## To Patrons of Waterworks Service!

The attention of all Patrons of the Waterworks Service in Acton, who are in arrears for rates, is called to Sections 25 and 26 of the Public Utilities Act, which empowers the Commission to discontinue the service where arrears are not paid and also to collect all arrears after the service has been discontinued, by the sale of chattels. It is also pointed out that the charges for a three months period may be placed against the lands and returned on the Tax Roll and collected as taxes.

Section 25 (3) of the Act says: "In default of payment the Corporation may shut off the supply but the rents or rates in default shall, nevertheless, be recoverable."

Notice is also given that after May 1, 1933, the services on all properties in arrears will be discontinued, as provided by the Act. The Commission gives this extension of time and notice in order to assist all to meet their obligations, but is necessarily governed by the Act respecting the collection of
