Gregory Theatre, where "Strange Interlude," Metro-Goldwyn-Mayer's amazing film-ization of O'Neill's noted stage play will be shown on Friday night. With Norma Shearer and Clark Gable in the principal roles and the O'Neill device of using both spoken-word and unspoken-thought worked out far more effectively through the medium of the talking screen than was possible on the stage, the new picture offers something far afield from the ordinary in the realm of screen drama. Aside from the novelty of both the story and its manner of presentation, the picture is especially interesting for its gripping effect on its audiences. "Strange Interlude" gives an entirely new flavor to the talkies.

Entered Into Rest

MISS M. SUNLEY, Guelph

Following a period of ill-health, which extended over the past few years, Miss Myrtle Sunley, one of Guelph's most highly esteemed young ladies, passed away Sunday afternoon, at the General Hospital in that city. Formerly a chief operator at the local office of the Bell Telephone Company, the late Miss Sunley had a wide circle of friends in Guelph to whom the news of her passing will come as a matter of great regret. A native of Guelph, the deceased was the daughter of Mrs. Jessie Sunley and the late Thomas J. Sunley and she had been a resident of Guelph all her life, being raised and educated there. She was a life-long and devout member of Dublin Street United Church. She was also a member of the Eastern Star Lodge and for some time took an active part in the affairs of that organization, in addition to her work in the church and Sunday school of the Dublin Street congregation. Surviving are her mother, one brother, Norman, of Toronto; five sisters, Mrs. C. S. McFarlane, Mrs. J. D. Doughty and Misses Mary and Grace Sunley, of Guelph; and Mrs. (Dr.) E. J. Nelson, of Acton. Miss Sunley's father died several years ago. The funeral took place Wednesday afternoon, at three o'clock, from the residence of her sister, Mrs. C. S. McFarlane, 337 Woolwich Street, Guelph.

MRS. ROBERT SCOTT, Kitchener

Following a period of ill health of the past few months, Mrs. Robert Scott passed away on Sunday at her home in Kitchener, at 52 Agnes Street. Both Mr. and Mrs. Scott have been rather poorly lately, and about a month ago Mrs. Scott's sister, Mrs. J. Beaumont, Glenwilliams, passed away. In ill health, she never recovered from the shock of this bereavement and failed to respond to loving care and tender nursing administered. Until five years ago Mr. and Mrs. Scott and family were residents of Acton, respected and esteemed by all our citizens. They had lived here since their marriage and here the family were born and raised. During her residence here Mrs. Scott was an ardent worker in the activities of the community and especially in her church home at the United Church. When leaving Acton she and Mr. Scott were honored by the congregation at a farewell event and presentation. A true friend and good neighbor, the many friends in Acton join with the bereft husband and daughters in mourning her loss. Besides the sorrowing husband there remain two daughters, Mrs. (Dr.) J. Johnson, of Waterloo; and Miss Laura, at home. One sister, Miss Mary Cooper, of Glenwilliams, also remains. Mrs. Scott was, before her marriage, Miss Christina Cooper. Naturally it was her wish and that of the husband and family that the funeral would be held in the old home town, where so many intimate friendships had been formed, and the service was held on Tuesday afternoon in the United Church at Acton. Her pastor here, Rev. C. L. Poole, B. D., was in charge, and was assisted by Rev. Mr. Matheson, of Waterloo. Many friends gathered to pay their last respects at this service and join in showing sympathy to the family. Interment was made in Fairview Cemetery. The pall-bearers were: Messrs. A. T. Brown, Jas. K. Smith, E. F. Kennedy, W. A. Storey, R. J. McPherson and F. E. McIntosh.

UNITED STATES OFF GOLD STANDARD

British Pound and Canadian Dollar Advance Sharply—Wheat, Cotton and Basic Commodities Reach New Price Levels

The United States abandoned the gold standard last night.

Shortly after President Roosevelt, in a bold, dramatic coup, had withdrawn support of the American dollar abroad, Secretary of Treasury Woodin said that nation had deserted the gold standard.

Woodin made his announcement to newspapermen who asked him to interpret the President's action.

"Is the United States definitely off the gold standard?" he was finally asked.

"Yes, we are off the gold standard," Woodin replied. "The whole matter is official abandonment of the gold standard."

The President's action was taken in an effort to raise commodity prices at home and restore languishing trade abroad. The White House announced this would be done by maintaining a tight embargo on export of gold. Actually, it means the American dollar is to be allowed to seek its natural level in world (Concluded on Page Five)

THE EVENING MEAL DIGESTER

"I want to be excused," said the worried looking jurymen, addressing the judge. "I owe a man \$25 and as he is leaving town to-day, I want to catch him before he goes."

