ROCKWOOD

A quiet wedding took place in Rockwood, at the residence of the bride's mother, last Saturday, when Miss Edna Vera elder daughter of Mrs. Rose L. Dyes, became the bride of Mr. William Roy Johnston, of Acton, younger son of Mr. and Mrs. R. L. Johnsten, in the presence of immediate relatives of the contracting parties. Rev. W. J. Taylor performed the ceremony. The bride was given in marriage by her mother. The bride's dress was of pink crepe Joli, with capelet of pink pleated net in hew long graceful style, with sky blue corsage flowers and white accessories, and carrymg a beautiful bouquet of butterfly roses and bridal wreath. Mrs. M. C. Overholt of Toronto, sister of the groom, played the weading music during the ceremony. A reception was held for the bride and grown followed by a dainty wedding supper. The happy couple left by motor for Hamilton, Buffalo, Syracuse, New York Vermont, Montreal and other points. The bride's going away dress was of powdre blue pure silk sand crepe, her coat of all wool grey crepe with wolf fur and accessories. The bride's mother were a dress of black flat chiffon, with Faconne velvet yoke and sleeves, while the groom's mother wore a dress of black silk crepe romaine, both wearing corsages of pink roses and sweet peas. The numerous friends and acquaintances of the happy couple wish them happiness in their new sphere of life. On their return they will reside

On Monday evening last week a miscellaneous shower was held at the home of Mr. and Mrs. Geo. Bolton for Miss Edna V. Dyer, when a pleasant time was spent in company with her numerous friends. After presentations, refreshments were served.

The deputation that made the trip to Ottawa last Thursday to interview the Government in regard to paying relief, did not meet with much success. They were told it was a Provincial matter and was up to Premier Henry.

At a meeting of the Public School Board, held in the board room on Monday evening, May 29, the staff committee recommended that all teachers be reengaged at new salaries. New contracts have now been signed and the staff will remain intact for next year. The total salary list, according to the old contracts. \$17,450. The new contracts, effective

GEMS OF THOUGHT

God wishes to teach us that the good have something else to hope for, and the bad something else to fear, than the good or bad fortune of this world.

No man can be brave who considers pain to be the greatest evil of life, nor temperate, who considers pleasure to be the highest good.

Truth, like a torch, the more it is

Let your greatness educate the crude and cold companion. The great will see

Whatever is coming-there is but one

The rankling of a single old grudge is sufficient to poison a life. We must get rid of it in some way, not simply prune it down to a decent condition of resentment, but cut it out altogether, as a surgeon would remove a cancer, if we are ever to know mental health and peace.

does-you an injury except by getting on No possible ill from without can be equal to the harm you can inflict upon yourself by sinning against your own higher character and self-respect. "Getting even" Mrs. with wrong, injustice and selfishness is

> Courtesy is a science of the highest importance. It is like grace and beauty in the body, which charm at first sight, and lead us on to further intimacy.

The best way to keep good acts in memory is to refresh them with new .-

To think of to-day's work as a part of the infinite work is an immortal's habit.-Edward Everett Hale.

My neighbor is the man who needs me or whom I need, which is in the end the same thing.-Joseph Ernest McAfee

I plead that you take an interest in the affairs of other people because they are your affairs.-Ian Maclaren.

The economic problem is not the permanent problem of the human race .-John Maynard Keynes. Absolute sincerity is the basis of last-

ing friendship. In fact it is the basis of everything, in every department of life.—Bishop Wescott.

YOUR WORK AND YOUR AMBITION

If there is a big gap between the day's work and your ambition, something is seriously wrong. Either your ambition does not count, or your work does not count. Whatever you aspire to, should If one looks up too much at the clouds! be linked up with that which you are
