LIMEHOUSE

Limehouse had considerable week-end excitement when a detachment of Ontario Reformatory officers, of Guelph swept into town in search of an escaped prisoner. He evidently outwitted them, and after spending the night in this vicinity made good his escape from the cordon thrown around the locality.

Toronto people are still seeking to find up residence at Mimico, where homes here, for a summer holiday, and one at least has started building his own This would be a good time for more to at Waterdown during the past few days.

Presbyterian Church held their monthly meeting in the Sanday school room on Saturday afternoon. Mrs. Isabel Hewat left this week to

spend some time with her daughter, Mrs. Thos. Scott, second line, Eramosa. Mr. Fred Day's many friends will b pleased to learn of his examinations at the University of Toronto, and his receiving First Class Honors, including his B. A. degree.

STARTING AN ARGUMENT

If you are ready always to give a reason for your belief, that is a good trait. Generally speaking, it is well to register a protest when beliefs you A collision took place in our village on reverence are publicly attacked. That is Saturday afternoon, when a car collided very different from always being ready to with a butcher's truck and a team of start an argument. Some of you young people will take the 'off" side on almost any subject, just for the sake of preciptating a discussion. Your idea of a

good time is to disagree with somebody. Probably no one has less influence in modifying other people's thinking than a person who is always starting an argument. Everybody realizes that his opinion does not grow out of his conviction, but is the results of opposing that which some one else says and believes. There is no reason to pay much attention to one whose statements are prompted to dis-