"You are excused," returned the judge in icy tones, "I don't want anybody on the jury who can lie like that."

Public Utilities Commission Meeting

New Arrangement for Installation of Water Heaters Being Well Received by Local Patrons of Hydro

At the meeting of the Public Utilities Commission, on Tuesday evening, Commissioners R. J. Kerr, E. C. King and Reeve E. Thetford were present.

A letter from the Hewitson Shoe Co. objected to the service charge on water rates with which they were always billed, similar to other accounts. The correspondence in regard to this matter of four or five years ago was referred to and the Secretary was instructed to call the attention of the Company to the arrangement made at that time and which had been satisfactory to all concerned.

The Secretary was, upon motion, instructed to pay the following accounts:

Hydro Department	
Bell Telephone Co., services	\$ 4.58
F. McCutcheon, express	4.75
National Equipment Co., repairs	4.70
Wagner Electric Co., repairs	1.31
Canadian General Electric Co., supplies	3.10
Northern Electric Co., supplies	2.74
Canadian Rag & Metal Co., supplies	52.50
Jas. R. Kearney Corp., supplies	19.98
Waterworks Department	
Hydro Department, March operations	\$79.58

A letter from the Ontario Commission gave details concerning the installation of the new water heaters. The Superintendent reported that there had been applications received for these heaters to be installed, and others had the matter under consideration.

A letter from Mr. H. N. Farmer gave details in connection with the arrears against the Parker property, on Young Street. The settlement that could be made under the mortgage sale was set forth in this letter and the amount of the account owing the Commission would receive a proportionate share.

The statement of arrears was dealt with by the Commission.

The Superintendent was instructed to secure the necessary parts for putting the water metres in condition and all metres were to be placed in order in residences where they were not properly operating.

Teacher: "Now, who can make a sentence with the word gruesome in it?" Little Willie: "I can! Father stopped shaving, and gruesome whiskers!"

Parkview Athletic Club

A week of fun, frolic and entertainment has passed. The treasure hunt, with all its excitement and intensity, is over. The lid has vanished, and the surprise is now just another item in the programme of the Parkview A. C. The treasure, a fine crest, was won by Herbie Cook, and the sure is a worthy holder of it. The surprise took place before the regular meeting on Tuesday evening, and as a result everyone enjoyed the fine banquet that was spread before them, and took home with them a crest, which you will see being worn by its proud owners, which makes them a member of the Parkview Athletic Club, a club formed to promote clean, manly sport. LAWN-BOWLING AND TENNIS CLUB

Enthusiastic Meeting Decides to Operate Again This Year and Commences Membership Drive—Beardmore Co. Have Previously Met Deficit

The annual meeting of the Lawn Bowling and Tennis Club was held on Tuesday evening in the Council Chamber. About forty people attended and Mr. McDonald opened the meeting with the remarks that owing to the large deficit last year he thought it would be advisable to obtain the feeling of the people interested—as to whether it was worth while keeping the grounds open or not this coming summer. Taxes amounted to \$158.00; lighting service, \$62.00; and water service, \$72.00. These amounts could not be avoided, and the amount of \$350.00 for wages was the lowest figure in the history of the Club.

Mr. Mason, in replying to the Chairman's remarks, said that it would be a decided loss to the town if the grounds were closed, as it should be a beauty spot which every citizen should be proud of. He went on further to say that he saw no reason why the Club should have to pay so much for taxes, light and water, as the grounds were there for everybody's recreation, and not for individual profit.

After much discussion the question was put to the vote, and it was unanimously in favor of operating again this year. The following committees were then appointed:

General Committee—President, J. M. McDonald; 1st Vice-President, Dr. Pearson; 2nd Vice-President, W. J. Gould; Secretary, F. J. Salt.

Bowling Committee—T. Bailey, W. Nisbet, T. Watson, S. Lasby, E. J. Hassard.

Tennis Committee—Misses V. Waller, F. Brown, H. W. Hinton, E. H. Smith, J. Hurst, W. Harrop.

The Bowling Committee to meet on Thursday night at the Station Hotel, and appoint its own Chairman and Secretary.

The Tennis Committee to meet on Monday night, at the Station Hotel, and appoint its own Chairman and Secretary.

Fees were decided upon, as follows: Ladies, \$3.00; Gents, \$3.00; Junior, 12 to 18 years, \$1.00; Associate Members, \$1.00. The fees for non-residents was left unchanged.

Each member volunteered to try and sell five tickets each and at the end of two weeks another meeting will be called to see what progress has been made.
